Education should never stop and by all means be available and facilitated to one and all! With this in mind, amidst Corona times, we initiated Aarambh 2020 – 5 day - Virtual Orientation Program for the fresh batch of 2020.

As a tradition, we at Arka Jain University conduct the orientation program to familiarize the students with the campus and prep them up before the commencement of the regular classes. But unlike all years, this year was a challenge as it was to be done on a virtual platform but the essence and the importance of the program had to be maintained. With the efforts of a wonderful team of organizers, administration and the able support of the management, we successfully organized an engaging and participative virtual Program.
