

Department of Computer Science & Information Technology

Ref. No.: AJU/H/CS&IT/037/2020-21

Date: 09.01.2021

Dear Students,

Find below the Google Form Link for Selection of Specialization.

<https://forms.gle/gQPgEUv2dmrRA49A7>

There are **TWO Specialization** mentioned as follows:

- 1. DATA SCIENCE**
- 2. INTERNET OF THINGS**

The Google Form link will be active till **14th January 2021**. The selection process for the specialization will be based on the First Come First Serve basis. For example, if there are more preference for Internet of Things specialization, then in that case only first 90 students who have opted for Internet of Things will get the preference and the remaining will get Data Science as specialization. The vice-versa is also true.

So, you all are advised to complete the Specialization Selection Process immediately.
