Workshop on IT Awareness

A Workshop on IT Awareness was organized on 06.02.2020 which was being coordinated by Ms. Alka Kumari, Ms. Sweta Kumari Barnwal, Dr. Arun Kumar Marandi, Prof. Arvind Kumar Pandey, Head of CS and IT Department. The aim of this Session was to make students aware about new concept of Information Technology concept around us. Total 150 participations have been received for this competition. The aim for such an interactive workshop was to present reports on all the research activities going Under the Information Technology in India. In this they have to show that, what would be the future of IT in India. Because IT is the common term that includes all forms of technology used to create, store, exchange and use information in various form. IT assists in arena of business, education and even healthcare. Awareness in IT will enable the students to gain more knowledge and education with computer literacy so the users can get more employment in this sector. The session was a One Day Program, students from CS & IT department and students from actively participated in the event.
