<b>No. of Participants</b>	25

### **Parents-Teachers' Meeting 'Samwad'**

A virtual parents-teachers' meeting was successfully organized on 7<sup>th</sup> August 2021 by the department of English, Arka Jain University, Jamshedpur with the parents of Sem III and Sem V. This meeting was a huge success and the parents truly appreciated the departmental efforts for this smart and thoughtful initiative, during the COVID -19 lockdown times. The parents were given time slots and they were shared the instructions on how to connect via Google Meet call, well in advance. The PTM was very smooth and it was very similar to the one-on-one meeting during PTM in the university premises.

The faculties shared their feedback about the student with the parent based on the overall performance in the Academic year 2020-2021. The teachers also made and shared daily time tables for study and leisure that could be used by students to plan their day productively. Reading, writing, creative activities and honing their passion for hobbies through many webinars and free online courses were few among the suggestions given for students to keep them happily engaged while staying safe indoors.

Almost every parent praised the initiatives of the department for this smart, technological implementation through Virtual Classroom, Online Assessments and virtual PTM to extend the immediate solution to teaching and learning, during the pandemic. Parents were extremely happy and appreciated the department for organizing the PTM virtually during the uncertain times of COVID -19 lockdown. They were thankful for all the efforts made by the department in facilitating the virtual connect between the teachers, students and parents. They further thanked all the enthusiastic hardworking faculties for going beyond their call of duty to transit things smoothly and also for the superb ideas from the teachers how to keep the students busy at home during these quarantined days.
