<b>No. Of Participant</b>	12

**Rangoli contest**

Department of Biotechnology and Optometry, School of Health and Allied Science organized Online Rangoli contest on 4th November 2021 as a part of Diwali celebration. Rangoli is a traditional form that brightens up an occasion and is believed to be harbinger of good luck. Rangoli Making has been an essential part of Diwali celebrations in our country. Although Diwali is a festival of lights, the Rangoli colours play a big role in bringing out the festive spirit during these celebrations. Therefore, to promote this traditional art form amongst our students this event was organised. In Rangoli making beautiful patterns are created on the floor using colored rice, flowers, colored sand or paints. Keeping up with this thought, the talent and creativity of the students will come out; therefore competition was organized on 4th November 2021, for all the students of Optometry and Biotechnology. Event was conducted successfully and participants were asked to submit their rangoli Pictures through email. Total 12 rangoli art work were presented, Mr. Sham Kumar from department of mass and communication was invited as Judge and has selected winners for the events, Miss Saumya Singh of B.Sc. Biotechnology got first Prize, Miss Neha Mahto of B. Optometry 3rd Year was awarded 2nd Prize and Miss Shobha Kumari of B. Optometry 3rd year was awarded 3rd.
