About ARKA JAIN University

ARKA JAIN University, the 1st Private University of (Kolhan Region) Jharkhand established by the JHARKHAND State Legislature under "The ARKA JAIN University Act", recognized by UGC is an example of excellence. The University situated 13 kms from steel city, Jamshedpur at Gamharia offers multi-disciplinary programs designed in a way to shape the brilliant minds of today into socially-conscious managers, leaders and entrepreneurs of tomorrow. The use of highest-quality research-led teaching and learning methods helps students evolve and be ready for the requirements of the industry because we believe – You're one of a kind, So are WE.

Bachelor of Vocation – B.Voc

B.Voc is a 3 year degree program offered by ARKA JAIN University (AJU) as per UGC guidelines. Theory classes and hands on Practical Training will be provided at AJU – ARKA JAIN University Campus and NTTF Centres located at Jamshedpur (Golmuri & Burmamines).

B.Voc Programme focuses on 60 percent skill development and 40 percent on the theoretical knowledge to help the students to acquire all the skill required for the domain and prepare them for the job market or entrepreneurial role.

AJU's B.Voc Advantages

- B.Voc is equivalent to any graduation degree and facilitates admission for post graduation courses like M.Voc and MBA.
- B.Voc enables students to take up Post Graduation, UPSC, Bank, Railway and other competitive exams.
- B.Voc graduates have better scope in industries.
- B.Voc Degree in a particular skill set, one can apply for specific skill based VISA rather than general work permit for foreign immigration.

Quick Facts

- **Eligibility:** Passed in Intermediate or +2 in any stream
- **Selection:** Through written test & interview
- **Duration:** 3 Years
- **Degree:** B.Voc (Bachelor of Vocation) Degree in respective specialisation will be awarded by ARKA JAIN University, Jharkhand

What Will I Experience?

- It provides more than technical training and teaches sophisticated skills of analysis & problem-solving that apply to most type of engineering, business ventures, manufacturing, management, or even legal practices.
- The state of art curriculum promotes independent thinking and learning at an individual's pace.
- The programs nurture you to meet the global competency in industry and academics.
