**Department of B.OPTOMETRY and B.Sc. BIOTECHNOLOGY  
SCHOOL OF HEALTH & ALLIED SCIENCE**

4<sup>th</sup> September 2020

**Proceeding of Minutes of Meetings for  
AARAMBH 2020  
SCHOOL OF HEALTH & ALLIED SCIENCE**

An Induction and orientation program was planned to be conducted by School of Health & Allied Science, Arka Jain University for welcoming the students of B. Optometry and B.Sc Biotechnology Batch 2020 from 30<sup>th</sup> October 2020 to 1<sup>st</sup> November 2020 in the virtual platform (Google meet app) after getting the approval from Honorable Vice Chancellor of AJU. Meeting regarding the smooth conduction of AARAMBH 2020 was conducted at Dean Office on 5<sup>th</sup> October 2020 at 2:30 PM-3:30 PM.

**Following members were present:-**

<b>Sl. No:</b>	<b>Name</b>	<b>Designation</b>
<b>1</b>	Dr. Jyotirmaya Sahoo	Dean, School of Health & Allied Science
<b>2</b>	Mr. Vivekanand	Program coordinator, Department of Optometry
<b>3</b>	Dr. Santosh Kumar Singh	Program coordinator, Department of Biotechnology
<b>4</b>	Dr. Jyoti Khurana	Asst. Professor
<b>5</b>	Mr. Sarbojeet Goswami	Clinical instructor

## **DELIBERATION OF THE MEETINGS**

In the beginning of the meeting, Dean of School of Health & Allied Science welcomed the members and briefed them about the Induction and orientation program AARAMBH 2020.

### **Item No. 1: To prepare the itinerary**

Mr. Vivekanand and Dr. Santosh Kumar Singh has been handed over to prepare the itinerary keeping different activities like speech, discussion, course information, interaction, introduction of faculties, management, city, campus and school, musical entertainment along with other activities like yoga and spiritual science together are instructed to include.

### **Item No. 2: To Contact the Resources from Academics.**

Resources are to be sent invitations and also their consent is to be recorded. Charges are handed over to Mr. Vivekanand and Dr. Santosh Kumar Singh.

The meeting ends with vote of thanks.

## **ABOUT SCHOOL**

ARKA JAIN University, the 1st Private University of Kolhan Region, Jharkhand established by the JHARKHAND State Legislature under “The ARKA JAIN University Act”, recognized by UGC. The University situated 13 kms from steel city, Jamshedpur at Gamharia offers multidisciplinary programs designed in a way to shape the brilliant minds of today into socially-conscious managers, leaders and entrepreneurs of tomorrow. The department of optometry and department of Biotechnology aim at skill-based education with a curriculum designed to prepare graduation degree for lifelong learning and leadership capabilities with research-based teaching procedures. The School looks forward in developing research aptitude by initiating an integrative module of academics and research. The Unique Program at ARKA JAIN University has a visionary of optimizing research aptitude in the field of Health & Allied Sciences to enhance academic research and scientific development in the sector of health, optometry, agriculture, Industry and Environment and medicine.

The School of Health & Allied Science is dedicated with a team of highly qualified and well trained faculty and staffs from different department working towards academic growth through research and development. The School is committed to produce Biotechnologist and optometrist for the 21st century.

### **About the JGI GROUP**

There are 85 Educational Institutions, 08 States, 64 Campuses, 6450 Employees, 02 Universities and 50 Incubated Companies. The use of highest-quality research-led teaching and learning methods helps students evolve and be ready for the requirements of the industry and hospital

### **RESOURCES FROM INDUSTRY & ACCADEMIA**

<b>Day</b>	<b>Name of Expert</b>	
<b>Day-1</b>	<b>Mr. Vibhu Gautam</b> International Art of Living Teacher	
	<b>Punam Verma</b> Yoga and Reiki Master Yoga & fitness Center, JSR	
<b>Day-2</b>	<b>Dr. Praveen K. Thakur</b> Controller of Examination ARKA JAIN University, Jharkhand	
	<b>Mr. Himanshu Kumar Sinha</b> Head Training & Placement, ARKA JAIN University, Jharkhand	

<b>Day-3</b>	<p><b>Dr. Biswaranjan Pradhan</b> Research Scientist, SKBET, IIT Bhubaneswar</p>	
	<p><b>Ms. Jayanti Pradhan</b> MD in Gopal Biotech Agro Farm Bhubaneswar</p>	
	<p><b>Mr. Santanu Ray</b> Assistant Professor, Department of Optometry The Neotia Univerity, West Bangal</p>	
	<p><b>Mr. Vivekanand</b> Program coordinator, Department of Optometry, ARKA JAIN University, Jharkhand</p>	
	<p><b>Dr. Santosh Kumar Singh</b> Program coordinator, Department of Biotechnology, ARKA JAIN University, Jharkhand</p>	

## **EXAMINATIONS AND PLACEMENT**

Dr. Praveen Kr. Thakur, the Controller of Examination (AJU) explained the students in detail regarding the rules and regulations of examinations. Career guidance was highlighted by Mr. Himanshu Kr. Sinha, the Training and Placement head (AJU). He advised in his speech that the students should go through deep study to acquire knowledge in the tenure of their course and remaining part will be taken care by the team.

