Webinar on Communication Skills and Personality Development: The interdependent Factors

A one-day webinar session was organized on 24th April 2021 on Google Meet which was coordinated by Ms. Divya Paikaray, Prof. Arvind Kumar Pandey Head of CS and IT Department.

The guest of honor and the speaker for the event was Dr. Manoj Kumar Pathak, Assistant Professor, Department of English, Arka Jain University, Jamshedpur Dr. Pathak, a multi-lingual poet, editor, reviewer and translator. He has his doctoral degree on the topic, “The Novels of Amitav Ghosh: Towards an Interpretation of Narrative Aesthetics”. His research and academic interest lies in Indian Fiction, Aesthetics of Narratives, Post-colonialism, Indian Philosophy and Literature, Nation and Nationalism in India, Youth and Education and Cultural Studies. He has a teaching experience of nearly 14 years.

Now a days, academic advancement and effective communication skills play a crucial role in honing everyone’s personality. Communication helps our students to express themselves in the most convincing way. Their thoughts, feelings and knowledge should be passed on in the most desirable manner and effective communication skills help them in the future.

More than 60 participants from all over the computer science department participated in the webinar.

The session began sharp at 3 pm. The event started with the welcome note by Ms. Divya Paikaray and Ms. Alka Singh .Then came the moment when Dr. Manoj Kumar Pathak took over and shared his precious knowledge and information on **Communication Skills and Personality Development** which is very important in student’s Life . The session came to a close at around 4 pm with vote of thanks and after a short feedback session the participants were awarded with participation certificate.

Photo of the Event

The screenshot shows a Google Meet interface. The main content area displays a slide titled "Process" with the following diagram:

```
graph TD
    S[SENDER  
(Ideation)] --> E[ENCODING  
(the sender converts the idea into words or gestures)]
    E --> T[TRANSMISSION  
(message travels over a channel or via medium)]
    T --> D[DECODING  
(receiver decodes the message)]
    D --> F[FEEDBACK  
(response of the receiver)]
```

Below the diagram, it states: "Thus, it can be said that, communication is a two-way and continuous process to develop understanding between individuals or organizations."

The interface also shows a "Meeting details" sidebar on the right with a list of participants: People (39), Chat, and a list of names including Divya P, 100_Suparna Kumari, 74 priya Patel, and A.S.Sithalakshmi. The bottom of the screen shows the Windows taskbar with various application icons and the system tray displaying the time as 3:20 PM on 24-Apr-21.
