

14th March 2018

A seminar on “Awareness on Stock Exchange and Investment” was conducted in ARKA JAIN University

Students from different streams such as BBA, BCom, BA (Economics) attended the seminar. Mr. Chandan Upadhyay and Mr. Angad Raj from AR- Solutions and services and Mr. Pankaj Verma and Kumar Pankaj from Guijit conducted the seminar. Students were made aware on the stock Exchange and how it works. Students were told about the various opportunities of Investments and the risks of dealing in share market. With proper knowledge the students would also find interest in the area of stock market and how it works.

At the end of the two hour session, there was an interactive question answer round where the students got to ask their queries.
