Description & Flow of Events(including photos of the Event)

An online Workshop was organized by MBA Department School of Commerce and Management, Arka Jain University of as a Part of KMS activity on “**Building Resilience for Managers**” on 03-07-2021 for students of MBA curriculum.

This workshop was organized to make students aware about Disruption and Provide Strategies to students for Building Resilience as Managers and making their organization Bounce Back and perform after disruption. They were required to know the way they should work out in case there is any unfavorable situation comes in their pathways and bring confidence to meet the challenges that may arise in their work life.

18 students participated in the event and they learnt strategies in such situation. There were two questionnaire given to the participants to make assessment of own level and ability for resilience. These questionnaires were discussed with students and they were given to work on the scores against the answers they have given. They had to tabulate their answers and score thus obtained were used to compare and show their level of resilience.

Student were enthusiastic after the event.

This workshop was conducted by Mr Mukul Pandey of MBA Department, School of Commerce and management, Arka Jain Universitys.
