

SPECTRA SUPER ALLOYS LTD INDUSTRIAL VISIT

On 23rd February 2019, 53 students of ARKA JAIN University had visited "SPECTRA SUPER ALLOYS LTD" accompanied by College Faculty Mrs. Ankita Singh and Mr. Abhishek Upadhyay. The Company Assistant General Manager Mr. Rameshwar Upadhyay warmly welcomed the students as well as was along with us throughout the visit. The students were told about how the industry functions, the whole process of preparing a welding rod was told to the students. They also informed about the various safety measures taken by the company. Later the Director of the Company, Mr. Ashok Kumar Singh, enlightened the students about how he initiated the idea of the firm. He was inspiring for students. Such interesting and educational visits should be frequently conducted for the students to gain practical experience and exposure.
