Date of Event	26.12.2020
Name and Type of Event	Best out of Waste
Conducted by	Dr. Sonia Riyat
No. Of Participant	15

Best out of Waste

Description & Flow of Events

Adding value to the waste materials is an art and our aspiring managers have the ideas of generating revenue at lowest cost. One December 26, 2020, ‘**Best out of Waste**’ – an online activity was organised under the banner of ‘**Knowledge Manthan Saturday**’ by the department of MBA, School of Commerce & Management.

Students of MBA Semester 1 took part in this activity. It was instructed to the students to use the waste materials only and to switch on their camera while crafting their products. Within forty-five minutes of time-limit, the participants have created very beautiful and valuable products by using waste materials like old newspapers, bangles, threads, wool, cotton, mobile-cover, CDs, kitchen-wastes etc.

The students got very much encouraged by taking part in this event. The event was planned and organised by Dr. Sonia Riyat. The program-coordinator of the department of MBA, Dr. Charu Wadhwa appreciated the creativity exhibited by the students and advised the students to always try to be creative and to reuse the waste materials as far as possible.
