## INTRODUCTION

Established in 2017, ARKA JAIN University, Jharkhand is the first private University of Jamshedpur. We currently offer 2-year full time P.G. programs like MCA, MBA and Full Time Under-graduate courses like: BBA, B.Com, BCA, B.Sc.(IT), BA (Economics), BA (English), BA (Fashion Designing), B.Pharmacy, BBA (LLB), B.Tech. & Polytechnic Courses, etc.

Our department mainly offers MCA, BCA, &B.Sc(IT) courses in collaboration with some very prestigious bodies.

The objective of this program was to familiarize the students to the new environment and get them accustomed with the culture of the University. The induction program comprised of interesting activities like motivational movies screening and review, talent hunt, social sensitization through poster making, team building activities, expert lectures, and debate and campus orientation sessions. The rationale for induction was to ensure a smooth transition for the students into the University system.

A total of 120 students participated in this program which was conducted from 28<sup>th</sup> October – 02<sup>nd</sup> November 2020. Faculty and student volunteers from the department worked extensively to ensure that the induction was well organized. The following report includes the schedule and brief notes on the various events conducted as part of the induction program.

DAY - 2 (10 AM - 12 PM).

Now, It was a time for the second day of our college, and we also had to complete our, Article Presentation on "Impact of Corona in Everyone's life". Day one was good. and Now we are set for the day 2 orientation.

Main Event :- Role of innovation and technology Health and article presentation.

Today we learned more about the role of technology and innovation and its importance in life by respected Mr. Rajeev Kumar, Executive Director KCM Connect. Then we got a very important suggestion for our health and medicines by Dr. Tyotimay Sahu, which will help us regularly in our life. and finally, It was time for Article Presentation on the Impact of Corona in Everyone's life by Ritu Mam.

Thank you.

DAY - 3 (10 AM - 12 PM)

It's a day 3. we need to complete our 'collage' as today is a 'Collage Making Competition'. we had just-completed our projects and preparing for our 3rd day session.

Collage Making Competition and corporate education were the main event today.

Today's session was focused on corporate education in the field of science and technology by Prof. Arvind K. Pandey, in which we learned a lot about how the corporate world works, and the role of science and technology. Then another important session on 'Basic Human Values' by Arvind K. Pandey, here, we get to know about the important role of values and ethics in one's life. Overall, it's the most important thing in life.

And now, it was time for collage making competition. It was great to see everyone's variation and creativity in the collage on Covid-19.

Thank you.
