Guest Session titled 'Essentials of Cyber Security'

Description & Flow of Events (including photos of the Event):

Usage of Internet has advantages and challenges both. This Session on 'Cyber Security essentials' was organized for the Students of MBA (2020-22), in order to make them understand the kinds of threats that could be facing them when using internet. The Session was taken by a corporate speaker, Mr. Jairaj Singh, who is an IoT Cyber Security Analyst, at Trelleborg Group. Mr. Singh explained the various elements of Cyber security in a simplified way. He provided with tips for safe use of internet. He mentioned various DO's and DONT's while surfing the internet, while setting up digital passwords, while using bank related accounts, etc. He also discussed about ethical hacking. The Session was very informative.
