

KNOWLEDGE MANTHAN SATURDAYS

Industry Visit at 'Tata Motors Limited'

Department of Commerce and Management, ARKA JAIN University, organized an industrial visit at 'Tata Motors Limited', under the banner of 'Knowledge Manthan Saturdays', for the students of M.B.A. on December 8, 2018.

The Visit began with a very interesting documentary on the making of Tata Sons Ltd. At the Management Training centre, the students were shown the documentary titled, "Keepers of the flame" showcasing the biography of Honorable Mr. J. N. Tata. This was followed by the practical exposure to the commercial vehicle balance test rides department. They were explained in detail about the different tests conducted on commercial vehicles. Students were oriented to various departments of the company. The visit was very informative and interesting. The students appreciated the exposure received and the learning from the visit. The visit helped students to understand the safety standards at the workplace. The plant management too acknowledged the discipline amongst the students. The Event lead for the Visit was Dr. Charu Wadhwa, Program Coordinator, Department of Commerce and Management and the Event Coordinator was Dr. Smruti Patre, Associate Professor.
