Report on Online Five-Day Interdisciplinary Faculty Development Program on ‘Research and Academic Writing’ held on April 26th – 30th 2021

Date of Event	April 26-30, 2021
Name of Event	Online Five-Day Interdisciplinary Faculty Development Program on ‘Research and Academic Writing’
Type of Event	Research Methodolgy
Conducted by	School of Research (Dr. Sonia Riyat, Dr. Gurinder Kaur, Dr. Rupa Sarkar, Dr. Manoj Kumar Pathak)
No. Of Participant	59

Objectives The aim of the FDP was to encourage the participants to undertake quality research projects and to improve effective research-academic writing skills.

About the Event

An Online Five-Day Interdisciplinary Faculty Development Program (FDP) on ‘Research and Academic Writing’ was organized by the School of Research, ARKA Jain University from 26th - 30th April, 2021.

Prof. (Dr.) Satish Verma, RBI Chair, Centre for Research in Rural and Industrial Development, Chandigarh was the chief guest of the program. Prof. S. K. Sinha, Former Dean, Faculty of Humanities & Former University HOD, Department of English & Cultural Studies, Kolhan University was the Guest of Honour. Dr. Neha Tiwari, Professor-in-Charge, Dept. of Mass Communication, Karim City College, Jamshedpur conducted the session on ‘Selection of Research Area’. On the Second Day, Dr. Debalina Chakravarty, Post-Doctoral Fellow-IIM, Calcutta, Asst. Prof., Dept of Economics, St. Xavier’s University, Kolkata put forth her ideas on ‘Basic Concepts of manuscript Preparation’. Dr. Kriti Bhaswar Singh, Associate Professor and Head of the Dept. of Commerce & Financial Studies, Central University of Jharkhand delivered on ‘Review of Literature’. On the third day, the facts of ‘Questionnaire Designing’ were revealed by Dr. Gurinder Kaur, Assistant Professor, ARKA JAIN University. Dr. Rahul Amin, HOD, Dept. of Journalism and Mass Communication, and Dr. Rupa Sarkar, Assistant Professor, Department of English have shared their insights on ‘Writing Methodology’. On Day Fourth, ‘Basic Understanding of Thesis Writing’ was deliberated by Dr. Manoj Kumar Pathak, Assistant Professor, Department of English. Dr. Sasikant Tripathy, Asst. Prof., Entrepreneurship Development Institute of India, Gandhinagar, Gujrat, discussed on the factors of ‘Publishing Articles’. On the Fifth Day, Dr. Sonia Riyat gave insights to ‘References, Citation, Bibliography, Academic Integrity and Plagiarism’.

Learning Outcomes

It developed the research skills of the participants in terms of selecting the appropriate topics for the research, writing the review of literature effectively, writing quality research papers and getting it published in good journals.

अरका जैन विवि में फैकल्टी डेवलपमेंट प्रोग्राम भारत में कम रिसर्च होना खतरनाक संकेत

लाइफ रिपोर्टर, जमशेदपुर

अरका जैन यूनिवर्सिटी के स्कूल ऑफ रिसर्च की ओर से 'रिसर्च एंड एकेडेमिक राइटींग' विषय पर आयोजित पांच दिवसीय फैकल्टी डेवलपमेंट प्रोग्राम (एफडीपी) का समापन शुक्रवार को हुआ. उक्त एफडीपी में देश के विभिन्न राज्यों के शोधार्थियों व प्राध्यापकों ने हिस्सा लिया. इसमें शोध व एकेडेमिक लेखन के लिए आवश्यक विभिन्न आयामों पर दस तकनीकी सत्रों के माध्यम से विस्तार पूर्वक चर्चा व व्याख्या हुई.

उद्घाटन सत्र में मुख्य अतिथि के रूप में सेंटर फॉर रिसर्च इन रूल एंड इंडस्ट्रियल डेवलपमेंट के आरबीआई के चेयर प्रोफेसर डॉ सतीश वर्मा जबकि विशिष्ट अतिथि के रूप में कोल्हाण विश्वविद्यालय के सेवानिवृत्त अंग्रेजी विभागाध्यक्ष प्रो एस के सिन्हा ने प्रतिभागियों को संबोधित किया. जिसमें प्रोफेसर डॉ सतीश वर्मा ने कहा कि शोध पत्र या ग्रंथ को पाठकों के लिए उपयोगी एवं तथ्यपरक होना आवश्यक है. उन्होंने कहा कि शोध कार्य कई तार्किक एवं सैद्धांतिक तत्वों का समन्वय है और किसी भी शोध को वैज्ञानिक दृष्टिकोण के साथ संपादित करना चाहिए. प्रो एस

के सिन्हा ने कहा कि शोध पूर्वग्रहों के निदान और निवारण में सहायक है. प्रो सिन्हा ने भारत के अतीत को शोध के क्षेत्र में अग्रणी बताया, लेकिन वर्तमान समय में भारत को शोध में पीछे बताया और नये शोधार्थियों को चेताया कि ईमानदार संकल्प के साथ हम अपनी पुरानी विश्वगुरु की जगह हासिल कर सकते हैं. उन्होंने अपील की कि शोध को सिर्फ डिग्री से जोड़कर नहीं देखा जाये. बल्कि अवलोकन व विश्लेषण के लिए आवश्यक आधार के रूप में देखा जाये. समापन सत्र में विश्वविद्यालय के कुलपति प्रो एसएस रजी ने रिसर्च के महत्व पर प्रकाश डालते हुए कहा कि शोध मानव ज्ञान

को दिशा प्रदान करता है. डॉ मनोज पाठक ने पांच दिवसीय एफडीपी की रिपोर्ट प्रस्तुत की. समापन समारोह का संचालन डॉ गुरिंदर कौर ने जबकि डॉ सोनिया रियात ने धन्यवाद ज्ञापन दिया. **तकनीकी सत्र में व्याख्यान के विषय व वक्ता :** सिलेक्शन ऑफ रिसर्च एरिया: डॉ नेहा तिवारी, बेसिक कॉन्सेप्ट्स ऑफ मैनुस्क्रिप्ट प्रिपरेशन: डॉ देवलीना चक्रवर्ती, रिव्यू ऑफ लिटरेचर: डॉ कुंति भास्वर सिंह, **ववेद्यनियत डिजाइनिंग:** डॉ गुरिंदर कौर, राइटींग मेटाडोलोजी: डॉ राहुल आमीन व डॉ रूपा सरकार, बेसिक अंडरस्टैंडिंग ऑफ थैसिस राइटींग: डॉ मनोज कुमार पाठक, पब्लिशिंग आर्टिकल्स: डॉ शशिकांत त्रिपाठी, रेफरेंसेस, साइटेशन, बिबलियोग्राफी, एकेडेमिक इंटीग्रिटी एंड प्लेजियरिज्म: डॉ सोनिया रियात.

Report on Workshop and lecture on Fake news How to spot fake news
Held on 27.01.2021

Date of Event	27.01.2021
Title of the Event	Workshop & Lecture on Fake news: How to spot fake news
Type of the Event	Research Methodology
Resource Person	Mrs. Nida Zakaria, Faculty, Karim City college, Jamshedpur
No. of Participants	44

Objectives –

This session was organized to make students learn about fake news, the technical aspects related to it and on how to spot fake news. The event focused around the technicalities which have come to characterize fake news in the changed times.

About the Event –

A workshop and guest lecture titled, “Fake news: How to spot fake news” was organized by the JMC Department of School of Humanities. The guest speaker for this event was Mrs. Nida Zakaria, Faculty, Karim City College, Jamshedpur. Mrs. Zakaria delivered an informative lecture on the topic with the help of numerous interesting examples to enlighten the students. Students got lot of insights regarding Fake news. She also explained on how a lot of misleading and false information is being presented in the form of fake news, which results in confusion among the readers and hence there is a need to call out such a harmful trend.

Event Outcomes –

At the end of the session, students got lot of insights regarding fake news and came to know how to spot and debunk fake news as they learnt the technical aspects regarding the same.

This session also enhanced the decision making skill of the students by making them aware how to identify the truthfulness of the news or false status of any rumor.

Report on - Workshop on research project proposal development with emphasis on research methodology held on– 09.12.2020

Date of Event	09.12.2020
Name of Event	Workshop on research project proposal development with emphasis on research methodology
Type of Event	Research Methodology
Resource Person	Dr. K. K. Tripathy, IES, Director –VAMNICOM, CICTAB. Dr. Tripathy
No. Of Participant	69

Event:

The School of Commerce and Management of Arka Jain University organized an event on Workshop on Research Project Proposal Development with emphasis on Research Methodology on December 9th, 2020.

The Chief Guest was Dr. K. K. Tripathy, IES, Director –VAMNICOM, CICTAB. Dr. Tripathy enumerated and briefly discussed the steps to develop a good research proposal and the related key components. Sir also listed good books and stressed on the importance of On-the-Job training. Dr. Tripathy underlined the importance of carrying out an Ethical research. Sir also emphasized on addressing issues, mapping them in one’s own service/product and then being able to practically apply that research in one’s own domain. The resource person ended the session with the suggestion to make the right minded and the like-minded a part of one’s research team.

Objective:

To enlighten the participants and emphasize on the importance of contribution of research in a broader manner and benefaction to the society at large

Outcome:

The Research Scholars and all the other participants benefitted immensely from this workshop. The workshop motivated the aspiring researchers and also helped the PhD holders to update themselves. The University looks forward to conduct multiple informative workshops on Research like this in the near future.

Report on - Workshop on Project Report Writing Held on – 03.10.2020

Date of Event	03.10.2020
Title of the Event	Workshop on Project Report Writing
Type of the Event	Research Methodology
Resource Person	Dr Soniya Riyat
No. Of Participant	10
Objective	To develop the report writing skills of the participants

Description & Flow of Events

The department of MBA, School of Commerce & Management, ARKA JAIN University has organised ‘*Online Workshop on Project Report Writing*’ under the banner of Knowledge Manthan Saturday. The event was organised at Google Meet Platform for MBA Students on 3rd October 2020.

With the aim of developing the project report writing skills of the participants, the workshop involved the students in writing systematic report. Recent cases were undertaken during the workshop that could be selected as research areas. Appropriate research methods were discussed for finding out the solutions of the identified research problems. The notable Do’s and Don’ts of report writing were discussed during the workshop. The participants got highly motivated and actively interacted during the session.

The workshop was coordinated and conducted by Dr. Sonia Riyat. The program coordinator of the department of MBA, Dr. Charu Wadhwa advised the students to always practice ethics in the project writing.

**Report on Webinar on Role of IPR in Research and Innovation Held on
29/05/21**

The School of Law, Arka Jain University, organised a WEBINAR on “Role of IPR in Research

Date of Event	29 th May, 2021
Title of the Event	WEBINAR on Role of IPR in Research and Innovation
Type of the Event	Intellectual Property Right
Resource Person	Dr. CS Yashree Dixit, Associate Member (ACS) - Institute Company Secretaries of India (ICSI)
No. Of Participants	27

and Innovation”, on 29th of May, 2021. Resource person was Dr. CS Yashree Dixit, Associate Member (ACS) - Institute Company Secretaries of India (ICSI).

Objective -

To make the students aware about the significance of Intellectual Property Rights and its scope the School of Law organised the webinar for the undergraduate students. The prime objective was to introduce IPR to the students as it is one of the Elective Subject of Law course.

Learning and Outcome

By this webinar, all the students got very much familiar with Intellectual Property Rights and also understood the legal provisions regarding intellectual property rights. They got aware about the significance of Intellectual Property Rights and its scope.

They learnt that in connection with innovation and research in this subject innovation is a process, which begins from the conception of an idea to the launching of a new product/process in the market place. Intellectual property rights can be used effectively to facilitate successful innovation.

They understood that IP also provides access to financing and technical facilities. In addition, IP provides a strong negotiation position when it comes to entering into and maintaining business partnerships.

Report on - Corona Virus & Patent Barriers Held on – 11th Nov 2020

Date of Event	11 th Nov 2020
Name of the Event	Corona Virus & Patent Barriers
Type of the Event	Intellectual Property Rights
Resource Person	Andreya Fernandes GNANLex Associates LLP, IP Consultant - GNANLex Associates LLP, Kandivli (E), Mumbai
No. Of Participant	111

Objective of the Event *The objective of the session was is to discuss about reducing the barriers to countries producing their own vaccines particularly for the lowest-income nations.*

Details

An online session on Intellectual Property Rights “Corona Virus & Patent Barriers” was organized by the School of Pharmacy and IPR Cell of Arka Jain University on 11th Nov 2020. Resource Person was Andreya Fernandes GNANLex Associates LLP, IP Consultant -GNANLex Associates LLP, Kandivli (E), Mumbai. During the session, the resource persn threw light in connection with the Intellectual Property response to the COVID-19 Pandemic at the WTO. She explained how India and South Africa proposed “WTO Members to work together to ensure that intellectual property rights such as patents, industrial designs, copyright and protection of undisclosed information do not create barriers to the timely access to affordable medical products including vaccines and medicines or to scaling-up of research, development, manufacturing and supply of medical products essential to combat COVID-19”.

Take away (Outcomes)

At the end of the session, the participants understood how the advanced countries need to go easy with regard to patent barriers so as to facilitate the timely creation and distribution of affordable and widely-distributed corona vaccine along with ensuring worldwide access to the same.

**Report on Webinar on Basics of Intellectual Property Rights Held on –
12-07-2020**

Date of Event	12-07-2020
Name of the Event	Webinar On Basics Of Intellectual Property Rights
Type of the Event	Intellectual Property Rights
Resource Person	Dr. Gopakumar G. Nair, IPR Committee Chairman of Indian Drug Manufacturers' Association
No. Of Participants	46

Objective of the Event:

The purpose of the event was to make the participants understand that Intellectual Property (IP) deals with any basic construction of human intelligence such as artistic, literary, technical or scientific constructions. Intellectual Property Rights (IPR) refers to the legal rights granted to the inventor or manufacturer to protect their invention or manufacture product.

Details:

An Online Webinar Resource Person School of Pharmacy & IPR Cell, ARKA JAIN University. Faculty Member and students from different Pharmacy institutions have attended the Webinar. Dr. Gopakumar G. Nair, IPR Committee Chairman of Indian Drug Manufacturers' Association was the resource person to share his knowledge on this topic on zoom application. He explained how companies must balance the need to avoid any patent infringements or protect their own intellectual property (IP), and safely share their confidential process information with development partners. IP should be cross-referenced against existing patents and then protected during development and technology transfer. Copyright is a legal term describing rights given to creators for their literary and artistic works. "Copyright" / "All rights reserved" "Do not use, reprint, reproduce or distribute without prior permission". Avoid verbatim reproduction (Plagiarism).

Take away (Outcomes)

- Participants understood how to
- Distinguish and explain various forms of IPRs.
- Identify criteria to fit one's own intellectual work in particular form of IPRs.

Report on - Jugaadumann – Online Interaction held on 22-06-2021

Date of Event	22-06-2021
Title of the Event	Jugaadumann – Online Interaction
Type of the Event	Entrepreneurship
Resource Person	Mr Shyam Sharma, Designer and Entrepreneur
No. Of Participants	16

Objective of the event

The purpose of the event was to bring creative and innovative approach in student’s mind and to encourage them towards having an enterprising outlook.

About the event

The students of Arka Jain University got a chance to interact with talented designer Mr Shyam Sharma. His art is so rich and mature because of this nature.

The students of Arka Jain University got a chance to get acquainted with him. The students were very thrilled to see his art works which were made up of waste materials, that is how he gave life to the things which were useless earlier. Shyam Sharma also told his secret, that since childhood, he always used to observe the things around him very closely and today this is the biggest reason for the vitality of his art.