## **ABOUT INDUCTION PROGRAMME**

The objective of Induction Program is to help new students to adjust and feel comfortable with the new environment and to know about the culture of the institution. The diversifying thoughts of the student can be focused into one single point by the help of Induction Program and the candidate can be stable to realize the larger purpose. It helps to build the bonds with the students of former batch and faculty members. It helps to build a friendly environment with the students and teachers so that student can be comfortable to be opened before the teacher with a positive aspect. Student can get opportunity to know the scope of the course on which he/she has taken admission from different resources and can develop his confidence towards the course in which he/she has taken admission. Ultimately, the student can develop a faith towards the institution and will be dedicated for its name and popularity. Information regarding regular classes, practical, timetable, uniforms, institutional policies, rules and regulations, academic and non-academic activities etc can be availed by the candidate in the induction Program.

## **RATIONALE**

To enjoy the joy of learning, withstand the peer pressure, decision making, understand the value of relationship, to realize the value of others emotion, to be sincere and woeful to the colleagues is rationale of Induction Program.

## **PLANNING**

The date of AARAMBH 2020 for School of Health & Allied Science, AJU was scheduled from 30th October 2020-1st November 2020. Due to pandemic of COVID 19 it was decided to conduct the program virtually. Parents and students were invited to join the program. Itinerary was published and circulated among the students to make the session more informative to one

and all. The program was delivered in - major phases like Spiritual inauguration, Addressing by Honorable Vice Chancellor, Motivational Speech by External resources, Student interaction and National anthem.

Committee decided to include Resources from Industry and academia. Resources from Industry and academia are invited to share their experience and to motivate the students who have newly taken admission in Biotechnology to increase their level of confidence. Sessions like yoga, musical event, student interaction, spiritual thinking etc are incorporated.

### **First day event**

The first day event speaks a volume with Inauguration of the event by Dr. Prashant Tiwari and Dr. Jyoti Khurana (Assistant Professor, School of Health and allied science, AJU) followed by Virtual lamp lightening and Saraswati Vandana in the backdrop of introduction of steel city.

On the first day of event, mission and vision of AJU being highlighted. The students were introduced with the pillar members of university by Dr. Chandra Prabha Sahoo followed by welcome address of the honorable Vice Chancellor of AJU, Prof. (Dr) S.S Razi. Sir gave a talk on success mantra and importance of biotechnology and Optometry career field in India and Abroad

This was followed by our chief guest Mr. Vibhu Prasad (International Trainer of The Art of living) delivered a session on mental wellness regarding how to live in present movement, to enhance concentration. He emphasized on need to enhance soft skills, and session on how to enjoy the journey of life. No wonder, his engagement with the excited students was thrilling and power-packed. Through jokes, experience sharing and activities, he could hold the students spellbound and deeply involved. He demonstrated simple approaches towards 'simplifying' life and managing the unnecessary stress even students are so very prone to these days. The dynamic trainer, who is loved by the youth for his camps and inspirational sessions, engaged the students. His simple words threw new light on the meanings of 'success' and 'education' for the young listeners

After the chief guest session Students were shown glimpse of beautiful campus through images and also rules and regulation of AJU have also been introduced by Dr. Chandra Prabha Sahoo.

Then Honorable Director campus (Dr. Angad Tiwari) sir delivered motivational talk for students through his experience in life. He expressed his views on Impact of discipline in life.

Followed by this, was speech by Respected Dean sir (Dr. Jyotirmaya Sahoo). Sir has emphasizes upon importance of Optometry and Biotechnology courses and their future prospects. Sir also conveyed rules and regulation of university. The duties of student of AJU and as Indian citizen were told beautifully to create better India. This session was followed by Introduction of all faculty members of B. Optometry and B.Sc. Biotechnology.

After this new students of Both B. Optometry and B.Sc. Biotechnology also introduced themselves, shared their interest, hobbies and Goal in life. This was followed by Colorful Musical Events delivered by senior students of Health and allied science school towards the end of 1st day program. Students showed their interest in recitation of poems by their own, and singing. Closing of the event of 1st day was done with National Anthem and Vote of thanks. The day ended with the sense of attainment and gratification on both the ends students as well as Induction Team.

