

ARKA JAIN UNIVERSITY
TRAINING & PLACEMENT DEPARTMENT

PLACEMENT OPPORTUNITY : WhiteHat Jr

NOTICE NO. : AJU/T&P/UG/0005/20-21

DATE : 03-10-2020

Company Name : **WhiteHat Jr**

Company Profile :

WhiteHat Jr was created to solve the gap in the global school system today. Less than 5% of schools taught mathematics during the Industrial Revolution. Widespread unemployment followed until schools added Mathematics to the curriculum. **Today, in the computer age, less than 1% of schools teach coding in early childhood. WhiteHat Jr prepares kids 6-18 for this new world. Kids learn fundamentals of coding logic, structure, sequence and algorithmic thinking to generate creative outcomes eg animations and apps. All classes are taught Live 1:1 Online in the comfort of your home** by Top 99.9th percentile of certified teachers.

WhiteHat Jr makes kids **Creators** in the new world with the first structured coding curriculum in the world from early childhood and also empowering women in our society to be independent and self-reliant

- B2C Model only : Live 1:1 Online Tutoring
- World's 1st Coding + Space Technology Curriculum for Grade 1-9
- Kids as young as 6 create industry-grade apps downloaded by thousands on play stores
- Launched globally (USA, Canada, Australia and more)
- First live 1:1 Online Advanced AI/Python Curriculum in the world
