About Zomato. (www.zomato.com)

Founded by Deepinder Goyal and Pankaj Chaddah in 2008, Zomato is a restaurant search and discovery platform providing in-depth information for over 1.4 million restaurants across 24 countries and serves more than 50 million users every month. Zomato is an online platform that is responsible for powering amazing dining experiences for our users daily both in home and whilst dining out. Today Zomato has multiple products and services that ensure our users have a great experience whilst improving the food industry. Zomato is already taking baby steps towards being the biggest farm to table Food Company in the world.
