NAME OF COMPANY: ZOMATO PVT. LTD.

COMPANY PROFILE:

ZOMATO launched in Delhi 12 years ago. Zomato has grown from a home project to one of the largest food aggregators in the world. They are present in 24 countries and 10000+ cities globally, enabling their vision of better food for more people. They are not only connecting people to food in every context but also work closely with restaurants to enable a sustainable ecosystem.

Back in 2008, all it took was an idea to enable digital access to thousands of restaurant menus. Three passionate foodies who hated waiting in lines, drove around Delhi to collect menus from restaurants, scan them and put them online. Their idea has now grown into the vision that drives their team of 5000+ people every day.