## **2nd day event**

Inauguration of event by Dr. Jyoti Khurana proceeded by Virtual lamp lighting and Saraswati Vandana followed address by Honorable Registrar Sir.

Registrar Sir, Dr. Jasbir Singh Dhanjal gave an inspirational speech to the students, praised the faculty members of Department of optometry and biotechnology, Sir conveyed to the students to take maximum advantage of skilled faculty and research facilities of AJU.

This session was followed by showing glimpse of celebration of festivals and cultural activities in AJU. Celebration of different events by the senior students were displayed through video on this occasion In general, it gave an insight to the new students on the extracurricular and co-curricular activities happening in the Institute throughout the year which will help them improve their soft skills. This was followed by Yoga and meditation session presented by Mrs. Poonam Verma ( Yoga Instructor in TMH and reiki master , with this she is also running her own training cente in Jamshedpur.

An essential session for every individual to keep them stable in their mind and soul was Yoga.

Journey of Soul, through soul and to the soul-yoga and its essence of importance presented by Mrs. Punam Verma

Dr. Praveen Kr. Thakur, the Controller of Examination (AJU) explained the students in detail regarding the **rules and regulations of examination system** in AJU.

This was followed by session by Mr. Himanshu Kumar Sinha on **Career guidance and Placement**. In this session Career guidance and Placement rules were highlighted by Mr. Himanshu Kr. Sinha, the Training and Placement head (AJU). He advised in his speech that he students should go through deep study to acquire knowledge in the tenure of their course and remaining part will be taken care by the team. After this some of the new students of Both B.sc Optometry and Biotechnology introduced themselves, also shared their interest, hobbies and Goal in life.

Motivational Videos from movies and animation were played as a source to encourage new comers towards achieving success in respective field. Closing of the event of second day had been done with National Anthem and Vote of thanks.

### **3rd Day Program**

3rd Day Program runs parallel for B. Optometry and B.Sc. Biotechnology.

Our chief guest of third day for Biotechnology was Dr. Biswaranjan Pradhan, Research scientist at IIT Bhubaneswar; He has developed 21 symbiotic products for human consumption. He is cofounder of Probiotics Company in India; with it he is also consulting director to three international companies. He introduced students with advancement and developments in area of biotechnology, He also focused on what are different areas of research and entrepreneurship in biotechnology, He introduced wide applications of biotechnology.

This was followed by a presentation given by Dr. Santosh Singh regarding importance of Biotechnology Course and curriculum followed in Arka Jain University

The presentations included details:

- Introduction to the program and program objectives.
- Various opportunities in industry as well as research.

- Outline of the respective syllabus in detail.
- Elective subjects, projects, internships.
- Departmental labs

After this session a talk was given by chief guest of the day Mrs. Jayanti pradhan Bio-entrepreneur (running Gopal Biotech Agro farm in Odisha) she has designed indigenous methods of mushroom cultivation by using waste paddy straw (winner of women transforming India award and winner of Best Model farmer(Asia) recognized by FAO. and many prestigious awards. She has given talk on Specific area of mushroom cultivation and also encouraged students to take challenges and wished them luck. She also explained value of "Time" in life.

It was followed by Baatchee Session. The main intention behind this session was to promote bonding amidst the new comers among themselves, with their seniors and with the faculty. During this session senior students shared their experience in university.

