Date of Event	13.02.2021
Name and Type of Event	Taxation Scheme
Conducted by	Mr.Ranjan kumar
No. Of Participant	12

Taxation scheme was conducted for the students of B.Com (H) semesterIV (Section c) on 13th February, 2021. The benefits of Taxation scheme were explained to the students during the online class. Students got an insight on the importance of taxation policy and the key elements to be considered while contemplating a tax audit.The students actively participated throughout the session and were asking by the questions from different sectors.These sessions are held on a weekly basis to keep the students updated with the latest schemes. The studently keenly participate and give their inputs and are vocal about their doubts in such sessions .Tax scheme are plans and arrangements that attempt to deceive taxpayers by promising to reduce the taxes they owe, either through large deductions or through promising tax free income. Scheme can also include other creative ways to convince people to pay less than what they owe. A tax is a mandatory fee or financial charge levied by any government on an individual or an organisation to collect revenue for public works providing the best facilities and infrastructure. The collected fund is then used to fund different public expenditure programs. If one fails to pay the taxes or refuse to contribute towards it will invite serious implications under the pre-defined law.