Participants were mostly the students of the Department of Fashion Design. Replying to one of the question of a participant as to how can we produce a good design, Shyam Sharma told that we should work very hard on drawing and sketching. The more we study any one object by drawing again and again, the more we become aware of its new forms and then transform it into a design or any art form. Shyam Sharma also showed many of his illustrations to the students whose themes revolved around our daily lives. His illustrations reveal many unseen and emotional aspects of life. His illustration style is very unique. What makes his art very special and different is that his art touches almost every aspect of life and connects all dots of life.

Learning Outcomes:

At the end of the event, the participants learnt about how waste materials can be useful and can be transformed into design objects.

The participants learnt that having an enterprising approach is crucial for a creative mind.

Report on Guest Lecture on ‘Film Journalism, Film review and Film making-Tips and Guidance’ Held on 8 June 2021

Date of Event	8th June 2021
Title of the Event	Guest Lecture- ‘Film Journalism, Film review and Film making- Tips and Guidance’
Type of the Event	Entrepreneurship
Resource Person	Mr. Mayank Shekhar is a Mumbai based film critic, journalist and writer and recipient of Ramnath Goenka [Journalism] Award.
No. Of Participant	55

Objective

The main objective behind organizing this session was to make the students understand the importance of studying the film and nuances of "Film Reviewing, film journalism and Filmmaking".

The main objective behind organizing this session was to give students an exposure to the relevant subject and external expert from media industry to enhance their thinking process about media trend particularly in film studies.

About the Event

The Department of Journalism and Mass Communication of Arka Jain University (Jharkhand) organized a guest lecture on “Film journalism, film reviewing and filmmaking”. The expert speaker of the online lecture session was Mr. Mayank Shekhar. He is a Mumbai based film critic, journalist and writer and recipient of Ramnath Goenka [Journalism] Award. During the event, the resource person said that studying film is beneficial for students which provide good prospects to choose their career as an entertainment journalist, film reviewer and film-maker.

Out comes

Students learnt about feature film reviewing, short film reviewing, objective criticism, review of biopic and documentary film, use of computer graphics in films.

To perform better in the field of media, it is very important for students to study about films in a comprehensive manner.

The participants learnt that films play an important role in life. It is not only used for entertainment purpose, but it is also a good career option

Poster of the Event

The poster features a dark green and yellow color scheme. At the top left is the JGI ARKA JAIN University logo. Below it, the text reads 'DEPARTMENT OF JOURNALISM & MASS COMMUNICATION PRESENTS'. The main title is 'Guest Lecture on Film Journalism, Film review & Film making-Tips & Guidance'. The date and time are listed as '08th June 2021, 12 PM (Tuesday)' and the format is 'Zoom meeting'. A circular portrait of Mr. Mayank Shekhar is on the right. At the bottom left, the convener and coordinator are listed. At the bottom right, there is a speaker icon and the name and credentials of Mr. Mayank Shekhar.

**Report on - Design Hive Interactions with Custkart | Online Interaction
on 12-03-2021**

Date of Event	12-03-2021
Title of the Event	Design Hive Interactions with Custkart Online Interaction
Type of the Event	Entrepreneurship
Resource Person	Mr.Kundan Mishra, Founder and Chief Executive Officer, Custkart Merchandize Private Limited, Bokaro Steel City, Jharkhand
No. Of Participant	37

Objective of the event:

The purpose of the event was to inculcate strong willpower in the students as well as encourage them to go the entrepreneurial way so that they can do well in terms of self-employment.

About the event:

A webinar "Design Hive Interaction" was organized by the Department of Fashion Design, Arka Jain University in which the Chief Guest was Mr.Kundan Mishra, Founder and Chief Executive Officer, Custkart Merchandize Private Limited, Bokaro Steel City, Jharkhand. It was a session where Kundan spoke about his inspiring entrepreneurial journey.

Mr. Mishra talking on design productivity said that Designer productivity is the ability to deliver measurable value unimpeded by restrictions or unnecessary complexity in the workflow. When one establishes one's definition, it's time to put it into action and decide on a set of productivity measures.

Mr. Kundan Mishra shared many of his life experiences during his tenure as a student and an entrepreneur. Belonging to Jharkhand and a small city and still creating a job opportunity at his own hometown was something the students could relate to and also get inspired by. He answered the curious questions of the participants and in the end he also invited the students of the university for an industry visit to the Custkart's manufacturing setup and office. Not only students but even faculty members joined the session to know more about entrepreneurship.

Learning Outcomes:

At the end of the event, the participants came to know about how to accept challenges and move ahead with courage and positive approach.

The participants got a low-down with regard to how to become an entrepreneur and which all skills they need to develop in this regard.

Report on SHIKHAR 3.0 The Entrepreneurship Summit 2020

Date	December 11-12, 2020
Name of the event	SHIKHAR 3.0 The Entrepreneurship Summit 2020
Type of the Event	Entrepreneurship
Resource Persons	Multiple from the Corporate and Academe
No. of Participants	52

Objective

The purpose of the event was to make the participants aware of the various trends to be found in the domain of entrepreneurship, the skills required for the same as well as to comprehend what it takes to augment the process of entrepreneurial ventures and promote a start-up culture at an educational establishment.

About the Event

“SHIKHAR The Entrepreneurship Summit 2020” was organized by the School of Commerce and Management on the occasion of Virtual Inauguration Ceremony of Centre for Innovation Incubation and Entrepreneurship-SAKSHAM at ARKA JAIN University.

Resource persons included **Prof. Chandradeep Mitra**, Founder & CEO at Pipal Majik, Mentor, IIM Calcutta, Innovation Park, Visiting Faculty IIM Calcutta, XLRI Jamshedpur.

The **Chief Guest was Dr. Thillai Rajan**, Professor, Department of Management Studies, Indian Institute of Technology Madras and Co-founder, YNOS Venture Engine, Associate, Mossavar Rahmani Centre for Business and Government, Harvard Kennedy School, Harvard University.

The **Guest of Honor, Mr. Santosh Sharma**, a Renowned Entrepreneur and Author, enlightened the participants by explaining the importance of Entrepreneurship and as an Entrepreneur it is importance to bring the best out of you.

Prof. Partha Ghosh, MS MIT, MBA(MIT) AMP (Harvard), Former Senior Partner of McKinsey and Faculty Resource for MIT, Harvard University and Tufts University, Present Chairman - Boston Pledge, USA was one of the esteemed guests on this occasion.

Dr. Suphiya Khan, Associate Professor, Department of Bioscience and Biotechnology, Banasthali Vidyapith, Chevening Oxford Fellow and Director Drumlins Water Technologies also spoke in the capacity of resource person to mark this occasion.

Shri Hamanta H.K. Borah, Head, Ecosystem Development, I.I.M. Calcutta Innovation Park enlightened the participants with his views on this occasion.

Shri Aditya Barelia, Co-Founder, CTO & CEO, Autogram Technosoft Private Limited made his presence felt with his thought-provoking ideas.

Outcome

It was indeed a great opportunity for the AJU fraternity to listen to so many stalwarts from the corporate and academe during the two-day summit wherein they learnt about many aspects related to the start-up culture, as shaping up in the country, the disruptions which have occurred due to the pandemic and what lies ahead for the entrepreneurs of the nation.

आरका जैन यूनिवर्सिटी में इनोवेशन एंड एन्टरप्रीन्योरशिप सेल सक्षम की उद्घाटन भारत में स्टार्ट अप के लिए बेहतर माहौल: चंद्रदीप मित्रा

जमशेदपुर, 14 दिसम्बर (रिपोर्टर): आरका जैन यूनिवर्सिटी में नवीनीकरण व उद्यमशीलता केन्द्र सक्षम का उद्घाटन दो दिवसीय कार्यक्रम शिखर एन्टरप्रीन्योरशिप समिट के मौके पर किया गया. इस मौके पर पीपल मैजिक के सीईओ व संस्थापक प्रो. चंद्रदीप मित्रा ने कहा कि भारत में अभी स्टार्ट अप का बेहतर माहौल है.

आरका जैन यूनिवर्सिटी में ऑनलाइन दो दिवसीय शिखर एन्टरप्रीन्योरशिप समिट का आयोजन किया गया. कार्यक्रम का उद्घाटन मुख्य अतिथि आईआईटी मद्रास के मैनेजमेंट स्टडीज के प्रोफेसर व वाईएनओएस के सह संस्थापक डा. थिलाई राजन, अमेरिका से

एमआईटी हावार्ड के फैकल्टी रिसोर्स पर्सन प्रोफेसर पार्थो घोष थे. फैकल्टी रिसोर्स पर्सन प्रोफेसर पार्थोघोष समेत अन्य ने दीप प्रज्वलित कर सरस्वती वंदना से की. मुख्य अतिथि डा. थिलाई राजन ने नवीनीकरण और उद्यमशीलता केन्द्र सक्षम का उद्घाटन किया. उन्होंने यूनिवर्सिटी के इस पहल की सराहना की. उन्होंने इससे छात्रों व लोकल कम्युनिटी के लोगों को होने वाले फायदा के बारे में बताया. उन्होंने कहा कि समाज की बेहतरी के लिए कैसे उद्यमिता आवश्यक है. उद्यमिता कैसे रोजगार पैदा करने में मदद करती है. उन्होंने कहा कि छात्रों को उद्यमिता कौशल को व्यवहारिक रूप से समझना होगा. कार्यक्रम के मुख्य वक्ता

पीपल मैजिक के सीईओ व संस्थापन प्रो. चंद्रदीप मित्रा ने एक उद्यमी होने की बाधाओं व चुनौतियों के बारे में बताया. उन्होंने कहा कि भारत में अभी स्टार्ट अप के लिए बेहतर माहौल है क्योंकि यहां पर

बहुत सारी अनसुलझी समस्याएं हैं जो उद्यमिता के माध्यम से हल किया जा सकता है. विकसित देशों की तुलना में कम प्रतिस्पर्धा है एवं प्रतिभा और जनशक्ति की कमी नहीं है. बोस्टनप्लेज यूएसए के चेयरमैन प्रो. पार्थो घोष ने राष्ट्र के विकास के लिए नवाचार की आवश्यकता के बारे में बताया.

एसोसिएट प्रोफेसर डिपार्टमेंट ऑफ बायोसाइंस एंड बायोटेक, बनस्थली विद्यापीठ, डायरेक्टर,

डूमलिस वॉटर टेक्नोलॉजी की सोफिया खान ने अपनी अंतर्दृष्टि और प्रथाओं की साझा किया जिसने उनके काम को समृद्ध किया है. उन्होंने बताया कि संकट के दौरान व्यवसाय को कैसे बढ़ाना है.

आदित्य बिरला के संस्थापक सी टी वी एंड सी ई ओऑटोग्राम टेक्नो सॉफ्ट प्राइवेट लिमिटेड ने छात्रों के बीच सॉफ्ट स्किल के विकास की भूमिका पर जोर दिया जो उन्हें बेहतर प्लेसमेंट दिलाने में मदद कर सकता है. उन्होंने छात्रों को सॉफ्टस्किल विकसित करने में सक्षम बनाने के लिए एक आईटी सक्षम दृष्टि कोण विकसित किया और छात्रों को चुनौतियों से उबरने के बारे में बताया.

अरका जैन विवि विद्यार्थियों और लोकल स्टार्ट अप आइडियाज को देगा प्रोत्साहन

जमशेदपुर। नवीनीकरण और उद्यमशीलता केंद्र 'सक्षम' का उद्घाटन दो दिवसीय वार्षिक कार्यक्रम 'शिखर एंटरप्रेन्योरशिप समिट 2020' पर किया गया। कार्यक्रम के मुख्य अतिथि आइआइटी, मद्रास के मैनेजमेंट स्टडीज के प्रोफेसर एवं वाइएनओएस वेंचर के सहसंस्थापक डा थिलार्ई राजन एवं अमेरिका से एमआइटी तथा हार्वर्ड के फैकल्टी रिसोर्स पर्सन प्रोफेसर पार्थो घोष थे।

कार्यक्रम के अन्य प्रमुख वक्ता पीपल मैजिक के संस्थापक एंड सीईओ प्रोफेसर चंद्रदीप मित्रा, ड्रमलिन वाटर टेक्नोलॉजी की निदेशक एवं वनस्थली यूनिवर्सिटी की एसोसिएट प्रोफेसर डॉ सुफिया खान, आईआईएम कोलकाता इनोवेशन पार्क के प्रमुख हार्मंता बोराह तथा आटो ग्राम टेक्नोसोफ्ट के सह संस्थापक आदित्य बरे थे। कार्यक्रम की शुरुआत दीप प्रज्वलन एवं

❶ विश्वविद्यालय में इनोवेशन एंड एंज्रैप्रैयूरशिप सेल सक्षम का उद्घाटन

सरस्वती वंदना के साथ हुआ। इसके बाद कुलपति डॉ एसएस रजी ने स्वागत भाषण दिया। कार्यक्रम के पहले दिन प्रमुख अतिथि डा थिलार्ई राजन ने नवीनीकरण और उद्यमशीलता केंद्र 'सक्षम' का उद्घाटन किया। उन्होंने यूनिवर्सिटी की इस पहल को बहुत सराहा एवं इससे विद्यार्थियों एवं लोकल कम्युनिटी के लोगो को होने वाले बेनेफिट्स के बारे में बताया। उन्होंने उद्यमशीलता के बारे में बात की। बताया कि समाज की

बेहतरी के लिए कैसे उद्यमिता आवश्यक है एवं उद्यमिता कैसे रोजगार पैदा करने में मदद करती है। उन्होंने कहा कि विद्यार्थियों को उद्यमिता कौशल को व्यावहारिक रूप से समझना होगा। कार्यक्रम के दूसरे वक्ता प्रोफेसर चंद्र दीप मित्रा (फाउंडर एंड सीईओ आफ पीपल मैजिक) थे।

उन्होंने भारत में एक उद्यमी होने की बाधाओं और चुनौतियों के बारे में बताया। उन्होंने बताया कि भारत में अभी स्टार्ट अपके लिए बहुत अच्छा माहौल है क्योंकि यहां पर बहुत सारी अनसुलझी समस्याएं हैं जो उद्यमिता के माध्यम से हल किया जा सकता है, भारत में बाजार बहुत बड़ा है, विकसित देशों की तुलना में कम प्रतिस्पर्धा है एवं प्रतिभा और जनशक्ति की कमी नहीं है। कार्यक्रम के तीसरे वक्ता प्रोफेसर पार्था घोष (चेयरमैन, बोस्टनप्लेज, यूएसए) थे। उन्होंने राष्ट्र के विकास के लिए नवाचार की आवश्यकता के बारे में बताया।

अरका जैन विवि
इनोवेशन एंड इंटरप्रेन्योरशिप कार्यक्रम में बोले डॉ थिलाई राजन

इंटरप्रेन्योर बन कर दूसरों को दें नौकरी

लाइफ रिपोर्टर जमशेदपुर

पढ़ाई करने के दौरान 90 प्रतिशत विद्यार्थी चाहते हैं कि उनका कैरियर सेलेक्शन हो. लंबी गाड़ी के साथ ही ऊंचे पैकेज पर वे लॉक हों. लेकिन धीरे-धीरे अब ये कॉन्सेप्ट बदल रहा है. आइआइटो व आइआइएम के पासआउट स्टूडेंट भी ऑर्गेनिक खेती कर रहे हैं, तो कई विद्यार्थी इंटरप्रेन्योर से जुड़ रहे हैं. इससे न सिर्फ वे मुनाफा कमा रहे हैं बल्कि अपने आस-पास के लोगों को रोजगार से जोड़ रहे हैं. इस दिशा में विद्यार्थियों को आगे बढ़ने की जरूरत है. उक्त बातें आइआइटो मद्रास के मैनेजमेंट स्टडीज के प्रोफेसर एवं वाइसचान्सेलर वेंचर के संस्थापक डॉ थिलाई राजन ने कही. वे अरका जैन यूनिवर्सिटी को ओर से आयोजित दो दिवसीय नवनीकरण और उद्यमशीलता केंद्र सक्षम के उद्घाटन के साथ ही दो दिवसीय वार्षिक कार्यक्रम शिखर इंटरप्रेन्योरशिप समिट 2020 के दौरान बतौर मुख्य

अतिथि संबोधित कर रहे थे. इससे पूर्व उन्होंने कार्यक्रम का विधिवत उद्घाटन किया. मौके पर विशिष्ट अतिथि अमेरिका से एमआइटो

व हार्वर्ड के फैकल्टी रिसोर्स एसॉसिएट प्रोफेसर पार्थो घोष थे. कार्यक्रम के अन्य प्रमुख वक्ता पीपल मैजिक के संस्थापक एंड सीइओ प्रोफेसर चंद्रदीप मित्रा, इमलिन वाटर टेक्नोलॉजी की निदेशक व वनस्थली यूनिवर्सिटी की एसोसिएट प्रोफेसर डॉ सोफिया खान, आइआइएम कोलकाता इनोवेशन पार्क के प्रमुख हार्मंता बोरह और ऑटो ग्राम टेक्नोलॉजी के सह संस्थापक आदित्य बरो मौजूद थे. कार्यक्रम की शुरुआत दीप प्रज्वलन एवं सरस्वती वंदना के साथ हुई. इसके बाद कुलपति डॉ एसएस राजी ने स्वागत भाषण दिया. यह कार्यक्रम अरका जैन विश्वविद्यालय के निदेशक अमित श्रीवास्तव, कुलपति डॉ एसएस राजी, रजिस्ट्रार जसवीर घांजल, डीन स्टूडेंट्स वेलफेयर डॉ अंगद तिवारी, डीन कॉमर्स एंड मैनेजमेंट डॉ अरुण व नारायण मुखर्जी, प्रोग्राम को-ऑर्डिनेटर समेत सभी शिक्षक व विद्यार्थियों की उपस्थिति में हुआ. अंत में डॉ गुरिंदर कौर ने धन्यवाद ज्ञापन किया.