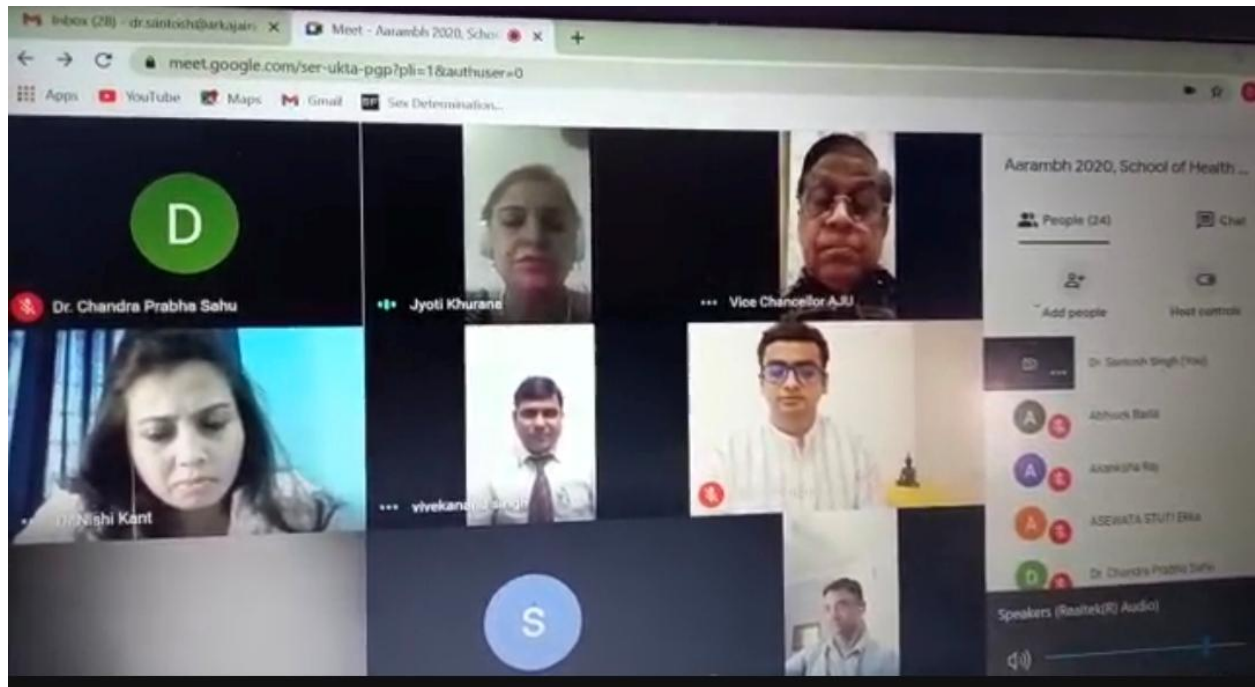

Parallel, Program coordinator (Dept of Optometry) School of School of Health and Allied Science welcomed the members. The meeting started with Saraswati Vandana & Virtual lamp lighting. Dr. Jyotirmaya Sahoo (Dean, School of Health and Allied Science) welcomed the Chief Guest of the Day then over to Mr. Sarbojeet Goswami to brief about the Guest Mr. Santanu Ray (Asst. Prof., The Neotia University, West Bangal). Mr. Ray delivered a motivational talk and had a great discussion on career prospect of the profession, Human values, Ethics and many more. Journey and path of the Dept. of Optometry was shared and cheered up by all members.

Miss Saheli Bhowmik has conducted the session “Baatchee” and interaction was conducted between previous batch students and new comers.

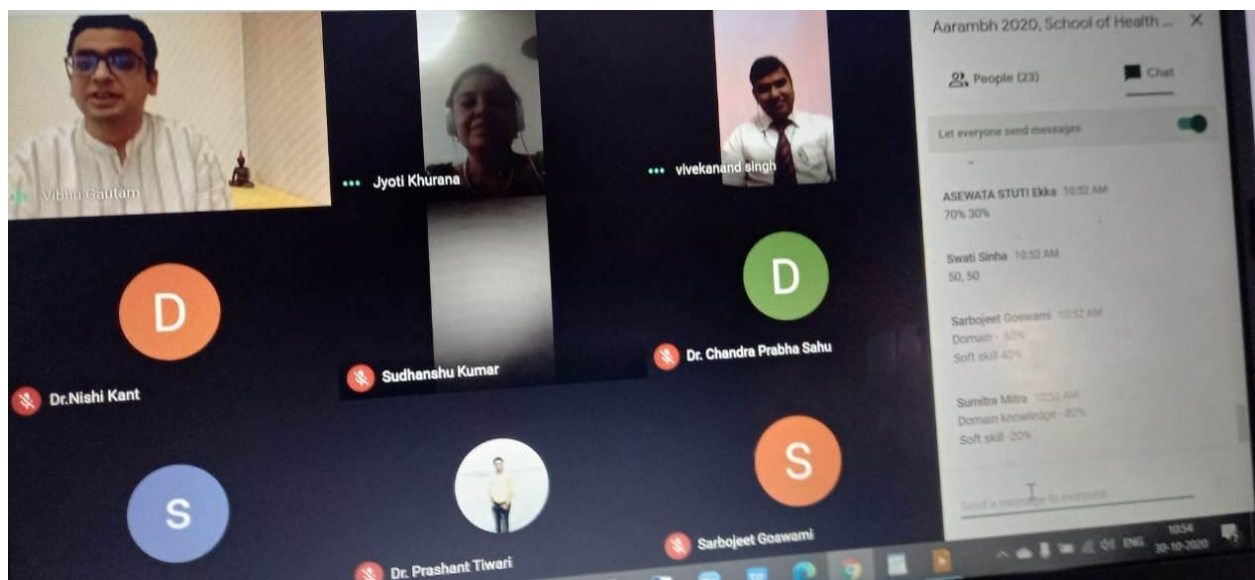

The program ended up with vote of thanks followed by National Anthem.

