Date of Event	28.06.2020
Name and Type of Event	National Webinar on Decoding the gene of interview skills
Conducted by	Ms Geetika Kumari
No. Of Participant	200

On **June22, 2020**, Department of Engineering, ARKA JAIN University organized a National Webinar on Decoding the gene of interview skills. On this occasion **Dr.Ruchika Tiwary** has presented on the topic of **“Decoding the gene of interview skills”**. The Speaker Dr Ruchika tiwary Asst. Professor Kolhan University. The targeted audience of this webinar was especially non- English background students who face lots of difficulties when it comes to interpersonal communication. There was a question session at the end of the webinar where each participant was given a proper opportunity to ask their doubts and queries and our guest speaker had taken each and every question boldly. Basically, the webinar was well received by the audience including students, faculties and researchers all over the country. On this event all faculty and students from different colleges have actively participated. Ms Geetika Kumari was the coordinator of the event.

The poster for the webinar features the ARKA JAIN University logo and title. It includes a photograph of three people in a meeting. The text on the poster provides details about the event, the speaker, and the registration link.