किसी भी उद्यम को शुरू करने में बाधाएं आती हैं, लगे रहें, सफल होंगे

कार्यक्रम के पहले दिन प्रमुख अतिथि डॉ थिलाई राजन ने नवीनीकरण और उद्यमशीलता केंद्र सक्षम का उद्घाटन किया. दूसरे वक्ता प्रोफेसर चंद्र दीप मित्रा (फाउंडर एंड सीइओ ऑफ पीपल मैजिक) ने भारत में एक उद्यमी होने की बाधाओं और चुनौतियों के बारे में बताया. कार्यक्रम के तीसरे वक्ता प्रोफेसर पार्थो घोष (चेयरमैन, बोस्टनलेज, यूएसए) ने देश के विकास के लिए इनोवेशन की आवश्यकता के बारे में बताया.

संकट के दौरान व्यवसाय बढ़ाने की मिली जानकारी

शिखर के दूसरे दिन की पहली वक्ता प्रोफेसर सोफिया खान (एसोसिएट प्रोफेसर डिपार्टमेंट ऑफ वायोसाइंस एंड बायोटेक, वनस्थली विद्यापीठ, डायरेक्टर, इमलिन वॉटर टेक्नोलॉजी) ने अपनी अंतर्दृष्टि और प्रयाओं को साझा किया जिसने उनके काम को समृद्ध किया है. हार्मंता बोरह (हेड ऑफ इन्वेस्टमेंट्स एंड पार्टनरशिप, आइआइएम कोलकाता, इनोवेशन पार्क) थे. उन्होंने बताया कि संकट के दौरान व्यवसाय को कैसे बढ़ाना है. आदित्य बिरला (कोफाउंडर सीटीवी एंड सीइओ ऑटोग्राम टेक्नोलॉजी प्राइवेट लिमिटेड) ने छात्रों के बीच सॉफ्ट स्किल के विकास की भूमिका पर जोर दिया.

यूनिवर्सिटी में होगा इंटरप्रेन्योरशिप सेल का गठन

निदेशक अमित श्रीवास्तव ने बताया की जल्द ही सक्षम-इंटरप्रेन्योरशिप सेल के सुचारु संचालन के लिए इंटरप्रेन्योरशिप में अनुभवी लोगों को लेकर एडवाइजरी बोर्ड का गठन किया जाएगा. जो समय-समय पर विद्यार्थियों एवं लोकल कम्युनिटी से यूनिवर्सिटी को प्राप्त होने वाले स्टार्टअप आइडिया का फिल्लिंग करेगी एंड मार्गदर्शन देगी.

सुविधा • विद्यार्थियों और लोकल कम्युनिटी के स्टार्ट अप आइडियाज को मिलेगा प्रोत्साहन, कैंपस में अलग से संसाधन दिए जाएंगे

अरका जैन विवि में इनोवेशन एंड एंटरप्रेन्योरशिप सेल 'सक्षम' का उद्घाटन

एजुकेशन रिपोर्ट | जम्शेदपुरा

अरका जैन विश्वविद्यालय में वार्षिक कार्यक्रम "शिखर एंटरप्रेन्योरशिप समिट 2020" आयोजन किया। कार्यक्रम में मुख्य अतिथि आईआईटी मद्रास के मैनेजमेंट स्टडीज के प्रोफेसर व योस वेंचर के सह संस्थापक डॉ. थिलाई राजन व अमेरिका से हार्वर्ड के फैकल्टी रिसेसर्स पसंन प्रोफेसर पार्थोघोष थे। कार्यक्रम के अन्य प्रमुख वक्ता पीपल मैजिक के संस्थापक एंड सीईओ प्रोफेसर चंद्रदीप मित्रा, इमालिन वाटर टेक्नोलॉजी की निदेशक व वनस्थली यूनिवर्सिटी की एसोसिएट प्रोफेसर डॉ. सुफिया खान, आईआईएम कोलकाता

इनोवेशन पार्क के प्रमुख हामंता बोराह व आठो ग्राम टेक्नोसोफ्ट के सह संस्थापक आदित्य बरे थे। मौके पर डॉ. थिलाई राजन ने कहा - समाज की बेहतरी के लिए उद्यमिता आवश्यक है। उद्यमिता कैसे रोजगार पैदा करने में मदद करती है के बारे में बताया। दूसरे वक्ता प्रो. चंद्र दीप मित्रा (फाउंडर एंड सीईओ ऑफ पीपल मैजिक) थे। उन्होंने भारत में एक उद्यमी होने की बाधाओं-चुनौतियों के बारे में बताया। कार्यक्रम अरका जैन विश्वविद्यालय के निदेशक अमित श्रीवास्तव, कुलपति डॉ. एसएस रजी, रजिस्ट्रार जंसबीर धांजल, डीन स्टूडेंट्स वेलफेयर डॉ. अंगद तिवारी, शिक्षक व विद्यार्थियों की उपस्थिति में हुआ।

एंटरप्रेन्योरशिप सेल के संचालन के लिए गठित होगी विशेषज्ञों की टीम

विवि के निदेशक अमित श्रीवास्तव ने कहा- जल्द "सक्षम एंटरप्रेन्योरशिप सेल" की सुचारु रूप से संचालन के लिए अनुभवी लोगों को लेकर एडवोकेट बोर्ड का गठन किया जाएगा। जो समय-समय पर विद्यार्थियों व लोकल कम्युनिटी से यूनिवर्सिटी को प्राप्त होने वाले स्टार्ट अप आइडिया का विश्लेषण कर मार्गदर्शन देगी। स्टार्ट अप को इनिशियल वर्कों में जरूरत पड़ने पर कैंपस में अलग से ऑफिस व अन्य संसाधन दिया जाएगा, ताकि स्टार्टअप के शुरुआती खर्च को कम किया जा सके।

Report on - Design Hive Sundays with Glitter on Matte – Online Interaction on 5.07.2020

Date of Event	5.07.2020
Title of the Event	Design Hive Sundays with Glitter on Matte – Online Interaction
Type of the Event	Entrepreneurship
Resource Person	Quarratul Ain, Founder - Glitter on Matte
No. Of Participants	17

Objective of the event

The purpose of the event was to inspire the students to explore new avenues to express their creativity and how they can utilize their time well in these unprecedented times.

About the event

Design Hive Sundays is a webinar series started by the Fashion Design Department to interact with the artists, designers and industry experts from the field of Design, Art and Culture. During the pandemic lockdown, the regular classes at the University had ceased to exist to this was a new way we devised to connect with the creative people around us and keep the creativity around us alive

Glitter on a Matt is a bunch of Resin Artists from Jamshedpur. Founder is Quarratul Ain. Quarratul Ain was studying in Japan when the pandemic struck and she had to come back to Jamshedpur. During the event, she spoke at length about what she did to bring out the creativity in her and invited the students for workshops which would be held in the city after pandemic lockdown.

Learning Outcomes

The engagement was very fruitful and the students had a great interaction with Quarratul. It was also very inspiring for the students as Quarratul would be of the same age as many of the students and she had been handling this venture.

DESIGN HIVE SUNDAYS

"Creative Session with Glitter on Matte"

ABOUT GLITTER ON MATTE:

Glitter On Matte are Mixed Media abstract artists, dealing in 3D mixed media art on various surfaces. They operate out of India and Japan and have a contemporary style, inspired by the flamboyance in India and the minimalism in Japan. Mostly work with resin on wood, among other mediums. Display at Instagram with @glitteronmatte.

Report on International Debate Competition Held on 26th June'2021

Date of Event	26 th June, 2021 (Evening Session)
Title of the Event	INTERNATIONAL DEBATE COMPETITION on “Whether Drug Prohibition Laws should be strengthened to reduce the Rate of Drugs Related Crimes”
Type of the Event	Skill Development
Resource Persons	Dr. Daksha Sharma, Asst Professor, Bennett University, Greater Noida, Uttar Pradesh Sharbani Kar, Asst Professor, Lingaya University, Faridabad Dr. Pramila Soni, Asst Professor, Amity University Dr. Govind, Asst Professor, G. D. Goenka University, Haryana Shruti Sahu, Advocate Supreme Court and Lucknow High Court. Mr. Lacchindra, Researcher, Centre for Rule of Law, Nepal.
No. Of Participants	15 (8 on Screen + 7 others)

Objectives –

The purpose of organising the debate competition was to encourage students towards development of their oratory skills. Another purpose was to spread awareness about the grave consequences of drug addiction and the role of various laws & Govt policies to protect the youth from drugs. The objective was to make the students work on their speaking skills.

About the Event –

On 26th of June 2021, School of Law, Arka Jain University University, in collaboration with Centre for Rule of Law, Nepal; Lex Acharya and Legal Humming organized an International Debate competition on the topic “Whether Drug Prohibition Laws should be strengthened to reduce the Rate of Drugs Related Crimes”. The event was conducted on the Zoom platform. Students from School of Law, Arka Jain University participated in the competition. There were lively scenes despite it being a webinar as the participants put forth their views related to the topic with full vigour.

The event was graced by various eminent guests in the capacity of judges for the competition. **Dr. Daksha Sharma**, Asst. Professor, Bennett University, Gr. NOIDA; **Sharbani Kar**, Asst. Professor, Lingaya University, Faridabad; **Dr. Pramila Soni**, Asst.

Professor, Amity University, **Dr. Govind**, Asst Professor, G. D. Goenka University; **Shruti Sahu**, Advocate Supreme Court and Lucknow High Court, **Mr. Lacchindra**, Researcher, Centre for Rule of Law, Nepal.

Event Outcomes –

Through this event, apart from knowledge-sharing related to the topic of the debate, students also learnt how to put forth their arguments both for and against the motion and as a result the students improvised upon critical thinking skill, argumentative skill, articulation and time management, some of the prominent soft skills a legal studies student should possess.

Report on International Panel Discussion Held on 26th June'2021

Date of Event	26 th June, 2021
Title of the Event	INTERNATIONAL PANEL DISCUSSION ON “Drugs, Youth and Stress- Protected by Legal, Psychological and Sociological Approach”
Type of the Event	Skill Development
Resource Persons	Prof. Dr. M. K. Bhandari, CEO Infinity Law Tech Education Services- IELTS and Director, IELTS Online Global Academy, Prof. (Dr.) H.C. Joerg Molt, Founder Satoshi Initiative, Satoshi Academy, Director World Nature Rescue Plan LLC., Co-Founder Iltes.in & Founder Bitcoin Economy Sciences, Magdalena Lagiewska, Asst. Professor, University of Gdansk (Dept. of Public International Law), Sudeepti Subedi, Advocate and Freelance Researcher
No. Of Participants	85 (8 on Screen + 77 others)

Objectives –

The purpose of organising the panel discussion was to spread awareness about the increasing threat of drugs addiction among the youth. The primary objective was to make people apprised of the various legal provisions against drugs and to explain to the students about the ill effects and consequences of consuming drugs. The motive was also to explain the global actions taken against drugs. The panel discussion also aimed to elaborate the psychological and social impact of drugs.

About the event –

School of Law, ARKA JAIN University, in collaboration with Centre for Rule of Law, Nepal, Lex Acharya and Legal Humming, organized an International Panel Discussion on the topic “Drugs, Youth and Stress- Protected by Legal, Psychological and Sociological Approach” on 26th of June 2021. The event was conducted on Google Meet and streamed live on You Tube. The event was organized and supported by Manbhav Monga, Founder of Lex Acharya India and Deshana Jain, Founder of Legal Humming. Guest speakers included **Prof. Dr. M.K. Bhandari**, CEO -Infinity Law Tech Education Services- IELTS and Director, IELTS Online Global Academy; **Prof. Dr. H.C. JoergMolt**, Founder Satoshi Initiative, Satoshi Academy, Director World Nature Rescue Plan LLC., Co-Founder Iltes.in & Founder Bitcoin Economy Sciences, **Magdalena Lagiewska**, Asst. Professor, University of Gdansk (Dept. of Public International Law), **Sudeepti Subedi**, Advocate and Freelance Researcher.

Event Outcomes –

By attending this panel discussion, the students learnt about the negative effects of drug addiction on physical and mental health. They also learnt about govt antidrug policies and their implementation.

As the outcome of the event, students became aware of the emotional effects, physical effects, brain & liver damage, short term effects, long term effects and legal consequences of using drugs as discussed by the panelists.

**Report on -National Pharmacovigilance Week 2021 Held on – 17/09/2021
-23/09/2021**

Date of Event	17/09/2021 -23/09/2021
Name of the Event	National Pharmacovigilance Week 2021
Type of the Event	Skill Development
Resource Person	Mr. Anuj Kumar Rai, Sr. Manager (BD), Aculife Healthcare Pvt. Ltd., Ahmedabad, Gujarat
No. Of Participants	80

Objective

The purpose of the event was to make the participants aware about the purpose of pharmacovigilance which is to improve the patient's safety and enhance care in terms of the use of medicines, including paramedical interventions.

Details

During 17/09/2021-23/09/2021, School of Pharmacy organized National Pharmacovigilance Week 2021. The Pharmacy Council of India (PCI) wanted all the approved Pharmacy institutions to celebrate first day of this year's National Pharmacovigilance Week (NPvW), which started on September 17 and culminated on September 23, as the World Patient Safety Day. The theme of the first Pharmacovigilance Week Celebration was "Pharmacovigilance: A step towards Patient Safety.

School of Pharmacy organized two events: 1. Quiz competition 2. Webinar on Scope and Importance of Pharmacovigilance by Mr. Anuj Kumar Rai, Sr. Manager (BD), Aculife Healthcare Pvt. Ltd., Ahmedabad, Gujarat, India on 20th September as he gave a detailed presentation on Scope and Importance of Pharmacovigilance. He highlighted about adverse drug effect, need of reporting, scope of PV, to improve the quality of patient life. While keeping in mind the diversity in the Indian context, he further briefed about Pharmacovigilance programme of India. Session was quite interactive and students were motivated.

Outcomes

At the end of this week-long event, the participants understood well how Pharmacovigilance is the science and activities relating to the detection, assessment, understanding and prevention of adverse effects or any other medicine-related problem.