As expected, the event was successful. Those present during the event had positive feedbacks with regards to the event. All in all, the final intent of letting the new students know their University, school of health and allied science, rules and regulations batch mates better, was served.

**PRESS RELEASE**

## अरका जैन विवि में योग टिप्स

जमशेदपुर (वसं.)। योग शिक्षिका पूनम वर्मा ने शनिवार को अरका जैन यूनिवर्सिटी के फ्रेशर विद्यार्थियों को ऑनलाइन प्रशिक्षण दिया।

कोरोना काल में लॉकडाउन से अनलॉक के दौरान छात्रों को हो रहे मानसिक डिप्रेशन से उबरने का टिप्स दिया। पूनम वर्मा ने सूर्य नमस्कार, मस्तिष्क, सांस और नेत्र संबंधी योगासन, पॉजिटिव सोच तथा कुछ भी बुरा न हो, जीवन सफल हो, अच्छा दिन गुजरे जैसे वाणी का संकल्प दिया। विद्यार्थियों को योगी, सहयोगी बनने के लिए प्रेरित किया। पूनम ने कमर कंधे के दर्द के योगासन और खानपान की विस्तृत जानकारी दी।

## **AARAMBH 2020: SCHOOL OF HEALTH & ALLIED SCIENCE, ARKA JAIN UNIVERSITY, JHARKHAND**

Aarambh 2020 was held from 30th October to 1st November. The event started with the inauguration by Dr. Prashant Tiwary. He welcomed the students with great enthusiasm and vitality. The event started with virtual lamp lighting and Saraswati Vandana. We were told about the mission and vision of Arka Jain University. The main purpose of the college is to provide quality education thereby creating human assets. After knowing the mission of the college, I felt that this college will provide me the right opportunity to succeed in my career and will help me to become a better version of myself.

Then we were addressed by the vice-chancellor Dr. S.S Razi. He motivated us with his kind words and told us more about the college. And then the event preceded with the chief guest Mr. Vibhu Gautam (International art of living teacher) talking to us about the importance of mental health and how to stay focused and happy in life. Then further the speeches were given by the Director and Dean of the school of health and allied science. They encouraged and guided us with their warm words.

On the second day, we were told about the festivals and activities of Arka Jain University. There are many cultural programs held amid the academic year to showcase their talent and keep their enthusiasm high. Then Mrs. Punam Verma (Yoga and Reiki master) showcased and told us about different yoga postures. She told us about the importance of yoga for a healthy life. Then the further program was carried by the speech of Dr. Praveen Thakur. He told us about the significance of examination and the difference between knowledge and wisdom. And for career guidance, we communicated with Mr. Himanshu Kumar Sinha ( Head training and placement). He told us about placement opportunities at Arka Jain University, the process of placement, the University role in ensuring the right career path for the students, and the courses offered by the University. Then we were shown a small impactful motivational video for boosting our confidence.

On the third day, we interacted with the chief guest Dr. Biswaranjan Pradhan (Research Scientist). He told us about the vast career opportunities in the biotechnology field, the biotechnology market, and how biotechnology is improving the human body. Then the entrepreneurship seminar was held and Ms. Jayanti Pradhan addressed us. She told us in detail about organic farming, her life experience, and achievements in the field of biotechnology. Her encouraging words inspired us and we were enlightened by her knowledge. After that Dr. Santosh Kumar Singh (HOD, assistant professor of the department of biotechnology) illuminated

us on the prospects of biotechnology and its importance. After the baatchee session, the orientation was brought to an end by the national anthem.

After hearing all the motivational speeches, I felt enthusiastic about starting my course. I got to learn about a lot of new things including the importance of biotechnology, its career opportunities, placement procedure of the universities, and even other topics like yoga and mental health. The teachers were very kind and welcoming. And I'm delighted to be a part of Arka Jain University.

Kashfin Qamer

Course – Biotechnology

## AARAMBH - 2020

The induction ceremony known "Aarambh 2020" consists of 3 days dated from 30<sup>th</sup> October 2020 to 1<sup>st</sup> November 2020. In which different faculty members and chief guest came to motivate and give guidance to us.

On the first day of induction our teacher Dr. Jyoti Khurana hosted the ceremony and the ceremony is started by the Saraswati Vandana and our chief guest Mr. Vibhu Gautam gave us a wonderful and motivating lecture about our lives that we should enjoy and live in our present do not think about the events which happened in past or were going to happen in future.

On the 2<sup>nd</sup> day of the induction our chief guest Mrs. Punam Verma who is a Yoga and Reiki Master taught us various yoga postures for controlling stress and anxiety and for relaxing ourselves. It feels so refreshing. I would find it great if I had a chance to

do that again.

