Date of Event	10.03.2021
Name and Type of Event	Quiz
Conducted by	Neha Aggarwal
No. Of Participant	31 (B sec)

On 10th March, an online quiz was taken to know the understanding level of the student about the environment and environmental issues that the world is currently facing.

31 students were present during the discussion.

Class was divided in group of 3 students and each group has to answer the question and if a group doesn't answer the same question was asked from the other group. Whichever group answers, they will be given points.

It was an interactive session.