The participants got the understanding about clinical training in pharmacovigilance and its effective availability to the public.

Report on Some Conscious Reflections on the Conscious and Unconscious in Poetry 24.06.2021

Date of Event	24.06.2021
Title of the Event	Webinar on Some Conscious Reflections on the Conscious and Unconscious in Poetry
Type of Event	Skill Development
Resource Person	Dr. Rajiv S Dayal, Former Head of the Department of English and Cultural Studies, Kolhan University, Chaibasa
No. of Participants	53

Objective

The event was organized to make the participants aware regarding the under-layers of poetry, as well as to get an understanding of conscious and unconscious strata within poetry.

About the event

A webinar on Some Conscious Reflections on the Conscious and Unconscious in Poetry was organized by the Department of English on June 24, 2021 to trace the Conscious and Unconscious motifs in poetry in general.

Dr. Rajiv S Dayal, Former Head of the Department of English and Cultural Studies, Kolhan University, Chaibasa was the resource person for the same. He threw light on the fact that it is through language that the poet expresses the feelings of conscious and unconscious mind. The poet expresses the inner-mental feelings of a character or self with a special pattern of words, which is a mixed expression of conscious and unconscious mind. Dr. Dayal said that poets have been successful in many ways in expressing the feelings buried in the unconscious mind by using their mental acumen properly. He made it clear by citing many examples of English poems that the reader needs to be equipped psychologically with many surfaces and perspectives to fully understand poetry. Dr. Manoj Kumar Pathak, the event-coordinator and moderator of the said webinar, said that poetry expresses the truth to be felt and it can be understood keeping in mind the effect of human traits in understanding life.

Learning Outcomes

Through this webinar, the participants understood that poetry and its conscious and unconscious reflections can be understood and traced through examples. The buried or repressed emotions were pointed out through textual analysis during the webinar.

Report on International Debate Competition Held on 12th June 2021

Date of Event	12th June, 2021
Title of the Event	International Debate Competition On “Whether India is lacking behind in the implementation of Child Protection Laws as compared to the Developing countries or not”
Type of the Event	Skill Development
Resource Persons	Lex Acharya, India and Vidhi Seva Evam Samajik Utthan Samiti Arunima Shastri, Assistant Professor at School of Law, Karnavati University, Gujarat. Dr. Samartha Dutta, Assistant Professor, NLU Shimla. Deeksha Tiwari, Assistant Professor, GLA University, Mathura
No. Of Participants	18

Objectives –

The purpose of organising the debate competition was to encourage students towards development of their oratory skills, interpersonal skills and convincing ability.

Another purpose was to spread awareness about the exploitation of children and the role of various child protection laws.

About the Event -

On 12th of June '21, School of Law, Arka Jain University, in collaboration with Lex Acharya India, Vidhi Seva Evam Samajik Utthan Samiti, organized an International Debate competition on the topic “Whether India is lacking behind in the implementation of Child Protection Laws as compared to the Developing countries or not”. Students from BBA LLB 4th Semester participated in the competition. The event was organized on the Google Meet platform. The event was graced by various eminent guests in the capacity of judges for the competition. **Arunima Shastri**, Assistant Professor, School of Law, Karnavati University, Gujarat; **Dr. Samartha Dutta**, Assistant Professor, NLU, Shimla; **Deeksha Tiwari**, Assistant Professor, GLA University, Mathura and **Prof. Dr. Bodhisatva Acharya**, Dean, School of Law, Arka Jain University.

Event Outcomes –

Through this event, apart from knowledge-sharing related to the topic of the debate, students also learnt how to put forth their arguments both for and against the motion and as a result the students improvised upon critical thinking skill, argumentative skill,

articulation and time management, some of the prominent soft skills a legal studies student should possess.

Report on Recommending The Right Contact Lens- Webinar
Held on 10.06.2021

Date of Event	10.06.2021
Title of the Event	Session on Recommending The Right Contact Lens
Type of Event	Skill Development
Resource Person	Professor Monica Chaudhary is a Consultant Optometrist and Educator She is the Advisor and Adjunct Professor in Optometry School of G D Goenka University.
No. Of Participants	30

Objective:

The purpose of the webinar was to make the participants aware about how to go about recommending the right contact lens which is a crucial aspect on the way of becoming a learned optometrist.

About the Event

The Dept. of Optometry from School of Health & Allied Science, ARKA JAIN University held a very well-coordinated webinar where the speaker was Prof Monica Chaudhry who enlightened the students on the topic, "Recommending the Correct Contact Lens". Professor Monica Chaudhary is a Consultant Optometrist and Educator. She is the Advisor and Adjunct Professor in Optometry School of G D Goenka University.

She elaborated on various kinds of Contact lens materials available and how to decide upon what kind of contact lenses should be prescribed to an individual. This webinar did really help the students on understanding the indications and contraindications while advising a specific kind of contact lens to an individual.

Outcome:

The webinar intended to induce entrepreneurial skills to practice contact lenses and specialty contact lenses in private clinics. Troubleshooting in case of contact lens drop out cases and complications were also addressed in the session to overcome individual's professional encounters.

Webinar on Role of Remote Sensing in Natural Resource Management

Date of Event	5 th June 2021
Title of the Event	Webinar on Role of Remote Sensing in natural resource management
Type of Event	Skill Development
Resource Person	Mr. Vaibhav Deoli (Assistant Professor, Dev Bhoomi Institute of Technology, Dehradun)
No. Of Participants	98

Objective of the event:

The purpose of the event was to spread awareness about the Environment and issues related to it and to spread awareness about need to protect the environment. Also, the event focused upon how remote sensing could be used in this regard.

Activity of Event

A webinar was conducted on “Role of remote sensing in natural resource management” by the Department of Biotechnology. Mr. Vaibhav Deoli (Assistant Professor of Dev Bhoomi Institute of Technology Dehradun) was invited as a Chief speaker and he delivered a talk on the topic and discussed about his work in this area. Mr Deoli highlighted that remote sensing helps in the systematic collection of data, surveys, and analysis of such data. The integrated use of remotely sensed data enables to develop management plans for a variety of natural resource management applications. During the webinar, the participants came up with a lot of queries which were satisfactorily answered by the resource person.

Outcome of the Event:

The webinar was full of knowledge and raised awareness among participants related to different environmental problems. Students learnt about the importance as well as methods of conservation of environment using modern technology.

Students learnt about how remote sensing could be effectively used to conserve natural resources and manage them in an effective manner.

Students took a pledge to participate in drive to reduce pollution.

Report on - Design Hive Interactions - Design Basics and Design Process
- Online Workshop 27-05-2021

Date of Event	27-05-2021
Title of the Event	Design Hive Interactions - Design Basics and Design Process – Online Workshop
Type of the Event	Skill Development
Resource Person	Mr. Kumar Vikas, from the Department of Fashion Communication, NIFT – National Institute of Fashion Technology, Patna
No. Of Participant	15

Objective of the event

To develop critical thinking and creative approach in the students.

About the event

The Department of Fashion Design, School of Humanities organized an interactive session on “**Design Basics and Design Process**” in which a reputed Design Faculty Mr. Kumar Vikas, from the Department of Fashion Communication, NIFT – National Institute of Fashion Technology, Patna addressed the students and gave inputs on the basics and fundamentals of design.

Prof. Kumar Vikas in his presentation described the basics of design with great precision and perfection. He described drawing as the combination of observation, visualization and representation. He described sketching, blind drawing, gesture/timed/movement drawing, continuous line drawing, contour drawing, and doodling. He explained the types of shading, and basic shapes and forms. There were examples shown on different forms of art to get visual idea of all the forms.

Prof. Kumar deliberated on the elements of shading also and talked about cast shadow, highlight, shadow edge transfer, shadow edge, and reflected light. He suggested the students to draw from real objects whenever possible.

Defining design and talking about its objective he said that it is a way of creative thinking to problem-solving, create tools and products and to make our everyday life better.

Learning Outcomes

Students became more confident about their designing skills.

Report on Finance Quiz Held on 24.05.2021

Date of Event	24.05.2021
Title of the Event	Finance Quiz
Type of the Event	Skill Development
Conducted by	Sudeshna Sarkar and Poonam Dabaria, Asst. Profs., SoC&M
No. Of Participants	23

Event:

The event was organized with the purpose of assessing the knowledge level of the participants with regard to the various aspects of finance as a domain. Also, the activity tested the students for their presence of mind. They participated in a virtual Quiz Competition based on Financial Leverage.

Process:

The students were divided into teams. In the first round, each team was given an opportunity to answer. In the second round, the questions were open ended in which the teams which raised their hands first, got an opportunity to answer. Overall, it was an enriching experience for the students.

Outcome:

It was a fun filled exciting session and the students showed great enthusiasm in answering.

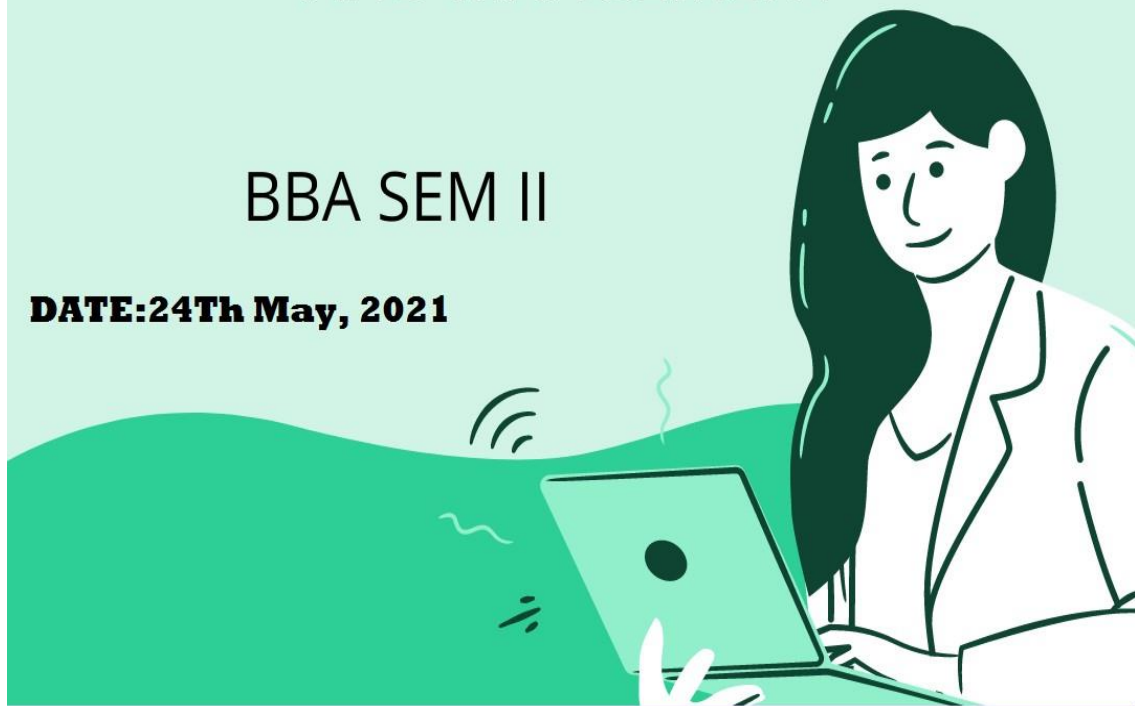

Teamwork helped the students to get to know each other better, improved communication among peers, learning became fun filled and generated more awareness among the students on issues related to Finance.

Report on webinar- “Amblyopia and its new advancements in treatment” Held on 24thMay2021

Date of Event	24/05/2021
Title of the Event	Academic-Amblyopia and its new advancements in treatment
Type of Event	Skill Development, Employability
Resource Person	Dr. Cathy Stern is the State Director of the College of Optometrists in Vision Development, Vice President of the College of Syntonic Optometry
No. Of Participants	37

Objective:

The purpose of the event was to make the participants aware that Amblyopia is a very common condition among the pediatric and young adult population. The event was intended to highlight that previous methods of therapy like patching are currently not accepted as the only way of treating amblyopia. Home based and office based therapies together have proven to be more efficient. Dr Cathy spoke on the recent trend in amblyopic therapy practices.

Details of the event:

On 24th of May 2021, Monday; the Optometry Department of ARKA JAIN University, Jharkhand, organized a webinar for enriching the young minds on Amblyopia and its current treatment modalities. The webinar’s chief speaker was Dr Cathy Stern. She is the State Director of the College of Optometrists in Vision Development, Vice President of the College of Syntonic Optometry During her webinar she talked about Amblyopia, which is also known as the lazy eye; wherein if a child with vision problems is not intervened early, the vision may remain poor throughout life. Various new advancements in the treatment options were introduced to the students.

Outcome:

The webinar was very fruitful in terms of learning and enlightened all the people who signed in to listen to the lecture by a pioneer in the area emphasized upon.

The audience gained new insights on the advancements made in the amblyopic therapy throughout the world. Evidence based practice was also emphasized upon.

Report on -Unravelling the Magic of The Curved Arrow and Formal Charge- Fundamentals For Writing Reaction Mechanisms Held on – 24th May 2021

Date of Event	24 th May 2021
Name of the Event	Unravelling the Magic of The Curved Arrow and Formal Charge-Fundamentals For Writing Reaction Mechanisms
Type of Activity	Skill Development
Resource Person	Professor Dr. Krishna Priya Mohanraj, Principal of Bombay College of Pharmacy
No. Of Participant	57

Objective

To give the participants idea about usage of curved-arrow notation to depict the mechanisms of organic reactions requires that appropriate mechanistic principles be superimposed on the correct use of curved arrows to denote movement of electrons.

Details

On 24th May 2021 School Of Pharmacy Organized Workshop Cum webinar under the Webinar Series 2021 with Professor Dr. Krishna Priya Mohanraj, Principal of Bombay College of Pharmacy with the topic Unravelling the Magic of the Curved Arrow and Formal Charge Fundamentals for Writing Reaction Mechanisms Indeed it was a beneficial session for the participants. During the webinar, the resource person threw light on the topic at hand and took questions from the participants and answered them in a satisfactory manner.

Take away (Outcomes)

After completing the session, the participant should be able to use curved (curly) arrows, in conjunction with a chemical equation, to show the movement of electron pairs in a simple polar reaction, such as electrophilic addition.

Report on Practical Application of Machine Learning & its Deployment in Business Operation 14.05.2021

Date of Event	14.05.2021
Name of Event	Webinar on Practical Application of Machine Learning & its Deployment in Business Operation
Type of Event	Skill Development
Resource Person	Mr. Sachchidanand Kumar, Sr. Manager, Tata Steel
No. Of Participants	119

About the Resource Person:

The speaker for the event, Mr. Sachchidanand Kumar has over 10 years of work experience in various fields of Artificial Intelligence, Machine Learning and Data Science. He is an eminent speaker and research scholar in the field of Artificial Intelligence and Data Science. He has been Team Leader and member of many innovative projects implemented in Tata Steel. Currently he is serving Tata Steel in the capacity of Sr. Manager.

Objectives & Flow of the Event:

The main objective of this webinar was to acquaint the participants with basic knowledge on the techniques to build an intellectual machine for making decisions on the behalf of humans in business operations and making them aware how such a skill proves to be extremely useful during a job interview.

A webinar on practical application of machine learning and its deployment in business operation was organized dated May 14, 2021 for the technical students. Resource person was Mr. Sachchidanand Kumar, Sr. Manager, Tata Steel. During this event, the practical application of machine learning technology in business operation was explained as to how it is transforming the large data sets into knowledgeable and actionable intelligence. This information can be integrated with business processes and operational activities to respond to changing market demands or business circumstances. He explained the applicability of Machine learning along with Python coding for practical implications. A student who has working knowledge in this regard can expect to have numerous job opportunities coming their way.