On the third day our chief guest Dr. Biswaranjan Pradhan told us about different scope & job opportunities and various fields of biotechnology. And then there was a great speech by Ms. Jayanti Pradhan who gave us a very inspiring speech on her life. And by hearing her speech. I became more curious in the field of agro farm. And now I admire her a lot.

The induction ceremony is very great that I am very thankful that I have admitted in such an institution.

Date: 6-9-2020						

"Energy is always in motion - and the good news is that you get to decide the direction."

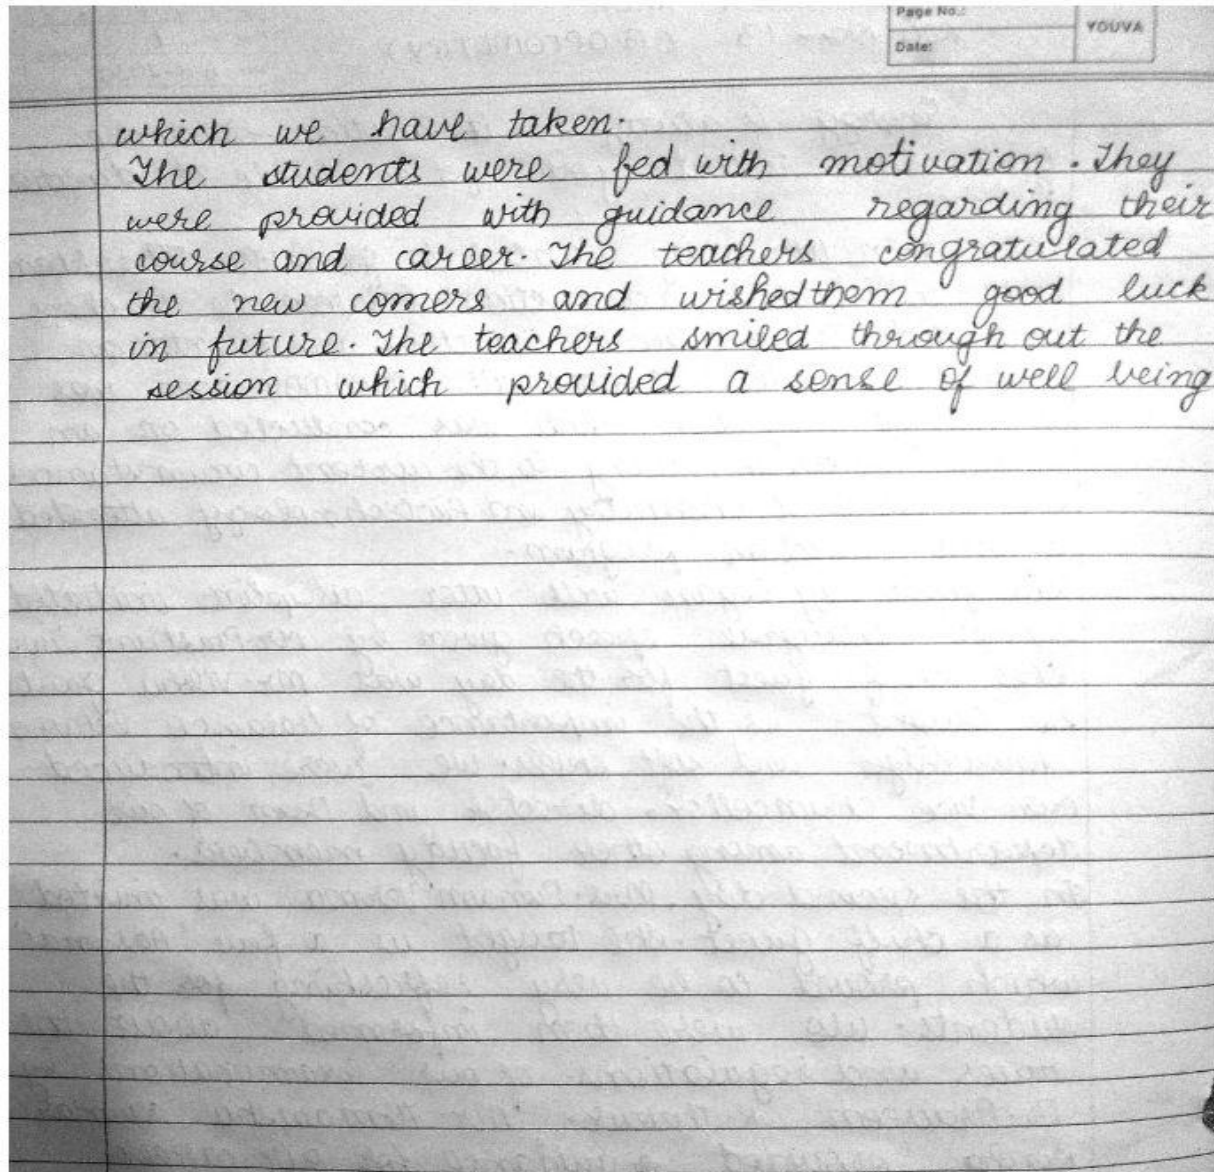

Arka Jain University situated in Jamarbha, Jharkhand seeks to establish a connection between the teachers and students through an induction and orientation program entitled "AARAMBH". AARAMBH-2020 was a 3-days program which was conducted on an online platform, owing to the current circumstances. The students of Optometry and Biotechnology attended a joint induction program.

The first day began with utter discipline initiated by an inaugural speech given by Mr. Prashant Tiwari. The chief guest for the day was Mr. Vibhu Gautam, he taught us the importance of balance between knowledge and soft skills. We were introduced to our Vice Chancellor, director and Dean of our department among other faculty members.

In the second day, Mrs. Punam Verma was invited as a chief guest. She taught us a few 'Asanas' which proved to be very refreshing for the students. We were then informed about the rules and regulations of our examinations by Dr. Praveen K. Shakur. Mr. Himanshu Kumar Sinha provided a guidance for our career.

In the third day, we were introduced to our subject teachers. They enlightened us with knowledge and details about the course.

Subana Razi

(B. Optometry, Roll no.-13)

# AARAMBH [2020] [B. OPTOMETRY]

## ARKA JAIN UNIVERSITY

Arka Jain university situated in Garmhama Jorahedpur, Jharkhand. In the pandemic situation, Arka Jain university switched to online interaction between teacher and student which was great.

We attended their orientation on 3-days online class. As explain by our teachers, optometry is a detailed study of eye and related diseases. It has a great scope in India and abroad.

Day: 1 (30th October):

Dr. Prashant Tiwari sir gave very important information about Pharmacology and B. Optometry. He also said that after B. Optometry is such a field where we can make our bright future & also help the poor.

Day 2 (31st October):

The yoga teacher Priyanka verma maam gave important information of yoga in our life. Which we can adopt in our daily life to be healthy and active.

Day 3 (1st November):

Dr. Sanjayeel Goswami sir gave very good information related to our course. Our chief guest Mr. Santanu Roy gave a beautiful speech.

DATE: / / 20

They told importance of discipline in student life. Sir was explain in detail about the 5 qualities of the student. Vivekanand sir and Ms. Saheli Bhowmik ma'am gave information related from collage and course in detail. My experience was superb after attending 3-days online class.

