

Report on Site Visit JUSNL Held on 26.04.2019

Date of Event	26.04.2019
Name and Type of Event	Site Visit JUSNL
Conducted by	Mr. Ashwini Kumar, Vidya Shree M, S.SakenaBenazer
No. Of Participant	100

An industrial Visit was organized for the students of 4th Sem Diploma in Electrical & Electronics Engineering Students. The Students visited Jharkhand Urja Sanchar Nigam Limited , 220/132 kv GSS Ramchandrapur , under the supervision of Asst Prof. Vidya shree M and Asst Prof Sakeena Banezer. The JUSNL is a major power grid in Jharkhand who supply power in state. Students have learnt how power is distributed and for this what equipment is used for distribution. Engineer of JUSNL explained very well to our students. Through the visit the students understood the basic concept of Transmission and Distribution of Electrical Power at the Sub station. Students observed the whole Process of monitoring and control of the grid activity at the control room. They had an opportunity to see the Live operation of various equipment of the substation . The resource person very enthusiastically briefed our students covering energy possible minute details of the sub station. The Technical head of the grid was mr. Tinkaj Kumar.