Event Outcomes:

This webinar covered the techniques on how to utilize machine learning by a model, how it can be evaluated, what all different algorithms could be put up to construct a learning model for business operations. The webinar enabled the participants to be acquainted with the skills

which they would need whilst facing the technical round of interview during a suitable employment opportunity.

Poster of the Event

The poster features a light grey background with decorative elements: a teal circle and red wavy lines in the top right, a teal triangle and red square in the middle left, a teal circle in the middle left, and red wavy lines in the bottom left. The text is centered and uses a mix of bold and regular fonts.

Report on Quiz Competition Held on 10.05.2021

Date of Event	10 th May, 2021
Name of Event	General Knowledge Online Quiz on Covid-19
Type of Event	Skill Development
Conducted by	Sunita Jha
No. Of Participants	16

A General Knowledge Quiz on COVID-19 was organized on 10th May, 2021 at 6:30 PM. This program was organized for the students of BBA through Google Meet.

The Quiz was unique in itself because it was held on a virtual platform. The Quiz had three rounds and one bonus round. Rules and regulations of the quiz were explained at the beginning. The three-round competition included Objective, Direct answer and audio-visual round, which engaged the students for one-and-a-half hour.

This quiz competition was organized to encourage the students to acquire general knowledge in addition to subject knowledge. Sixteen students participated in the quiz, out of which eight students were divided into groups and all were asked questions. The student who answered maximum correctly was declared the winner and also got an e-certificate.

Outcome

It was an informative and knowledge enriching exercise for the participants. Virtual platform based competition provided a novel experience to the participants.

The contest ended on a positive note. It was a fun learning experience for the students which led to awareness about the pandemic.

Report on Webinar on Surface & Interfacial Phenomenon
on Held on – 07/05/2021

Date of Event	07 th May 2021
Name of the Event	Webinar on Surface & Interfacial Phenomenon
Type of Event	Skill Development
Resource Person	Dr. Vandana B. Patravale, Professor – Pharmaceutics, Department of Pharmaceutical Sciences and Technology Institute of Chemical Technology, Mumbai, India
No. Of Participants	72

Objective of the Event

The purpose of the event was to make the participants understand the concept of surface and interfacial tension and its measurement. Also, to discuss the factors affecting the CMC of a surfactant.

Details:

The School Of Pharmacy begun Webinar Series 2021 from 7th May 2021. The first session was titled, “Webinar on Surface & Interfacial Phenomenon” with the resource person being Professor Dr. (Mrs.) Vandana B. Patravale Department of Pharmaceutical Sciences and Technology; Institute of Chemical Technology (ICT Mumbai). The topic for the webinar was Surface & Interfacial Phenomenon. The webinar was a beneficial session for the participants. The resource person threw light on the topic under discussion and took questions from the participants in this regard which were subsequently answered with satisfaction.

Take away (Outcomes):

After the event, the participants got knowledge about surfactant structure, properties and their applications in pharmaceutical science domain.

Report on Webinar on Sustainability & Quality Control Held on 3rd April 2021

Date of Event	3 rd April 2021
Name of the Event	Webinar on Sustainability & Quality Control
Type of the Event	Skill Development
Resource Person	Suryakant Behera, Assistant Manager - Quality Assurance, Shilpa Medicare Ltd., Jadcherla, Telangana
No. Of Participant	89

Objective of the Event

The main objective of the webinar was to make the participants familiar with the dual concepts of sustainability & quality control in the pharmaceutical Industry and how they are used to test the drugs in their various stages of production, verifying that they are able to proceed to the next stage and release the manufacturing process in accordance with the regulations and specifications required for consumption.

Details

The School of Pharmacy organized a Student-Expert Interactive Session on Sustainability & Quality Control virtually on 11th April 2021. **Suryakant Behera**, Assistant Manager Quality Assurance, Shilpa Medicare Ltd., Jadcherla, Telangana was the resource person. Mr. Behera explained that sustainability can be summarized as, “meeting the needs of the present without compromising on the needs of the future” which takes into account the natural environment and the lives of other species as well as socio-economic considerations. Further he said that research indicates that pharmaceutical pollution is recognised as a threat to both, ecosystem and human health, across the globe. More needs to be done to manage the way pharmaceuticals are produced without causing a detriment to the environment, or human health. The right quality management system can help to examine and refine organisations processes, reducing the risk of things going wrong and the subsequent exposure of chemicals to the natural environment.

Outcomes

The participants got the knowledge about how to reduce pharmaceutical waste in the production process, alongside implementing responsible waste management, is something that needs to be addressed in moving towards pharma sustainability and preventing environmental damage. They understood that using a QMS can help to implement and improve these processes, allowing to look at reducing the amount of waste produced and focus on responsible management of waste.

**Report on International Conference on Emerging Trends in
Advanced Technologies Held on -25.03.2021**

Date of Event	25.03.2021
Title of the Event	International Conference on Emerging Trends in Advanced Technologies
Type of the Event	Skill Development
Resource Persons	Prof. (Dr.) Pradeep Kumar Mishra, Hon'ble Vice Chancellor, Jharkhand University of Technology (JUT), Ranchi Prof. (Dr.) Erwin Martinez Faller, Professor, San Pedro College (Philippines) Prof.(Dr.) Eng. Marta Zurek-Mortka, Institute for Sustainable Technologies, Poland Prof. Dr. Celia Shahnaz, Professor - Bangladesh University of Engg. & Technology, Bangladesh
No. Of Participants	210

Objectives –

The purpose of this international conference was to bring academic thinkers from international and national HEIs on a common platform so that they can share with the participants their thoughts on the emerging concepts and trends as applicable in the field of advanced technologies.

About the Event –

A Virtual one-day International Conference on Emerging Trends in Advanced Technologies (ICETAT-2021) was organized on 25th March 2021 on Google Meet. The session was taken by the chief guest Prof. (Dr.) Pradeep Kumar Mishra, Hon'ble Vice chancellor, Jharkhand University of Technology(JUT) who shared his valuable thoughts on emerging technologies and encouraged the participants to contribute in their meaningful manner. The keynote speakers for the inaugural session were Prof. (Dr.) Erwin Martinez Faller, Professor at Bournemouth University (U.K), San Pedro College (Philippines), Prof.(Dr.) Eng. Marta Zurek-Mortka, Institute for Sustainable Technologies, Poland, Prof. Dr. Celia Shahnaz, Professor - Bangladesh University of Engg. & Technology, Bangladesh. In the said conference, more than two hundred papers were received from different Countries. Nine technical sessions were scheduled in which more than 180 papers were presented by the authors in different research areas

in the presence of different session chair speakers. The Session Chair Speakers of the different technical sessions were from different research areas.

Event Outcomes –

After listening to the various resource persons, the participants became familiar with the various concepts which have come to define the advancements being made in the field of advanced technologies.

The participants were acquainted with the application-based learning related to the field of information technology courtesy the various resource persons from diversified professional backgrounds.

Report Five Day National Faculty Development Programme on “Smart City: Opportunities and Developments Held during 22nd March-26th March, 2021

Date of Event	22nd March-26th March, 2021
Title of the Event	Five Day National Faculty Development Programme on “Smart City: Opportunities and Developments
Type of the Event	Skill Development
Coordinator	Dr. Binod Kumar Choudhary
Number of Participants	94

Five Day National Faculty Development Programme on “**Smart City: Opportunities and Developments**” was organized by the Department of Engineering during 22nd March-26th March 2021.

The FDP aimed to provide opportunities to faculty members and Young researchers to enrich their academic and research skill in the field of Smart City & its development and highlighted the opportunities in the different dimensions of smart city projects. Participants were learned about those various challenges and solutions faced while developing, operating, and living in a smart city.

The Programme also intended to develop the knowledge of participants to generate and to adopt new methodology and advance solutions.

The FDP saw the presence of experts from prestigious institutions who spoke on various topics during the sessions which were scheduled during the course of the five-day duration. Along with that, faculty members, research scholars and scientists from across the nation participated in the five-day exercise.

One of the key features of this FDP was that, along with discussing the advanced research topics and cutting edge technologies, it also encompassed fundamental aspects of All Branches domain technologies.

The essence of the FDP was to improve the research, innovative & teaching ability of the faculty members and enable the learners to learn. The theme of the FDP was a way in building

capacity of making better teachers. Ultimate goal of the FDP was to develop the faculty members in the new pedagogy and emerging areas of science and technology.

Report on - Workshop on Paikar- Scroll Paintings of Jharkhand 20-03-2021 to 23-03-2021

Dates of Event	20-03-2021 to 23-03-2021
Title of the Event	Workshop on Payatkar-Scroll Paintings of Jharkhand
Type of the Event	Skill Development
Resource Person	Vijay Chitrakar and Kishore Gayen, Senior Payatkar Art Experts
No. Of Participants	12

Objective of the event:

The objective of the workshop was to provide the participants knowledge about the craftsmanship of Payatkar art form along with its socio-religious significance and tradition of the storytelling songs, to preserve and document this rich tribal cultural heritage. Also, the participants were informed about how they can go the entrepreneurial way in this regard.

About the event:

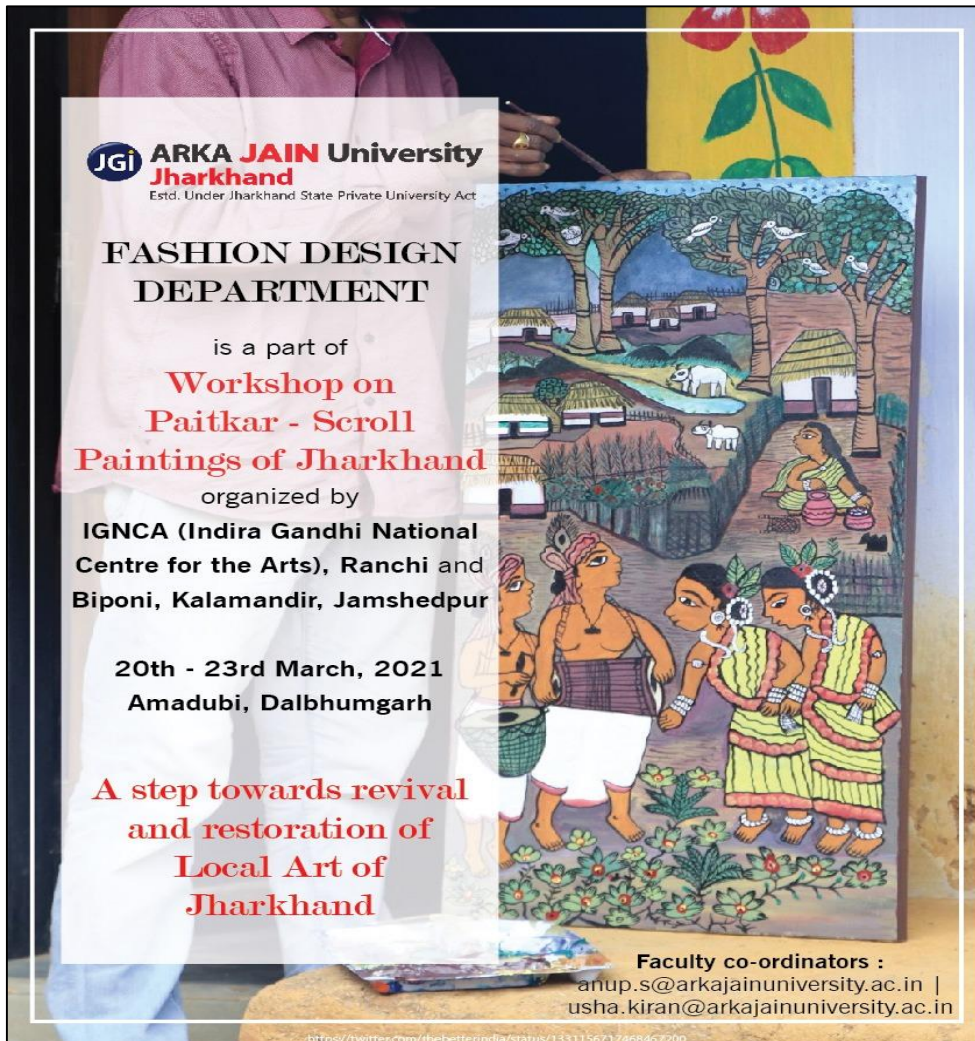

The students of Fashion Design (H) participated in a three-day workshop on ‘Payatkar Art’ organized by Indira Gandhi National Centre for the Arts, Regional Centre Ranchi in collaboration with Kalamandir, Jamshedpur from March 20 to 24, 2021 at Amadubi – Panjiya Rural Tourism Centre, East Singhbhum, Jharkhand.

Resource Persons were Vijay Chitrakar and Kishore Gayen, senior Paitkar Art experts. The workshop was inaugurated in the presence of Kumar Sanjay Jha, Regional Director, Regional Centre Ranchi; Ajay Kumar, District Planning Officer, East Singhbhum and Amitabh Ghosh, Vice-President, Kalamandir, Jamshedpur.

During the workshop, the participants were provided training. In the four days along with the painting technique, the participants received tutelage on history and projection of organic colors; Santhali plot of Payatkar and depiction of the folktales; use of earthy colors and the music of Payatkar art.

Learning Outcomes:

The participants understood the importance of primitive art tradition. The participants learnt about the various traditional forms of art as found in the state of Jharkhand. Also, they learnt how to put this skill to be self-employed.

Report on - Design Hive Stall- Runbhoomi 15-03-2021

Date of Event	15-03-2021
Title of the Event	Design Hive Stall- Runbhoomi
Type of the Event	Skill Development
Resource Person	Usha Kiran Barla
No. Of Participants	11

Objective of the event:

The purpose of the event was to inspire students to go for an entrepreneurial journey in the form of having their own startups.

About the event:

During the annual sports meet Runbhoomi of the University, a pop up store was put up by the Department of Fashion Design. Here the students of fashion design department showcased their creativity.

The Fashion Design Department introduced handmade products made under its own brand **Design Hive** for the first time. The students of the department made a variety of designer masks, embroidered and painted cloth bags, coffee mugs, paintings, jute bags, etc. Two final year students - Aqif and Nausheen also launched their own brand –**Su.Fa.** Sustainable Fashion i.e. - Fashion which is in the interest of environment. They make their products by recycling waste material. This is the new concept the fashion world. The best part was that all the products were designed keeping in mind the needs of the people. In order to keep the water bottle cool in summer, very beautiful jute bags were prepared. Keeping in mind the pandemic, many types of masks were prepared. Handmade jewelry was also prepared and put on display.

Learning Outcomes:

At the end of the event, the participants became confident as to how they can take the entrepreneurial way towards becoming self-employed and start a new venture.

Report on Interactive Group Discussion on Online Education, Work from Home: Have We Arrived In Virtual World?

Date of Event	13.03.2021
Title of the Event	Interactive Group Discussion on Online Education, Work from Home: Have We Arrived in Virtual World?
Type of the Event	Skill Development
Conducted by	Ms. Harshita Gupta, Asst. Prof., School of Commerce & Management
No. Of Participants	30

Objective –

The purpose of the event was to make the students aware of the various aspects related to their communication skill and how they can make an effective contribution to an exercise like group discussion. Also, the students got an opportunity to talk about the new normal, that is, work for home and online education.

About the Event –

An Interactive Group Discussion session was conducted for II semester management students on the topic related to the current situation of the Pandemic. Students came up with an overview and different perspective that the 21st century has opened the floodgates of technological diversities. Some even said that we have arrived in virtual world and it is the need of the time. During the entire event, the coordinator, Ms. Harshita Gupta made the students understand that they need to have a sound communication skill

Event Outcomes –

At the end of the event, the participants were able to comprehend the significance of communication skill in terms of expressing one’s thought process in an articulate fashion. They understood that the new normal has become the default mode of work due to the disruption of pandemic. The event was a good opportunity for the students to test their articulation.