**THANK YOU ALL**  
Rukhsar Parween

Rukhsar parween  
(B. Optometry, Roll no.-14)

In this critical situation, I attended the orientation programme. Through an online platform called "meet". I got to know about the University and the faculty members and about the course also. An orientation programme is something we might get bored of listening to, about the stuff we've already goggled about. But AARAMBH had been fun and very informative. If you are joining a new institution it is very important to join Orientation program so that you can know about them.

Sanjeeta Sawaiyan  
(B. Optometry, Roll no.9)

I am glad that I was able to be a part of an event, which despite being conducted online, was run smoothly. The eminent speakers aroused interest among the students. We got detailed information about the University and our course. The teachers smiled throughout the session which provided a sense of well being. The session was interactive and we got to know about our Course and its scope in depth. Motivation herald's success and the students were fed with constant motivation throughout the event. The faculty and the teachers radiated positivity.

Subana Razi  
(B. Optometry, Roll no.-13)

My experience was superb after attending the orientation program. In the pandemic situation Arka Jain University has done great job by doing the orientation program online. It was very valuable in information and giving an insight into expectation of my course. I really enjoyed it and got so much from it. All teachers were helpful and motivating. It was a great feeling and experience for me.

Rukhsar parween  
(B. Optometry, Roll no.-14)

## **STUDENT'S POWERPOINT PRESENTATION**

# **Campus**

*We feel grateful to be a part of Arka Jain University. Arka Jain University is not just a campus of 25 acres but it is a huge family that gives support and bonding to its high energetic students. In the quest of knowledge and drive for victories, students are working hard to be successful in life and outer world.*

*The thing we liked the most is that it gives us a chance to enhance our skills by providing a basketball court, grounds, and organizing different events. It also enhances our knowledge by providing a separate library, labs for practical knowledge with efficient equipment for the students.*

Arambh program 2020 which was organized for 3 days. We experienced a lot, we got to know about events, functions, department, placement, and many more. The teachers and faculty members of our department are very polite and understanding. Arka Jain University provides us all the facilities regarding labs with all required equipments, a library with all national and international books in it... University also provides us with a very good placement facility and also plans outings and educational trips during the course....

