<b>Name and Type of Event</b>	Creative Power Point Presentation
<b>Conducted by</b>	Ms.Ankita Singh
<b>No. Of Participant</b>	37

A session on “Creative Power Point Presentation” was conducted for the students of Semester IV of the B.Com Department. The event took place on 8<sup>th</sup> of March via Google Meet at 1:00 PM. This session was conducted by Ms.Ankita. The session was scheduled with a motive to make students understand how power point presentation can be used differently for various purposes. In this session the students were instructed to use the power point in a creative way where they were enforced to use the case studies, video links and audios to make the audience understand the concept rather than using the basic power point tips. The students were divided into different groups comprising of 4 to 5 members in each group. The topic for the creative power point presentation was kept open for students to choose any topic of their interest from the syllabus of HRM. The students were encouraged to focus more on the practical aspects of each concept through various real life examples in contrast to the theoretical aspects. The students actively participated in the session which was clearly demonstrated through their unique presentation which should their scrutiny of various case studies, video & audio clips, and newspaper cutting etc. to express their theoretical knowledge practically. This also made them understand better on how to implement the theoretical concepts of HRM in respect to the daily practices.