Report on Business Quiz Held on 12.03.2021

Date of the Event	12.03.2021
Title of the Event	Business Quiz
Title of the Event	Skill Development
Resource Person	Ms. Harshita Gupta, Asst. Prof., SoC&M
No. Of Participants	35

Event:

A Quiz session can be judged as a game or brain teaser to test knowledge and to measure student’s growth in knowledge, abilities and skills. Keeping the same enthusiasm of the students, a Business Quiz was conducted for undergraduate management students with regard to the subject knowledge about the environment and a basic knowledge of the current business and subject domain.

Process:

Students were asked questions as per the timing allotted to them of five seconds and they were asked to answer on first-come-first-serve basis. Students were quite involved in the activity.

Outcome:

The student’s real time knowledge was assessed by the quiz and the grey areas of awareness could be understood by them.

The participation of the students also helped the faculty realise the knowledge of the students and their disposition towards a quiz vis-à-vis class participation.

Report on Quiz on Environment & Environmental Issues Held on 10.03.2021

Date of Event	10.03.2021
Name and Type of Event	Quiz on Environment & Environmental Issues
Type of Event	Skill Development
Conducted by	Vishakha Joseph, Asst. Prof., SoC&M
No. Of Participants	31

On 10th March 2021, an online quiz was conducted by Ms. Vishakha Joseph, Asst. Prof. Department of BBA, to know the understanding level of the students about the environment and environmental issues that the world is currently facing. Thirty-one students were present during the event.

The students understood that Quiz is an ideal medium to reach out to young minds through a fun-filled and interactive learning experience to trigger their sensitivity towards environment protection and conservation, an online environmental quiz competition named as “Understanding the Environment” was conducted.

This Quiz provided a unique platform to the students to measure their awareness level regarding environmental issues. Besides, students were motivated towards their effective participation in Quiz as a learning activity.

Class was divided in group of 3 students and each group had to answer the question and if a group didn't answer correctly, the same question was asked from the other group. Whichever group answered the question, it was given the points.

It was an interactive session from which the students learnt a lot.

Report on Basic of Mobile Photography Workshop Held on 10th March 2021

Date of Event	10 th March 2021
Name of the Event	Basic of Mobile Photography Workshop
Type of the Event	Skill Development
Resource Person	Mr. Amit Kumar Singh, Assistant Professor, Department of Journalism and Mass Communication, School of Humanities
No. Of Participants	30

Objective

To give information about the important aspects of photography to the teaching faculty and the students.

About the Event

The Journalism and Mass Communication Department organized 'Basic of Mobile Photography' workshop on mobile photography. Keeping in mind the interest for mobile photography, the workshop was organized on 10 March 2019.

The speaker of this photography workshop was Mr Amit Kumar Singh, Asst. Prof. from the department who gave information about the important aspects of photography to the teaching faculty and the students present in this mobile photography workshop. The anchors of this photography workshop were Journalism and Mass communication department students Shrijal Srivastava and Tulsi Priya.

Through this workshop, faculty members and students of the university got to learn a lot about photography. This mobile photography workshop was very beneficial for all.

Out comes

Students and teaching faculty learnt about different aspects of photography.
 Students and teaching faculty got acquainted with the techniques of professional photography

Report on Webinar- Navigation of Systematic Publication Held on – 10th March 2021

Date of Event	10th March 2021
Name of the Event	Webinar- Navigation of Systematic Publication
Type of Activity	Skill Development
Resource Person	School of Pharmacy
No. Of Participant	30

Objective of the Event:

To learn about systematic reviews, both published and unpublished literature, to avoid a type of publication bias.

Details:

School of Pharmacy ARKA JAIN University, Jharkhand is going to organise a virtual webinar by Dr. Chitaranjan Sahoo, Senior Research Fellow, IMS & SUM Hospital, S'O'A University, ICMR, Bhubaneswar on 10th March 2021. The topic was Navigation Of Systematic Publication. The resource person shared that a systematic review includes both published and unpublished literature to avoid a type of publication bias, called positive outcomes bias since positive outcomes are more likely to be published.

During the session, the resource person highlighted the significance of development of a protocol, conducting a comprehensive search of the literature, and identifying relevant studies using pre-specified criteria. The number and type of all relevant studies need to be studied. The participants were asked to evaluate each included study for risk of bias and rate the quality and strength of the evidence for the selected outcomes. They conducted a meta-analysis on a subset of suitable data.

Outcomes

At the end of the session, participants understood how to

- 1) Specify a study question,
- 2) Select the evidence, and
- 3) Rate quality and strength of the evidence.

Report on Class Activity–Brand Recognition Held on 04.03.2021

Date of Event	04.03.2021
Title of the Event	Brand Recognition (Logo Quiz)
Type of the Event	Skill Development
Resource Person	Ms Vishakha Joseph
No. Of Participant	21

Event:

A Brand Recognition quiz was conducted for the Marketing Specialisation students of BBA semester VI on 4th March, 2021. It was organized to recapitulate the brand awareness among the students.

Process:

The students were shown logos, tagline and celebrities. The brand names were hidden. The students were given limited time to recognize the brand names. The first student to press the buzzer was given the chance to answer the question.

Outcome:

This was a fun activity which helped the students to have deeper understanding of brand recall, positioning, Brand image, celebrity endorsements and Measuring brand equity.

Report on E-Seminar on Taxation Practices in India – Basics & Beyond held on 27/02/2021

Date of Event	February 27, 2021
Title of the Event	e-Seminar on Taxation Practices in India – Basics & Beyond
Type of the Event	Skill Development
Resource Person	Dr. Sonia Riyat. Associate Professor & Programme Coordinator, Department of Research
No. of Participants	32

Objective

The purpose of the event was to encourage the students with regard to discussion pertaining to fundamentals and contemporary issues with regard to taxation practices in India.

Description & Flow of Event

The event ‘e-Seminar on Taxation Practices in India – Basics & Beyond’ was organised by the Department of MBA under the banner of ‘Knowledge Manthan Saturday’ on February 27, 2021. The students of MBA, semester four, with finance specialization presented their ideas on different sub-themes like Basics of Taxation, Tax Planning & Tax Management, Tax Evasion & Tax Avoidance, Accounting & Taxation Scams in India, Impact of Tax Evasion on National Economy, Filing ITR, Digitization of Tax Administration etc.

Thirty-two students grouped in six teams had an insightful discourse on the topic. Students from the same semester coordinated the event. The event was organised by Dr. Sonia Riyat. Dr. Charu Wadhwa – Program Coordinator, MBA appreciated the efforts put up by the students.

Outcome

At the end of the e-seminar, the participants were left more informed with regard to various taxation practices as prevalent in India thanks to the discourse carried out among themselves as well as the points highlighted by the resource person.

**Report on Two Days Industrial Motivational Campaign Held
on 19.02.2021**

Dates of the Event	19.02.2021 – 20.02.2021
Title of the Event	Two Days Industrial Motivational Campaign (IMC)
Type of the Event	Skill Development
Resource Person	Mr. Ratan Dasgupta, Training Manager, Indo Danish Tool Room Jamshedpur
No. Of Participant	50

Objective:

To enrich the knowledge and skills of students in the Automobiles Sectors, identification of parts and working, assembly, testing etc.

About the Event

Indo Danish Tool Room Jamshedpur jointly organised a Two Day Industrial motivational Program during February 19-20, 2021 under the scheme of Entrepreneurship and Skill Development Programme (**ESDP**). Faculty coordinator from university was assistant professor Mr. Nivedan Mahato, Department of Mechanical Engineering. Mr. Ratan Dasgupta, Training Manager of IDTR entertained the students regarding the facility and machine available at IDTR. Mr Dasgupta gave brief introduction about the advanced software related to mechanical engineering. Brief introduction on manufacturing, marketing, ESDP were provided and what are the schemes available for student to become entrepreneur were also highlighted. On the second day of the visit, the students were guided to the conventional machining section where all kind of lath and milling machine were functioning, following which the students moved forward to the semi-automatic milling machine section. Next they went to the CNC section where more than 15 laths and milling machine were install and were working. Students saw how CNC milling operation removed material from a work piece. They also saw how one TRL product was machining the job. They got much knowledge from this section. Next, they moved to the production unit of IDTR. Students saw a vacuumed heat treatment machine injection moulding machine, Jig Grinding machine and other equipment and machinery.

Outcome:

This industrial visit gave students knowledge about engineering parts manufacturing assembly/ fabrication activities as carried out in a manufacturing company.

The students came to know about the working environment in the manufacturing industry, their processing, how machines work.

Also, they interacted with the engineers, operators and other personnel thus getting due inputs as and where they could.

It gave greater clarity about current trends in the market as well as the future scenario of the automotive industry.

Report on Session on Taxation Scheme Held on 13.02.2021

Date of Event	13.02.2021
Title of the Event	Session on Taxation Scheme
Type of the Event	Skill Development
Resource Person	Mr. Ranjan Kumar, Asst. Prof., SoC&M
No. Of Participant	12

A session on taxation scheme was conducted for the students of B. Com (H) on 13th February, 2021. Resource person was Mr. Ranjan Kumar, Asst. Prof., SoC&M. The benefits of taxation scheme were explained to the students during the online session.

Students got an insight on the importance of taxation policy and the key elements to be considered while contemplating a tax audit. The students actively participated throughout the session and put forth their queries related to different sectors. These sessions are held on a regular basis to keep the students updated with the latest schemes during which the students keenly participate and give their inputs and are vocal about their doubts in such sessions.

During the session, the resource person highlighted that tax schemes are plans and arrangements that attempt to deceive taxpayers by promising to reduce the taxes they owe, either through large deductions or through promising tax free income. Such a scheme can also include other creative ways to convince people to pay less than what they owe.

The participants learnt that a tax is a mandatory fee or financial charge levied by any government on an individual or an organisation to collect revenue for public works providing the best facilities and infrastructure. The collected fund is then used to fund different public expenditure programs. If one fails to pay the taxes or refuse to contribute towards it will invite serious implications under the pre-defined law. Overall, it was an enriching session for the participants who learnt quite a few things about taxation scheme.

Report on Industrial Visit to IDTR Held on 11.02.2021

Date of Event	11.02.2021
Title of the Event	Industrial Visit at IDTR
Type of the Event	Skill Development
Resource Person	Mr. Ratan Dasgupta, Training Manager, Indo Danish Tool Room Jamshedpur
No. Of Participant	21

Objective:

To enrich the knowledge and skills of students in the Automobiles Sectors, identification of parts and working, assembly, testing etc.

About The Event

ARKA JAIN University Jharkhand and Indo Danish Tool Room Jamshedpur jointly organised a One Day Industrial Visit Program under MoU activity. Mr. Ratan Dasgupta Training Manager of IDTR provided valuable inputs to the students regarding the facility and machine available at IDTR. Mr Dasgupta gave brief introduction about advanced software related to mechanical engineering. He also instructed the students to adhere to the safety rules during the training. First, the students went to conventional machining section where all kind of lathe and milling machine were working. In the CNC section, where approx more than 15 lathes and milling machines were installed and working. Here students saw how CNC milling operation removes material from a workpiece and learnt about the process. In production unit of IDTR, students saw a vacuumed heat treatment machine injection moulding machine, Jig Grinding machine and other machines. This was the last section of the visit.

Outcome:

This industrial visit gave the students knowledge about engineering parts, manufacturing assembly/ fabrication activities.

The students came to know about the working environment in the industries, their processing, how machines work, interacted with the engineers, operators and many more.

It gave clarity to the students about current trends in the market as well as the future scenario of the automotive industry.

**Report on One-month Training on CAD CAM Held during Feb 08-
Feb to 23-March 2021**

Date of Event	08.02.2021 – 23.03.2021
Name of the Event	One-month Training on CAD CAM
Type of the Event	Skill Development
Resource Person	Mr. Ratan Dasgupta, Training Manager, Indo Danish Tool Room Jamshedpur
No. Of Participants	27

Objectives –

- This course intended to teach the theoretical inputs and tools of Computer Aided Design (CAD) and Computer Aided Manufacturing (CAM) with an emphasis on the central role of the geometric model in their seamless integration.
- It focused upon the integration of these tools and the automation of the product development cycle.
- It introduced students to geometric modeling techniques, data structure design and algorithms for solid modeling.
- It covered the machining theory, automated CNC machining, and process control.

About the Event –

ARKA JAIN University Jharkhand and Indo Danish Tool Room Jamshedpur jointly organized one-month training program under ESDP activity. Mr. Ratan Dasgupta Training Manager of IDTR provided valuable inputs to the students regarding the facility and machine available at IDTR. Mr Dasgupta gave brief introduction about advanced software related to mechanical engineering. He also instructed the students to adhere to the safety rules during the training. First, the students went to conventional machining section where all kind of lathe and milling machine were working. In the CNC section, where approx more than 15 lathes and milling machines were installed and working. Here students saw how CNC milling operation removes material from a workpiece and learnt about the process. In production unit of IDTR, students saw a vacuumed heat treatment machine injection moulding machine, Jig Grinding machine and other machines. This was the last section of the visit. Apart from the visit, the selected students underwent a one-month training at IDTR, Jamshedpur where they learnt about CAD CAM and their various applications in the field of engineering. During the training, the students got the exposure from the various experts at the venue of the training. They learnt first-hand how these tools of engineering are put to use for better results by a manufacturing unit.

Outcome –

A student who successfully fulfills the course requirements should be able to:

- Explain the concepts and underlying theory of modeling and the usage of models in different engineering applications.
- Create accurate and precise geometry of complex engineering systems and use the geometric models in different engineering applications.
- Compare the different types of modeling techniques and explain the central role solid models play in the successful completion of CAD/CAM-based product development.
- Use and assess commercial CAD/CAM tools efficiently, effectively and intelligently in advanced engineering application.

Report On Workshop on Development of Business Communication held on 06.02.2021

Date of Event	06.02.21
Title of the Event	A Workshop on the Development of Business Communication Skills
Type of the Event	Skill Development
Resource Person	Ms. Kritika Singh, School of Commerce and Management, ARKA Jain University
No. Of Participants	43

Objective –

The session was organized to help the students streamline their communication as well as guide them to make their content clear and concise.

About the Event –

A workshop on the topic “Development of Business Communication Skills” was organized by the Department of B. Com Hons. for the students of Semester IV. It was a part of the monthly Learnedge Saturday Activity. The workshop was held on 6th February 2021 via Google Meet. The session was conducted by Ms. Kritika Singh & co-ordinated by Miss Rama Singh.

Since emails form the elementary stage of contact between Students and Professors as well as employers and employees, it was the theme of the session. The entire session was divided into two parts. The first part comprised of providing essential tips for writing a formal mail to the professors and authorities of the University. In the second part, training was provided to the students for writing professional emails to their prospective employers.

Event Outcomes –

It was an interactive session and the students actively participated and absorbed valuable inputs from the session also sharing a feedback post the session. The students were also able to learn the non-verbal communication skills which will benefit them in their future.

Report on Session on “Voting Rights of the Citizens” held on 26th January, 2021

Date of Event	26th January, 2021
Title of the Event	Session on Voting Rights of the Citizens
Type of the Event	Skill Development
Resource Person	Mrs Niki Sinha, Advocate, Ranchi High Court
No. Of Participants	24

Objective –

The purpose of the event was to provide knowledge regarding the importance of voting which has been guaranteed by the Indian Constitution to all Indian citizens above 18 years of age. Also, the session was supposed to inform the participants as to Who Can Vote, Process of Voting & Disqualification of Voting Rights

About the Event –

A session was organised on National Voter’s Day by School of Law, ARKA Jain University on the pivotal subject “Voting Rights of the Citizens”. The event was organised by Prof. Dr. Bodhisatva Acharya, Dean. Mrs Niki Sinha, Advocate, Ranchi High Court was the resource person for the webinar. She aimed at providing knowledge about the importance of voting which is guaranteed under the Indian Constitution. The resource person explained to the participants the legal provisions as related to voting rights.

