The BA Economics Department of Arka Jain University organized a seminar 'A colloquy on Aggravating Issues of our Economy'

The students presented a marvelous presentation on Foreign Direct Investment, Demonetization, Sub Prime Crisis, Goods and Service Tax, Trade War and Liberalization-Privatization-Globalization. The students acknowledged the topics well and addressed the after questions stupendously. The program was much appreciated by V.C Dr.S.S Razi, who motivated the students for their power point presentations on such crucial issues. Laghu. Vaibhav, Sumit, Anoushka, Nilambar and Varsha discussed the issues that our country faces today. The students prepared under the guidance of their Professors Dr. Pompei Das Sengupta, Dr. Gurinder Sandhu and Shreya Roy. The discussion enriched the horizon of the audience which comprised of all BBA and B.Com students.
