PLACEMENT OPPORTUNITY @ GOLDMAN SACHS

NOTICE NO.: AJU/T&P/UG/0002/21-22
DATE: 12/08/2021

NAME OF COMPANY: THE GOLDMAN SACHS GROUP, INC.

Registration Deadline is 11:59 pm, 15th August 2021

COMPANY PROFILE:

The Goldman Sachs Group, Inc. is a leading global financial institution that delivers a broad range of financial services across investment banking, securities, investment management and consumer banking to a large and diversified client base that includes corporations, financial institutions, governments and individuals.

Founded in 1869, the firm is headquartered in New York and maintains offices in all major financial centers around the world.

WEBSITE: https://www.goldmansachs.com/

Goldman Sachs is pleased to announce the launch of "Engineering Campus Hiring Program 2021-22"; an initiative that they will be hosting over the coming weeks to engage, assess and hire engineering students from across the country.

Program Overview: The program aims to identify top engineering talent across India, focusing on programming skills and analytical aptitude to join the Engineering division at Goldman Sachs offices in India.

Registration Window: July 22, 2022 to August 15, 2022

Program Timelines:

Offers : November 2020

Eligibility Criteria: This program is open to engineering students of all streams across pre-final & final year of graduation and post-graduation

- 2022 New Analyst – Graduation year of 2022

- 2022 Summer Internship – Graduation year of 2023

About the Assessment:

The students will undergo multiple levels of assessment, kick started by an aptitude test that will assess their analytical, logical and strategic thinking. The shortlisted students will be directly contacted via registered email ID for further steps. Selected candidates will have the opportunity to interview with Goldman Sachs and secure a 2022 Summer Internship or Full-time offer.

Registrations are now open. Click here to register for Engineering Campus Hiring Program 2021-22.

In case of any further questions around the program, please write to us at enggcampushiringprog@gs.com.

We encourage and look forward to your active participation!

Our Engineers don't just make things – we make things possible. Change the world by connecting people and capital with ideas. Solve the most challenging and pressing engineering problems for our clients. Join our engineering teams that build massively scalable software and systems, architect low latency infrastructure solutions, proactively guard against cyber threats, and leverage machine learning alongside financial engineering to continuously turn data into action. Create new businesses, transform finance, and explore a world of opportunity at the speed of markets. Want to push the limit of digital possibilities?
Start   here.
In an endeavor to identify and hire top engineering talent across India, Goldman Sachs is pleased to announce the launch of its one-of-a-kind virtual campus hiring event - **"Engineering Campus Hiring Program 2021-22".**
