COMPANY PROFILE SUMMARY

We thrive by offering our customers outstanding products and services that improve vehicle safety and efficiency. Thanks to our passion for innovation, global capability, commitment to excellence in execution and engineering heritage, we are uniquely equipped to deliver differentiated results. WABCO's success depends on harnessing our technologies and global resources – plus the experience, talent and creativity of our people – to differentiate the value that we add for customers. This is our source of global leadership. Across the globe, WABCO leverages innovation, new technologies and a powerful operational network of local talent to best serve vehicle manufacturers and fleet operators in their own markets. We further differentiate WABCO by ensuring excellence in execution thanks to our unique WABCO Operating System.
