Webinar organized on No Tobacco Day at Arka Jain University

“SAY No to All Tobacco Products “

Pledge taken to abstain from consume any tobacco products

Today, World No Tobacco Day was organized by the NSS units of Arka Jain University, in which all the professors and students took the oath of prohibition of tobacco. On this occasion, University Vice-Chancellor Professor S. S Razi, Dean of Student Welfare, Dr Angad Tiwari, NSS University Coordinator Professor Paras Nath Mishra NSS Program Officer Dr Manoj Kumar Pathak, Rajiv Sinha, Prerna Rai and NSS volunteers took a pledge to prohibit tobacco and also understood the responsibility of making all the members of his family aware about this.

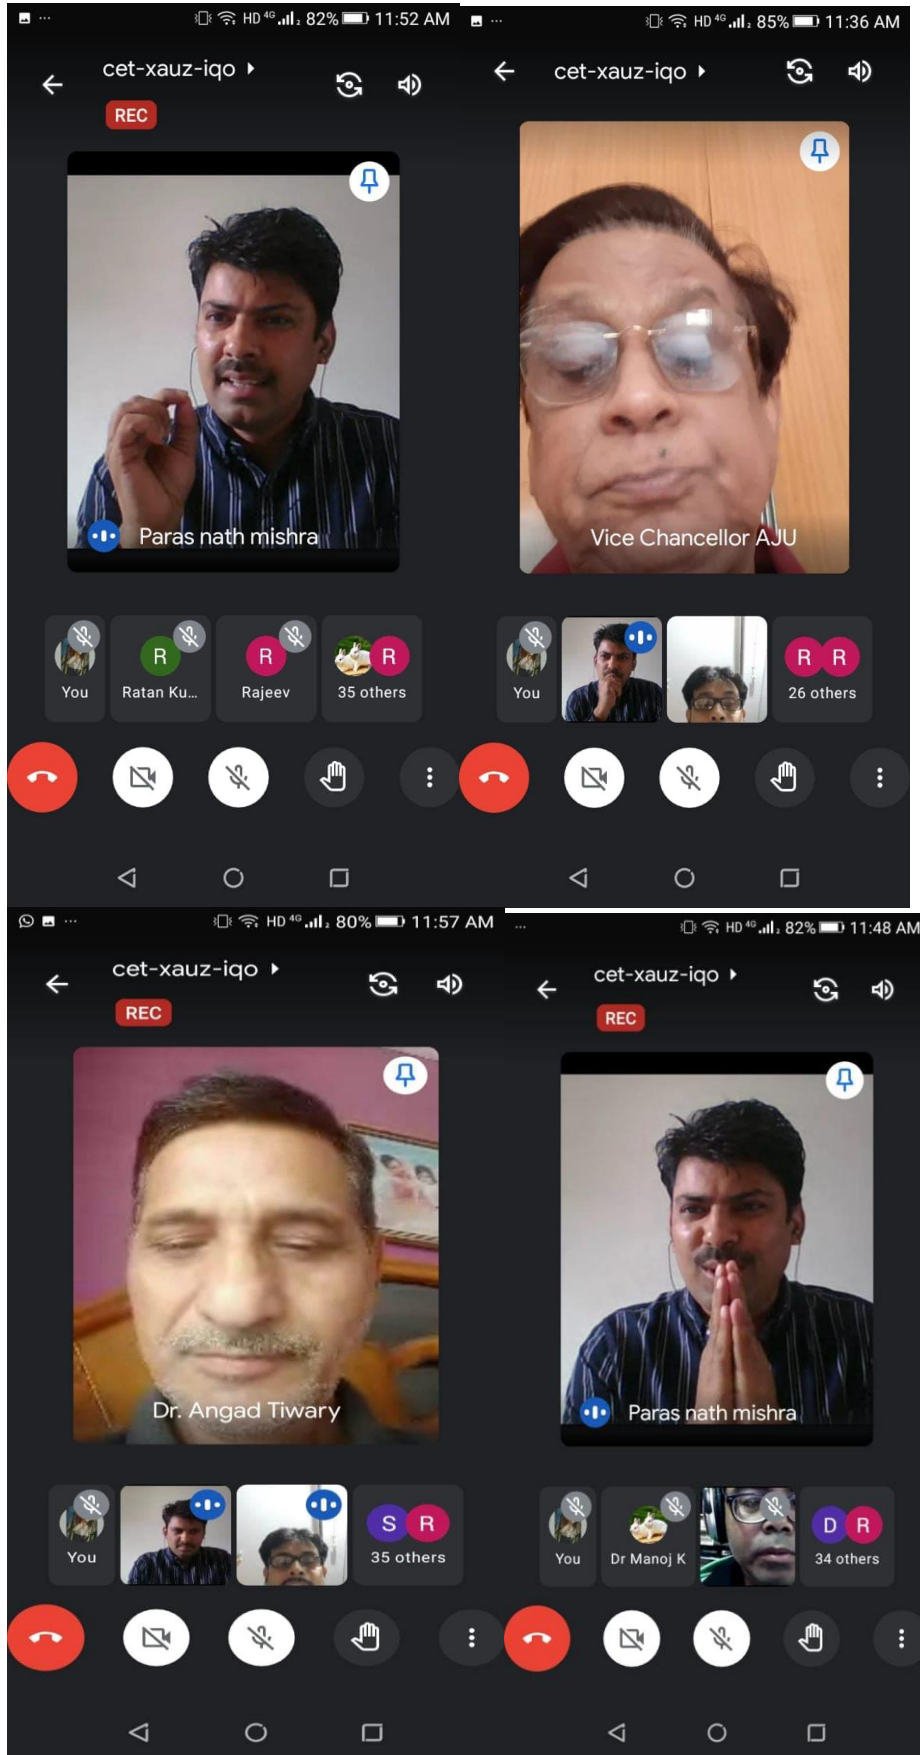

Professor S. S Razi said that through the NSS units of Arka Jain University, this program announced by the World Health Organization will make people aware and will be inspired to stop tobacco consumption.

Dr Angad Tiwari said that the consumption of tobacco causes a lot of damage to the home and society as well as the entire nation. Society can be saved from this evil by such awareness campaigns.

Shri Paras Nath Mishra said that the NSS units of Arka Jain University are very aware in this regard and all our program officers and volunteers do a lot of work in this regard. Presenting the data, he said that many people all over the world are forced to lose their lives at a young age due to tobacco consumption. He reiterated his resolve to protect himself as well as all the family members from tobacco consumption. Shri Paras Nath Mishra said that every 8 seconds a person dies due to tobacco related diseases, and every year in India about 10 lakh people and in the world 80 lakh people die due to diseases related to tobacco consumption. Our priority should be to make the youth aware of tobacco related diseases. Students of Arka Jain University will run this program continuously in the university.

Dr. Manoj Kumar Pathak in the role of the moderator said that we should take it seriously to avoid tobacco consumption and should be catalyzed for its universal eradication.