Event Outcomes –

At the end of the session, the students were able to comprehend how voting rights are crucial in a democracy like India. They understood the legal provisions as applicable on the voting rights. Overall, it was an enriching and erudite session for them given the legal aspect related to it.

Report on Farm Laws Debate Competition - Held on 19.12.2020

Date of Event	19.12.2020
Title of the Event	Debate Competition on Farms Laws
Type of the Event	Skill Development
Resource Person	Adv. Vandana Verma, District Court, Jamshedpur
No. Of Participants	20

Objectives –

The purpose of organizing the event was to encourage students towards development of their oratory skills and debating ability along with honing their critical thinking, argumentative skill. Another purpose was to spread awareness about the Farm Laws.

About the Event –

A debate competition was organized by the School of Law, ARKA Jain University for the 1st Semester students, to provide them an opportunity to present their thoughts on the topic Farm Laws. Adv Vandana Verma, an eminent lawyer from Dist. Court Jamshedpur, was invited as the guest Judge. The theme of the debate was based on recent developments related to Farm Laws. The topic for the debate was **“In the opinion of the house, the merits and demerits of Farm Bills”**.

The event was organized to make the first year students aware of the various aspects related to a topic which need to be debated upon based on merits and demerits.

Event Outcomes –

At the end of this event, the students learnt about participating in a debate, improvement of their speaking skill and networking. Students put forth arguments both for and against the motion and as a result the students improvised upon critical thinking, argumentative skill and articulation.

The Debate competition also improved the thinking ability of the students thereby giving them an idea how to react to various situations.

Report On“Lecture on the Significance of the Constitutional Values” Held on 26.11.2020

Date of Event	26.11.2020
Title of the Event	Session on the Significance of the Constitutional Values
Type of the Event	Skill Development
Resource Persons	Prof. (Dr.) Harbansh Dixit, Member Uttar Pradesh Higher Education Service Commission, Prayagraj Ms. Priyanka Deo, UPSC Faculty, Byju's IAS
No. of Participants	15

Objectives –

The purpose of the event was to make the students aware regarding the significance of the constitution of India and the implications arising out of its various provisions which a law student should be aware of. The event

About the Event –

Constitution day of India was celebrated on 26th of November 2020 by the School of Law. 'Samvidhan Divas' celebration was inaugurated by Prof. (Dr.) Bodisatva Acharya. Prof. Dr. Harbansh Dixit, Member Uttar Pradesh Higher Education Service Commission, Prayagraj and Ms. Priyanka Deo, UPSC Faculty, Byju's IAS were invited as guest speakers. Significance of the Constitution of India and values were elaborately discussed by the eminent speakers along with the legal aspects related to the same. Students of different departments participated in the event. Reading of the preamble to the Constitution at an appointed time and reading of fundamental duties were done.

Event Outcomes –

The students learnt about the historic day, 26 November and why it has its importance in the history of independent India.

The resource persons made the students realize the legal provisions as propagated by our constitution.

Also, the resource persons briefed the participants regarding the significance of the constitutional values which make our republic a unique one.

Report on - National Pharmacy Week 2020 Held on – 2nd Nov-6th Nov 2020

Date of Event	2 nd Nov-6 th Nov 2020
Title of the Event	National Pharmacy Week 2020
Type of Activity	Skill Development
Conducted by	School of Pharmacy
No. Of Participants	144

Objective of the Event:

To recognise Pharmacists as Frontline health professionals and to make the participants aware regarding the various aspects related to the skills required in the field of pharmacy.

Details:

59th National Pharmacy week celebration was celebrated at School of Pharmacy, ARKA JAIN University from 2nd to 6th November 2020 and one day extended for Health Camp on 7th November 2020. As instructed by the Indian Pharmacy Association, the theme for 2020 celebration was “Pharmacist: Frontline health professional”. During the event, it was emphasized that pharmacists are transforming health through a variety of health services, thereby managing diseases well and improving quality of life. Pharmaceutical scientists transform and prolong people’s lives by developing safe and effective medicines and vaccines. On the education front, pharmacy educators are transforming the learning experience of the students from this domain.

Outcomes:

During the celebration, it was understood that the requirement of enough qualified and competent pharmacists and scientists is very much essential to meet the growing needs of our society in the field of healthcare.

Report on Webinar on Challenges in IT Revolution 31.10.2020

Date of Event	31.10.2020
Title of the Event	Webinar on Challenges in IT Revolution
Type of Event	Skill Development
Resource Person	Mr. Priyabrata Pattanaik, Solution Design Professional in British Telecom.
No. Of Participant	142

Learning objectives

This webinar was organized to focus on the current scenarios of Information Technology in different sectors. The event focused on what will be the future of computer science students in the changed circumstance.

About the Event –

A webinar on **Challenges in IT Revolution** was conducted on 31st October 2020 on a virtual platform to welcome the newly admitted freshers of BCA. The event was coordinated by Mr. Arvind Kumar Pandey, Head CS & IT. The speaker for the event was Mr. Priyabrata Pattanaik, Solution Design Professional at British Telecom who shared his valuable thoughts on the topic “Challenges in IT Revolution” and motivated the students.

He focused on the facts, concerns, challenges, and opportunities related to industry 4.0. He also specified some policies which are used to deal with the challenges and from where students take the opportunities for their career and personal growth.

Event Outcomes –

After successful completion of this webinar, students will be able to understand the present and future scenarios of Information Technology in today’s era. Also, they would be in a position to apply the knowledge gathered during the event.

Department of Computer Science & Information Technology

Ref. No.: AJU/H/CS&IT/010/20-21

Date: 26.10.2020

CIRCULAR

Dear Students,

Department of Computer Science & IT is organizing a webinar on **Challenges in IT Revolution** on **31st October 2020**. The timing of the webinar is from 10:30 AM till 12:30 PM.

Resource Person – Mr. Priyabrata Pattanaik, Solution Design Professional in British Telecom.

It is suggested to all the students to participate in the Webinar. For the same, every student needs to register for this event.

The Registration process will be active till **10:00AM – 30th October 2020**.

Arvind Kumar Pandey
Department Head, CS&IT
ARKA JAIN University, Jharkhand

Report on Webinar on Incorporating ‘Education’ for Relevant Science and Technology 30.10.2020

Date of Event	30.10.2020
Title of Event	Webinar on Incorporating ‘Education’ for Relevant Science and Technology
Type of Event	Skill Development
Resource Person	Dr. Sushil Kumar Tiwary, Associate Professor, Jamshedpur Women's College, Jharkhand
No. Of Participant	138

Objectives –

This webinar was organized to focus the students’ attention on the usage of science and technology during pandemic era and what they can do to stay connected with the recent changes.

About the Event –

A webinar on **Incorporating ‘Education’ for Relevant Science and Technology** was conducted on 30th October 2020 on a virtual platform to welcome the newly admitted freshers of BCA. The speaker for the event was Dr. Sushil Kumar Tiwari. He is associate professor in Jamshedpur Women’s College. The speaker focused on the various terms through which he mentioned that the success of science education is the use of educational technology which can greatly enhance a student’s understanding of scientific concepts. The educational technology tools can take a difficult-to-learn science concept and change it from abstract to concrete thus making it easier to understand. He gave a brief on technology used today and advancement in technologies which will be beneficial for our students.

Event Outcomes –

After completion of this webinar, students were able to understand the use of science and technology in today’s era and what all changes they need to make in their learning approach to ensure that they are moving in the right direction.

Report on Syllabus Review Workshop Held during 19.10.2020 - 20.10.2020

Date of Event	19.10.2020 - 20.10.2020
Name of the Event	Syllabus Review Workshop
Type of the Event	Skill Development
Conducted by	School of Commerce and Management
No. Of Participants	60

Objective

As the revised syllabus is introduced by Arka Jain University for the School of Commerce and Management, there was a need to orient faculty members to be accustomed to the revised scheme of syllabi. Accordingly, the School organized Two-day workshop on Syllabus Review.

Event Brief

Keeping in view the latest industry trends, digital economy and market requirements, a two-day Syllabus Review Workshop was organized by the School of Commerce and Management, Arka Jain University during 19th and 20th October, 2020. The Resource Persons for the workshop were Prof. (Dr.) Asish Bhattacharyya, Prof. (Dr.) Pingali Venugopal, Dr. Arun Sinha, Prof. (Dr.) Jyoti Sharma, Shri Koushik Das, Mr Kaushik Banerjee. The session was graced by the presence of various university dignitaries along with the director, heads of departments and all the faculty members of the School.

The two-day workshop was greatly enriching for all the participants in terms of incorporating the valuable inputs given by the academicians and the industry experts. They learnt about how they can proceed ahead in this direction.

Outcomes

The participants were highly motivated by the ideas shared by the resource persons.

They expressed their interest to attend more number of workshops in the area of syllabus review workshop.

Report on National Webinar on Assessment, Monitoring & Remediation of Metal in polluted Soils Human Health Perspective”Held on 05.10.2020

Date of Event	05.10.2020
Title of the Event	Webinar on “Monitoring & Remediation of Metal in polluted Soils: Human Health Perspective”
Type of Event	Skill Development
Resource Person	Department of Biotechnology
No. Of Participant	62

Objectives

1. To provide awareness to the participants regarding soil pollutants and their effects on health.
2. Discuss scientific experiments to monitor the pollutants level and
3. Highlight the remediation strategy for degradation of pollutants.

Activity details

A webinar was organized by the Department of Biotechnology, Arka Jain University on Monitoring & Remediation of Metal in polluted Soils: Human Health Perspective” on 5th October 2020.

Dr. Debasis Golui, Scientist, Division of Soil Science and Agricultural Chemistry, ICAR-Indian Agricultural Research Institute, New Delhi, was invited as resource person to share his knowledge on “Assessment, Monitoring & Remediation of Metal in polluted Soils: Human Health Perspective” on Google Meet application. Dr Golui explained that soil degradation is a major concern because of its adverse impact on ecosystems, crop productivity, air and water quality as well as human and animal health. Metal pollution increasingly becomes a key cause of soil degradation. During the webinar, the participants asked many questions which were satisfactorily answered by the resource person.

Outcome:

1. Students understood the concept of soil pollutants in detail.
2. Students learnt about different types of metal pollutants and their effect.
3. They got understanding about remediation of soil pollutants

Report on Session on Arts & Science of Progressive addition lenses Held on 29.09.2020

Date of Event	September 29, 2020
Title of the Event	Session on Arts & Science of Progressive addition lenses
Type of the Event	Skill Development
Resource Person	Mr Syed Ahmad, Assistant Manager - Professional Service, Lenskart
No. of Participants	37

Objective:

Progressive Additional Lenses are the best option for Presbyopic patients but when not guided probably, they have a higher number of drops out cases. Troubleshooting in that case plays a very significant role that was explained well during the session.

Details of the event:

On 29th September 2020, Department of Optometry, has organized a webinar on “Arts & Science of Progressive Addition Lenses”. Mr Syed Ahmad, Assistant manager professional service from Lenskart was invited as chief speaker. It was helpful for optometry students and faculties in the field of dispensing optics. This webinar was designed to introduce the latest development and features of progressive addition lenses and its advantages.

Outcome:

The event helped the participants to understand the wonderful concept and understanding about PALs and its prescribing criteria.

The participants were able to learn how to counsel patients to adapt Progressive Additional Lenses and how to approach patients with trouble shooting techniques.

Report on - Design Hive Interaction with Sculptor Indira Purkayastha Ghosh 28-09-2020

Date of Event	28-09-2020
Title of the Event	Design Hive Interaction with Sculptor Indira Purkayastha Ghosh
Type of the Event	Skill Development
Resource Person	Ms Indira Purkayastha Ghosh, of National Awardee female sculptor
No. Of Participants	17

Objective of the event:

To make students more creative and aesthetically strong. They came to know about the different mediums in art and design.

About the event:

Fashion Design Department organised a virtual exhibition of wooden sculptures of National Awardee female sculptor Ms Indira Purkayastha Ghosh.

Students of Arka Jain University got a chance to know and understand Indira's sculptures through virtual exhibition. After seeing her artworks, students were delighted, amazed and overwhelmed. She answered the curious questions of the students very well. One of the questions of the students was that despite being a woman, a mother and a teacher, how can she take so much time to make these sculptures, Indira gave an inspiring answer that if one has a strong determination in his/her mind, nothing is impossible. Obstacles do come in life, but we should face them with our strong intentions.

Learning Outcomes:

At the end of the event, students learnt about how they can have an enterprising outlook towards life.

Students learnt that they can develop whichever skill they intend as long as they are determined towards the same.

Report on Quiz O Mania held on 26/09/20

Date of Event	26-09-2020
Title of the Event	Quiz O Mania – the Management Quiz
Type of the Event	Skill Development
Conducted by	Dept. of MBA
No. Of Participants	12

Objective:

The Objective of this programme was to motivate the students to read more in the area of their interest, be aware of the latest happenings and to make the students aware about Fundamentals of Management Concepts & Terms.

Event:

An event titled, “Quiz o Mania” was organized by Dept. of MBA for students of MBA First Semester dated September 26, 2020. It was a comprehensive quiz comprising of questions across the management subjects and concepts, the trending terms and terminologies. Students were asked to solve the quiz in a time-bound manner and they learnt how to manage their time thus honing their time management skill.

Outcome:

At the end of the event, students were able to understand what it implies to work in a time-bound fashion.

They learnt that having a sound command on various contemporary issues is essential for a management student.

Report on Webinar on “Protein engineering and its applications in Pharma industries” Held on 12.09.2020

Date of Event	12.09.2020
Title of Event	Webinar on “Protein engineering and its applications in Pharma industries”
Type of Event	Skill Development
Resource person	Dr. Pushpender Kumar Sharma, Assistant Professor, Sri Guru Granth Sahib World University
No. Of Participants	37

Objective –

The webinar was organized to introduce the students to the latest developments and applications of protein engineering and how they are useful in different industries especially Pharmaceutical and Bioprocess.

About the Event –

On 12th September 2020, Department of Biotechnology, Arka Jain University organized a webinar on “Protein engineering and its applications in pharmaceutical industry”. The resource person during the webinar was Dr. Pushpender Sharma, Assistant Professor from Sri Guru Granth Sahib World University, Punjab. Dr. Pushpender Sharma delivered the talk on application of Protein Engineering and its industrial relevance. He explained the usefulness of Protein engineering in field of Pharmaceuticals.

Event Outcomes –

- This webinar was helpful for students, researchers and faculty members in field of health and life sciences for enhancing interest in Biotechnology.
- It proved helpful for creating interest of student towards science and its latest developments specifically in the area of engineering of protein due to its modification of protein using different molecular biology tools
- Students understood need and application of Protein engineering in the fields of process and pharmaceutical industry

Report on - Live Portrait Demo by National Awardee Artist Amit Kumar
06.09.2020

Date of Event	06.09.2020
Title of the Event	Live Portrait Demo by National Awardee Artist Amit Kumar
Type of the Event	Skill Development
Resource Person	National Awardee Artist Amit Kumar
No. Of Participants	21

Objective of the event:

The purpose of the event was to make the students more skilled and more observant towards the art of portrait making.

About the event:

The Fashion Design Department organized a workshop on portrait demonstration dated September 06, 2020. The resource person was a National awardee artist Mr Amit Kumar.

Students of Arka Jain University got the opportunity to meet eminent portrait artist Mr. Amit Kumar. While addressing the students, he said that before becoming a good artist it is necessary to be a good person, only then art gets depth. The participants learned the tricks of making portraits from the live demonstration by him. Mr. Amit Kumar made a portrait of the model sitting in front of him with pencil and charcoal. Also, he highlighted the problems that can come while making the portrait and what could be the solution for the same. After this, he also gave all these tips to the students on how to make a portrait in other mediums like oil colour, water colour and acrylic colour as well.

The participants thoroughly enjoyed this workshop and everyone shared their experiences and said that this workshop was very informative for them.

Learning Outcomes:

The students learned the techniques of sketching and shadings.

