

Report on Environment Day celebration Held on 05.06.2021

Date of Event	05.06.2021
Name and Type of Event	Webinar
Conducted by	Dr. Nishi Kant
No. Of Participant	98

Department of Biotechnology, School of health and allied science celebrated Environment DAY on 05.06.2021. The day is an opportunity to spread awareness about the Environment and issues related to it and to spread awareness about need to protect the environment. For the celebration a webinar was conducted. Mr.Vaibhav deoli (Assistant Professor of Dev Bhoomi Institute of Technology Dehradun) was invited as a Chief speaker and he presented a talk and his work on “Role of remote sensing in natural resource management”. 98 participants registered for the event. Remote sensing helps in the systematic collection of data, surveys, and analysis of such data. The integrated use of remotely sensed data enables to develop management plans for a variety of natural resource management applications. This event was a great success.

Mr Vaibhav Deoli
Assistant Professor
Department of Civil Engineering
