Company Pofile:

Capgemini is a global leader in partnering with companies to transform and manage their business by harnessing the power of technology. The Group is guided everyday by its purpose of unleashing human energy through technology for an inclusive and sustainable future.

Capgemini in India comprises over 143,000 team members working across 13 locations. We create opportunities for our colleagues to work on new-age technologies, along with the opportunity to travel internationally and work with the world's leading brands. Our +50-year growth story is built upon the workforce of the future, and we enable our talent to excel in their careers by focusing on continuous learning and up-skilling.

If you have the passion, the right skill, and the aptitude to work with new technologies, then Capgemini is the place to get the future you want in your career. We cordially invite engineers from all streams and branches to register and apply. Please refer to the eligibility guidelines given below.

Eligibility Criteria: –

- Candidates graduating in 2022 batch only
- Academic Qualification
    - MCA, BE / BTech (Open for all branches for both BE and BTech)

    - Should have 60% and above in Diploma, Graduation (aggregate of 7 semesters) and MCA (aggregate of 5 semesters)/ ME / MTech
- Candidate should not have more than 1 year of gap between academic milestone stages
- The academic milestone stages considered are X, XII, Degree and Post-Graduation
- Candidate should not have any gap within an academic milestone
    - Candidate appeared for XII twice, will be considered provided both the marksheets are available
    - Candidate taking 5 years Vs 4 years to complete BE / BTech
    - Candidate choosing Degree after Diploma should not have any gaps between Diploma and Degree
- Candidate should not have any backlog at the time of appearing for the process
- Must be flexible to relocate to any Capgemini location, work across technology, domain, role and should be ready to work in shifts if required.
- Should be open to sign Service Level Agreement at the time of joining
- Only shortlisted candidates will be invited for the test assessment / selection process
- Entire Selection process from test to interview will be done in virtual mode
- Candidates will be responsible for arranging required infrastructure for appearing for the selection process which will be conducted online
- Candidates who had already attempted Capgemini Campus 2022 assessment process will not be eligible to apply and will not be processed further

Our Assessment Process

Step 01 — Technical Assessment Pseudocode

Step 02 — Multiple Choice Questions-based English Communication Test

Step 03 — Game-based Aptitude Test

Step 04 — Behavioural Competency Profiling

Step 05 — Technical and HR Interview

*Only those candidates who have cleared test assessment (Step 1 to Step 3) will be invited for the interview.

The Behavioral Profiling module is for understanding the innate profile of the candidate, for which we will share a work style report with the students who complete the Behavioral Profiling module.

*<u>Please note receiving the Behavioural work style report does not confirm the clearance of test assessment</u>

## <u>You need to complete the registration by following the below steps:</u>