They came to know the importance of to be more observant about their surroundings because from where they can get inspiration for their creation

आरका जैन यूनिवर्सिटी में वेबिनार छात्रों को दिए गए सफलता के टिप्स

जमशेदपुर, 13 सितम्बर (रिपोर्टर): आरका जैन यूनिवर्सिटी के तीनों एनएसएस इकाइयों की ओर से मंत्राज ऑफ सक्सेस एंड हैपीनेस विषय पर वेबिनार का आयोजन किया गया. इस मौके पर आईएस अधिकारी व ग्रामीण विकास विभाग झारखण्ड सरकार के संयुक्त सचिव आदित्य रंजन ने राज्य के अलग-अलग कॉलेज व यूनिवर्सिटी के एनएसएस, स्वयंसेवकों, शिक्षकों व कार्यक्रम अधिकारियों को सम्बोधित करते हुए सफलता और प्रसन्नता के विविध आयामों पर अपनी बातों से अवगत कराया. उन्होंने कहा कि हम अपने विश्वास की शक्ति से अपने कठिन समय को भी जीत सकते हैं. उनका कहना था कि आलस्य से बचते हुए कर्म को प्रधान मानते हुए मनुष्य किसी भी परिस्थिति में सफलता हासिल कर सकता है. उन्होंने कहा कि हमें दूसरों की नजरों से अपनी खुशियों को नहीं दूढ़ना चाहिए. उन्होंने कहा कि जीवन की प्रसन्नता अपने विचारों की गुणवत्ता करती है. उन्होंने आगे कहा कि जब महत्वाकांक्षाएं खत्म होती हैं तब खुशी मिलती है. लक्ष्य जब बड़े और समाज को समर्पित हो तब आपकी अंदर की

शक्ति आपको कठिन परिश्रम के लिए प्रेरित करती है. यूनिवर्सिटी के एनएसएस समन्वयक पारस नाथ मिश्र ने कहा कि आरका जैन विश्वविद्यालय के एनएसएस का मुख्य उद्देश्य है कि विद्यार्थी शारीरिक, मानसिक, आध्यात्मिक और सामाजिक तौर पर मजबूत बने. छात्र सफल व्यक्तियों से प्रेरणा ले कर उसे अपने जीवन में उतारें. आरका जैन यूनिवर्सिटी झारखण्ड के अलग-अलग कॉलेजों व विश्वविद्यालयों के स्वयंसेवकों को जोड़ पाने में खुशी जतायी. इस मौके पर आरका जैन यूनिवर्सिटी के डायरेक्टर अमित श्रीवास्तव, कुलपति डा. एस एस रजी, कैम्पस निदेशक डा. अंगद तिवारी आदि मौजूद थे.

छात्रों ने सीखे पोर्ट्रेट बनाने के गुर

आरका जैन यूनिवर्सिटी के फैशन डिजाइन विभाग की ओर से डिजाइन हाईव वेबिनार का आयोजन किया गया जिसमें नेशनल अवार्ड से सम्मानित कलाकार अमित कुमार ने पोर्ट्रेट बनाने की तकनीक प्रतिभागियों को सिखायी गयी. अमित कुमार ने लखनऊ आर्ट एंड क्राफ्ट

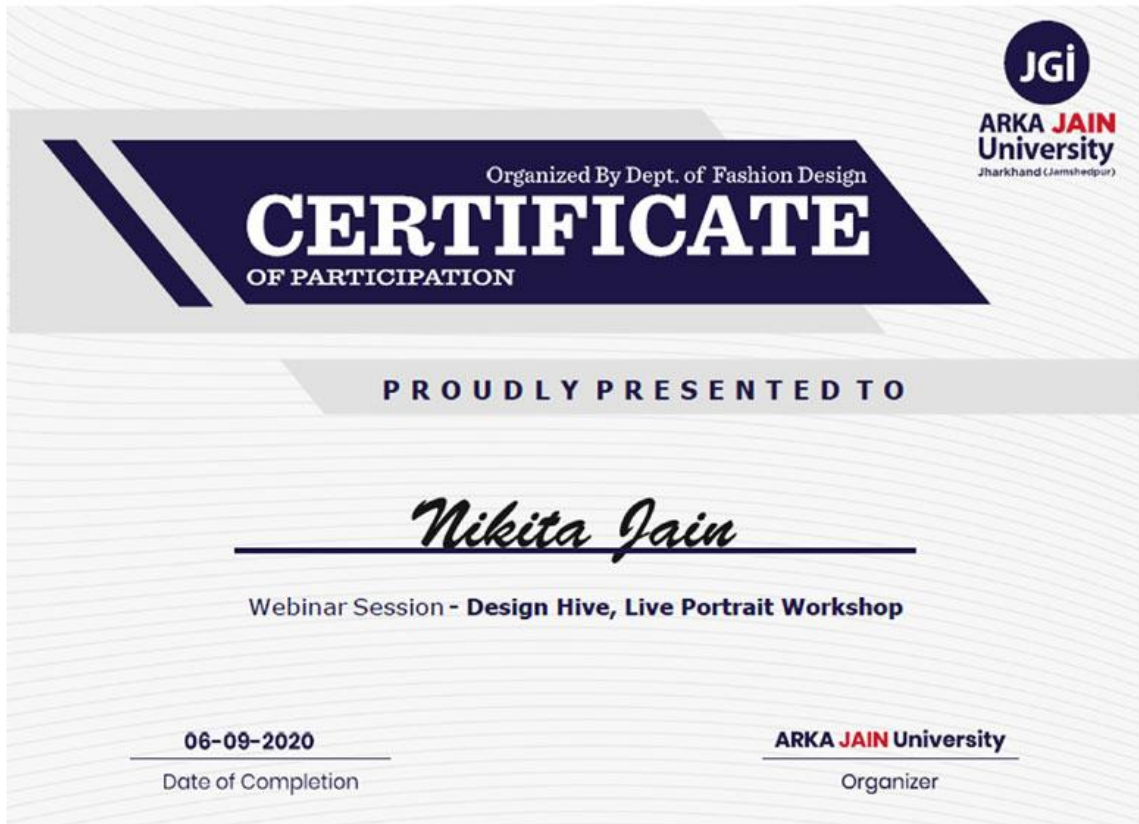

कॉलेज से चित्रकला में स्नातकोत्तर की उपाधि प्राप्त की है. इनके चित्रण का मुख्य विषय मनुष्य की प्रकृति का हनन है. इनकी चित्रण विधि अति यथार्थवादी है. अमित कुमार को कला के लिए नेशनल अवार्ड से भी सम्मानित किया जा चुका है. इसके अलावा कला के क्षेत्र में कई अन्य प्रतिष्ठित पुरस्कार भी प्राप्त किये हैं. इनकी कला साधना निरंतर जारी है. प्रतिभागियों ने इस ऑनलाइन वेबिनार के माध्यम से पोर्ट्रेट बनाने की बारीक तकनीकियों को समझा. अमित कुमार ने लाइव प्रस्तुतीकरण के माध्यम से पोर्ट्रेट बना कर दिखाया, जिससे प्रतिभागी बहुत ही रोमांचित हुए. प्रतिभागियों ने रेखांकन के दौरान आने वाली दिक्कतों को साझा किया, जिसका समाधान बताते हुए अमित कुमार ने कुछ टिप्स भी दिये. कला एवं रोमांच से भरपूर ये सेशन बहुत ज्ञानवर्धक रहा. वेबिनार के समापन पर फैशन डिजाइन विभाग की ओर से विश्वविद्यालय के सभी प्राध्यापकों एवं छात्रों को इस कार्यक्रम के सफलतापूर्वक संपन्न होने के लिए धन्यवाद ज्ञापन किया गया.

Certificate for the event

Report on Symposium on NEP- 2020 Held on 18.08.2020 -19.08.2020

Date of Event	18.08.2020 -19.08.2020
Title of the Event	Symposium on NEP- 2020
Type of the Event	Skill Development
Resource Person	Amit Kumar Singh
No. Of Participants	42

Objective

The purpose of the event was to make the participants aware about the National Education Policy 2020.

The event focused upon developing students' debating skills and critical thinking.

About the Event

Symposium on NEP 2020 was organized by the JMC department during August 18-19, 2020. It was a two-day virtual event where more than 40 students participated and shared their views on the latest National Education Policy 2020.

The motive of organizing this event was to make students aware about the National Education Policy 2020 and their debating skills and critical thinking. Students were trained how to improve critical thinking towards contemporary discourses and issues.

Outcomes

At the end of the event, the students got acquainted with the technical aspects of related to education.

The students became familiar with how they can put their skills to test with regard to interacting on a certain topic, in this case, education policy.

Report on - Independence Day Styling – Different States 15.08.2020

Date of Event	15.08.2020
Title of the Event	Independence Day Styling – Different States
Type of the Event	Skill Development
Resource Person	Usha Kiran Barla
No. Of Participant	7

Objective of the event:

The purpose of the event was to make the students aware about their rich culture and to enable them to represent their country in a better manner on a suitable platform.

About the event:

The department of fashion design assigned the students of the department to do a styling activity. This activity was to sensitize the students to the various cultures across different states and style themselves accordingly.

Each student was to choose a state or community; they researched about the clothing worn in that particular state, they had to style attire with accessories and makeup on themselves and share the pictures of the same.

The students styled themselves as females from – Punjab, West Bengal, Gujarat, Rajasthan, Christian Community and Ho Tribe from Jharkhand. They shared the pictures of the same. A poster was created by the students as a message from the entire department to the University with wishes of Independence.

Learning Outcomes:

The students enjoyed and also learned a lot through this experiential assignment. It was a fun activity and also it brought about a sense of belongingness among the students for the nation.

Also, they learnt how to represent themselves in a different manner.

Objectives –

The aim of this online FDP was to provide advanced knowledge to the participants. It intended to assist the students, researchers and professionals mainly from academic institutions, IT industry and other agencies to share their knowledge and to develop mutual training and research activities in Information Technology.

About the Event –

A One Week Online FDP on "**Emerging Trends in Data Science & IoT**" was organized by the Department of Computer Science and Information Technology for the PG Students, Research Scholars, Faculties, Academicians, Industrial Experts, Professional, and Government Employee, Self Employed etc. from 20.07.2020 to 26.07.2020 via Google Meet. More than 500 Participants participated in this event. The sessions were taken by several professors from renowned colleges/universities of India. All professors were highly experienced in their area and shared informative knowledge. During the six Day Program, participants actively engaged themselves in the event.

Event outcomes –

At the end of the workshop, the students

1. Learnt how to design and build the next generation of smart devices and networked systems
2. Combined strong theoretical foundations with hands-on experience of designing and developing IoT systems, based on how data is collected, moved and managed
3. Learnt how to design IoT products using interfacing peripherals and programming **GPIOs**
4. Learnt programming components like **Embedded C, Python, and Adriano**
5. Learnt how to apply inferential statistics, predictive analytics, and data mining to informatics-related fields.
6. Learnt how to analyse datasets with supervised learning methods for functional approximation, classification, and forecasting and unsupervised learning methods for dimensionality reduction and clustering.

About ARKA Jain University

With a vision to empower talent through its innovative learning experience, ARKA JAIN University, Jharkhand intends to become an educational hub for millions of young minds across the country and internationally. Situated at the 1st industrial town of India, popularly known as Tatanagar or Jamshedpur, named after visionary industrialist Shri J.N. Tata, founder of Tata Group, the university has evolved magnificently over the last few years. ARKA JAIN University enlightens each and every aspiring student on higher education and career choices. Its ever-evolving and open-minded system encourages students to exceed expectations in their area of interest, thus, guiding them to become ethically sound individuals. Due to its quest for continued success and resilience, ARKA JAIN University, Jharkhand is on its way to become one of the top universities in eastern India. The university, which is spread across 25 acres, has left no stone unturned in providing state-of-the-art facilities in various sectors including education, sports, entrepreneurship, research, and its other ventures.

In Feb'2017, the JHARKHAND State Legislature under "The ARKA JAIN University Act" established ARKA JAIN University. The University is a government-recognized university with the right to confer degrees as per the Sections 2(f) and 22(1) of the UGC Act, 1956. The sprawling campus of the University is situated at Gambharia, Dist: Seraikela - Kharsawan, 13 km from steel city Jamshedpur. The University offers multi-disciplinary programs, all of which are designed to be industry-relevant.

About the Department

Department of Computer Science & Information Technology offers education and skills needed for leadership in a rapidly changing world. With an enduring dedication to the pursuit of excellence, University offers unparalleled student experiences across a broad spectrum of academic environments.

About the Short Term Programme (OFDP- ETDSIoT)

Online FDP on Emerging Trends in Data Science & IOT (ETDSIoT-2020) to be hosted by Department of Computer Science and Information Technology, Arka Jain University, Jharkhand is intended to assist the students, researchers and professionals mainly from academic institutions, industry of IT fields and other agencies of Indian country to share their knowledge and to develop mutual training and research activities in Information Technology. Information Technology is the fastest growing sector of the market, and with the evolution of new technologies to help businesses operate efficiently and effectively.

Topics to be covered

- Introduction to IoT
- What is Internet of Things
- Background & Significance
- IoT Technologies
- IoT for Weather Monitoring
- Scope of IoT in Machine Learning
- Scope of IoT in Artificial Intelligence
- Architecture of IoT
- Wireless Sensor Network and IoT
- Network Architecture of IoT Protocols
- Introduction to Sensors
- Sensor Calibration
- Sensor Maintenance
- Sensor Deployment
- Powering options for Sensors
- Artificial Neural Network in Machine Learning
- Machine Learning Tools and Techniques
- Data Science and Data Analytics
- Application of Data Science
- Perspective Research and Views
- Research tools and Techniques

Arka Jain University, Jamshedpur, Jharkhand.

We are happy to inform you that Department of Computer Science & Information Technology, organizing the online Faculty Development Program on "EMERGING TRENDS IN DATA SCIENCE & IOT", from 20.07.2020 to 25.07.2020 for the PG Students, Research Scholars, Faculties, Academicians, Industrial Experts, Professional, Government Employee, Self Employed etc.

We sincerely request to you kindly register yourself through given link and circulate the same among your contacts.
OFDP Link will be sent to the registered Participants via Email and What'sApp group.

Registration link: <https://forms.gle/oSaIPradPkc8fFaf7>

Kindly join our What's App group after registration for further updates & feedback form:

1. <https://chat.whatsapp.com/JekMozmU4k2DuxaY7yyoSh>
2. <https://chat.whatsapp.com/KkF1wk8Mf5vHft2JNshSfo>

E-Certificate will be provided to the active participants after filling feedback/attendance form on daily basis.

No Registration Fee

Registration closes by 19th July 2020, 19:00 hrs.

Webinar on Revisiting “Jurisprudence on Capital Punishment in India” held on 11th July, 2020

Date of Event	11th July, 2020
Title of the Event	Webinar on “Jurisprudence on Capital Punishment in India”
Type of the Event	Skill Development
Resource Person	Dr. Harbansh Dixit, Member-Uttar Pradesh Higher Education Service Commission.
No. of Participants	30

Objectives –

The purpose of the event was to make the participants aware of the concept of jurisprudence, as applicable in legal terms, and how this concept is germane with regard to capital punishment in the Indian context.

About the Event –

A webinar was organized on July 11, 2020 by the School of Law wherein Dr. Harbansh Dixit, Member-Uttar Pradesh Higher Education Service Commission was invited by Prof. (Dr.) Bodhisatva Acharya, Dean, School of Law to share his views on the topic Jurisprudence on Capital Punishment in India. The distinguished speaker shared his thoughts on the said topic and enlightened the participants in this regard. The various legal perspectives related to the topic were shared by the resource person and grasped by the participants.

Event Outcomes –

At the end of the event, the participants were able to understand the gist of the talk and became more aware on the said topic. The speaker was thanked for the erudite session which gave students a low-down on the legal topic under discussion. Overall, it was an enriching experience for the participants to be a part of this talk.