# **Department of optometry**

# GUEST SPEECH

**WE FEEL BLESSED TO ATTAIN ARAMBH 2020 AS A STUDENT OF ARKA JAIN UNIVERSITY .AMONG ALL PROGRAMS ,CHIEF GUEST'S INSPIRING SPEECHES CREATED A VERY EFFICACIOUS AND FRUITFULL EFFECT IN EVERYONE'S MIND**

**ON THE FIRST DAY , SIR VIBHU GAUTAM TAUGHT US THAT SOFT SKILLS ARE MUCH MORE IMPORTANT THAN DOMAIN KNOWLEDGE TO SUCCEED IN LIFE .**

**ON SECOND DAY MAM PURNIMA VERMA TAUGHT US ALL THE YOGA ASANAS WHICH ARE VERY CRUCIAL FOR STUDENTS LIFE .**

**ON THIRD DAY , SIR SHANTANU RAY TAUGHT US ABOUT HOW TO AVOID WORTHLESS THINGS AND COMFORTS OF LIFE AND FOCUS ON OUR FUTURE AND CAREER**

**ALL THE SPEECHES OF GUESTS INSPIRED US A LOT .**

---

## RULES AND REGULATIONS

**ARKA JAIN UNIVERSITY HAD A WELL SET RULES AND REGULATIONS FOR ALL THE STUDENTS TO MAINTAIN THE DISCIPLINE AMONG THE STUDENTS..**

**THROUGH ARAMBH PROGRAM OUR TEACHER HELPED US TO KNOW MANY RULES AND REGULATIONS OF THE COLLEGE. RULES PROVIDE A SENSE OF PREDICTABILITY AND CONSISTENCY AMONG THE STUDENTS**

**RULES ALSO HELP US TO BE MORE RESPONSIBLE AND TO UNDERSTAND WHAT IS EXPECTED FROM US .**

**WITH THIS SESSION OF 3 DAYS ARAMBH PROGRAM WE ALL GOT TO KNOW ABOUT MANY OF THE RULES ..**

## Events

ARKA JAIN UNIVERSITY FORTERS AN ENVIRONMENT IN WHICH EVENTS AND FEST ARE ORGANIZED THROUGHOUT THE YEAR TO HAVE A BALANCE OF ACADEMICS AND EXTRA CURRICULAR ACTIVITIES .

ENTIRE EVENTS ARE MANAGED BY SENIOR STUDENTS .NEW STUDENTS GET TO MEET COLLAGE FACULTY

EVERY ACADEMIC SESSION OF ARKA JAIN UNIVERSITY STARTS WITH AN OPENING PROGRAM FOR ALL THE NEW COMERS "ARAMBH". WE FEEL BLESSED TO BE PART OF ARKA JAIN UNIVERSITY .

AMONG THE PROGRAM IN ARAMBH WE WERE EXPLAINED ABOUT ALL THE. EVENTS AND HOW IMPORTANT THEY ARE FOR US .THEY ALLOW FOR A MORE INDIMATES AND ENGAGING EXPERIENCE.

B REIEF IDEA OF EVENT S IN OUR  
CAMP US

# Experience of arambh 2020

Over all the full 3 day online session of arambh facilitated us with lots of knowledge of campus , events ,rules and regulations , examination cells, department of optometry,criteria of placements etc

We got an opportunity to meet all our HOD sir ,teachers and faculty members , and some of our seniors and guests speeches inspired us a lot for our future.

The session was very interactive and beneficial for us .

Was there anything else the programme could cover that would be useful no it contains all the necessary information which a new comer has to know.

What was the most valuable aspect of the programme for you the yoga session it helps me relax alot.

Any Suggestions want to try yoga session live its really helps in reducing stress and helps in focussing.

## Feedback Form on Guest Lecture Sessions – 2020

School of Health and Allied ScienceCourse Biotechnology

Year / Section	2020	Academic Year	2020-2023
Name of the Guest	Mr. Vibhu Gautam	Date of the Lecture	30.10.20
Topic of the lecture	about life	Duration	1 hrs

Sl. No	Description	Excellent	Good	Average	Poor
1	The instructor explained the topic clearly and used relevant examples	✓			
2	The lecture was interactive and felt engaged	✓			
3	Speaker positively influenced my view towards the topic	✓			
4	In future, I would like to attend the lectures from the speaker	✓			

Mention few points you have learnt from the lecture live in the present enjoy the moment do not waste time on thinking of Past and future.
