B.Optom.

AJU School of Health & Allied Science aims at skill based education with a curriculum designed to prepare degree graduates in Optometry for lifelong learning and leadership capabilities with research based teaching procedures. The Dept. of Optometry is enlisted by Optometry Council of India (O.C.I.) & member of Association of school & college of Optometry (ASCO) India. AJU B. Optometry Course is a 4-Year full time regular degree program with internship in the last two semesters. The School of Health & Allied Science is dedicated with a team of highly qualified and well trained faculty and staffs from different departments working towards academic growth through research and development.

Optometry is a health care profession that is autonomous and concerned especially with examining the eye for defects and faults of refraction, with prescribing correctional lenses, prisms, eye exercises and/or visual rehabilitation care for visually impaired, with diagnosing diseases of the eye, and with treating such diseases or referring speciality them for treatment. Optometry as a profession has the primary public health responsibility for eliminating uncorrected refractive error (the leading cause of vision impairment globally). As primary eye care practitioner, optometrists have a vital role in detecting potentially serious eye diseases such as cataract, glaucoma and Diabetic retinopathy, age-related maculopathy, as well as general health conditions such as hypertension, diabetes, Thyroid etc which means optometrists can also help to alleviate the burden of other causes of blindness and diseases through diagnosis & referral. Optometry is rated among the top ten Health profession in Developed Countries.

Jain University is a place of learning, fun, culture, lore, literature and many such life preaching activities. Studying at the Jain University brought an added value to my life. It gave me an opportunity to meet different kind of people and learn a number of things.

KUNAL PATEL
Business Analyst
HCL

Attending AJU was the wisest choice I made after completing my high school. The professors challenged my academic abilities and I have grown so much because of them. I am proud that AJU is my Alma Mater and because of a AJU now i am working with HCL Technologies.

ANURAG ROY
Financial Analyst
Wells Fargo India Sol.

This institution is been the turning point of my life where you learn corporate culture with your usual course of curriculum. I did my BBA from Jain college and after that I got placed in Wipro.

ASHISH BUDHRAJA
Business Development
OYO Rooms

I have pursued my graduation from AJU. It was a very exciting journey with lot of learning which provided me with some thought - provoking questions for myself. AJU has helped me to put thought into what my core values are.

SAURABH SHARMA
Senior Analyst
ADP India Pvt Ltd.

The faculty is amazing, they just don't give you college lessons but also life lessons which not only help you become worthy of employment but also you are being formed into a responsible, driven, and faithful adult in every aspect of your college experience, they will assist you in becoming the best you.

PRABHA SHARMA
IT professional
Oracle

An IT professional specialising in Oracle, a corporate trainer in Infosys, won several medals in academic and extra-curricular activities at college and university level, gold medalist in her master's I am what I am today and whatever I have achieved is because of our ARKA JAIN University.

VARTIKA JAISWAL
Tax Consultant
Deloitte US India Pvt Ltd.

I am very proud to have been a part of AJU where students are not just students but Manager, Strategists, Leaders and Entrepreneur in making. Being a part of this institution makes me stand apart in the crowd and to believe in what I stand for.

AKANSHA MAHATO
Financial Analyst
Silver skills Pvt. Ltd

AJU has been a great contributor to the development of my personality. I have established my leadership, time management and team skills and have also been able to advance these skills to the whole new augment level.
