BCA with Data Analytics (From IoA, UK)

BCA with Data Analytics integrated is a highly specialized international Data Analytics program endorsed by the Institute of Analytics (IoA), UK and is open to all the students belonging from BCA. The Graduates can apply for IoA Affiliate Membership after the Successful completion. The Institute of Analytics (IoA) is the Professional Body for Analytics and Data Science professionals in UK and International.The Institute of Analytics provides members with the opportunity to network with other professionals in the industry, to learn about career development opportunities, to share knowledge and expertise, to access Continuous Professional Development programs and to carry the official designation of membership.

- Analytics is the new buzzword for any business. The world is overflowing with data and anyone who can harness this data to benefit enterprises is highly sought after.
- There is a huge shortfall of trained analytics professionals in India and abroad
- Demand for analytics is at an all-time-high. An estimated 2.7 million job-postings for Data Analytics and Science are projected in the United States by 2020.
- Multi Industry/domain opportunities give a chance to select from a variety of industries that match students' interests.
- Competitive average salary, higher than that of any other IT domain.

Why IoA?
Here are just some of the reasons why you should choose IoA as your path to becoming a qualified analyst.
- Use of official designation of the institute
- Global Recognition
- Invitations to all our networking events
- Access to Continuous Professional Development programmes and online portal
- Invitations to regular Industry briefings where industry experts share their insights, knowledge & experience
- Access to job opportunities page
- Invitations to Annual & Regional Conferences

The program entails a student completing the entire BCA with Data Analytics Program Integrated with IoA from ARKA JAIN University. In case of more than 30 registration, training will be given in the campus itself through professional trainers from ISDC, which is an approved Learning Partner of IoA, UK in the country. In case of less than 30 registration in the course, online training will be provided by ISDC on all the modules.

Program Highlights

- Hands on training on Analytics modules from IoA (Institute of Analytics)
- Provides Dual Qualification : Students who enroll for this course get a Degree from the University plus Affiliate Membership from IoA (Institute of Analytics), UK
- Provides blended learning from Industry and Professional Trainers from ISDC & IoA
- Students get a Affiliate Membership from IOA, UK and a Skill Certificate from ISDC on Completion of 3 years of graduation
- Course includes Seminars, Power Packed Workshops, Corporate Engagements.
- Enhanced career opportunities in India and abroad
- The qualification is recognised globally
