

Report on Workshop at IDTR on AMP Held on 04-09-2019

Date of Event	04.09.2019 - 05.09.2019
Name and Type of Event	Workshop at IDTR on AMP
Conducted by	Mr. Ashwini Kumar, Nivedan Mahato & Dr.Rahul Sinha
No. Of Participant	100

Computer Numerical Control (CNC) machines are a vital part of today's manufacturing industry. Fast, accurate, and adaptable, these machines and those with the CNC machinist training to operate them are critical to multiple important industries in the state. A skilled CNC machinist can transform a block of formless steel into a working part for one of the most advanced aerospace industries in the nation. our 100 students are participated in new technolgy workshop on Advanced manufacturing Program.
