**ARKA JAIN UNIVERSITY**  
**TRAINING & PLACEMENT DEPARTMENT**  
**PLACEMENT DRIVE :VANSH CONSTRUCTIONS**

**COMPANY PROFILE:** Vansh Constructions came into existence in April 2010 under the supervision of three engineers. It is the trusted and one of the leading Construction service providers in India. Our technical expertise remains our dominant strength that helps us to offer an innovative mix of excellent experience to our valuable clients. We offer general contracting, construction management, and design-build services to private and public companies for projects of all sizes. Our team of trained employees hails from every craft and expertise in the field, allowing us to combine innovative construction methods and accountable project management to get the job done, and to get it done right. To do this, we work closely with architects, engineers, subcontractors, and clients at every stage of the process. And when we finish a successful project, we celebrate that success with every person who made it possible, from our partners to our dedicated staff. We are a 100% employee-owned company whose daily actions are guided by our core values
