Panel Discussion on Central Bank Digital Currency-End of the road for Cash

Objective : Reporting Reality, Creating Awareness

Description & Flow of Events (including photos of the Event)

On 31st August 2021, NEWS Society organized its 4th event and the last one for the month of August. The event was a Panel discussion on “central bank digital currency-End of the road for cash?” The event started with lightning of lamp and then we moved on to the panel discussion.

This time we had all the panellists from outside the society from the various departments of School of Commerce and Management. Discussion took place for more than 30 minutes. All panellists were actively discussing and many points such as what is central bank's digital currency? Its purpose? Advantages and disadvantages? The relationship between CBDC and the banking system, CBDC and monetary policy, what is the risk involved in using this technology, what are the RBI approach towards this, legal framework, and many other points were discussed. The whole event went very smoothly. We got positive feedback from our audience. Panellists were well versed with their speech. We took this topic for our event as CBDC is emerging in India and was a very interesting and knowledgeable one.

Poster of the Event

The poster features a dark blue background with glowing digital patterns and a large, prominent dollar sign (\$) in the center. The text is arranged in a clean, modern layout. At the top right, there are two logos for JGI (Jain Group of Institutions) and Arka Jain University. The main title is in a large, bold, yellow font. Below the title, the date and time are listed with corresponding icons. The overall design is professional and tech-oriented.
