VIRTUAL ORIENTATION PROGRAMME FOR B.TECH - BATCH 2020

ARKA JAIN
University
Jharkhand (Jamshedpur)

SCHOOL OF ENGINEERING & IT **Sarambh '20** INDUCTION PROGRAMME

2ND NOVEMBER

SESSION 1

- 10:00am - 10:05am Welcome to students - Mr. Ashwini Kumar, Asst. Dean, Department of Engg.
10:05am - 10:10am Virtual Lamp Lightening and Saraswati Bandana - Mrs. Purna Rai, Asst. Prof., Department of Engg.
10:10am - 10:20am Welcome song / Dance By students - Dr. Anupam Kumari Asst. Prof., Department of Engg.
10:20am - 10:30am Addressed by : The Honorable Vice Chancellor, Prof. (Dr.) S. S. Razi.
10:30am - 10:35am Addressed by : The Honorable Director, Mr. Amit Kumar Srivastav
10:35am - 10:45am Address by Guest of Honor, Dr H. K. Rai Professor & Head IPEC Ghaziabad.
10:45am - 11:00am Address of Chief Guest, Prof D. K.Singh, Director BIT Sindri.
11:00am Session 1 closure with Vote of thanks to dignitaries and National Anthem

SESSION 2

- 11:30am - 11:45am Virtual campus tour
11:45am - 11:55am Address by Asst. Dean, School of Engg & IT, Mr. Ashwini Kumar
11:55am - 12:30pm Faculty introduction & allotment of mentors to students.
12:30am - 01:15pm Rules & regulations.
01:15pm - 01:35pm Importance of plantation & adopt/plant a tree.
01:35pm - 02:00pm Instructions & information (query solving and or registration) on various activities

3RD NOVEMBER

- 10:00am - 10:30am Address by Mr. Arvind Pandey, Program Coordinator - (BCA , Bsc.IT & MCA)
10:30am - 11:15am "Human Values" session by Mr. Paras Nath Mishra, NSS coordinator.
11:15am - 12:00pm "Health & Hygiene" by Dr Ayush, Chief Medical Officer, Department of Medicine, TMH, Telco.
12:00pm - 12:45pm "Awareness of virus & diseases" by Dr Meena Chakraborty Assistant Professor,
12:45pm - 01:30pm Literary events

4TH NOVEMBER

- 10:00am - 11:00am "Stress Management" session by Dr Shalini Singh
11:00am - 12:00pm "Resume building & Time Management" by Dr Nitin Alok
12:00pm - 12:30pm "Socializing and building personal relations" with senior interaction.
12:30pm - 01:30pm Activities (Singing / Poetry / Debate)

5TH NOVEMBER

- 10:00am - 10:45am "Effective Communication & Personality Development" by Dr Manoj Kumar Pathak.
10:45am - 11:30am "How to work for placements" by Mr. Himanshu Kumar Sinha Placement head.
11:30am - 12:15am "5s Kaizen & safety" by Mr Parthendu Sarkar
12:15am - 01:15am Activities (Sudoku/ Rangoli/ T Shirt Painting/ Card Design/ Fancy dress)

6TH NOVEMBER

- 10:00am - 11:00am "Memory Technique" session by Mr Deepak Kumar
11:00am - 11:30pm Session by Dr Praveen Thakur, controller of Examination
11:30am - 12:15pm Contract tracing presentation and COVID awareness quiz
12:00pm - 01:00pm Activity (Collecting live Engg / photography / standup comedy)

7TH NOVEMBER

- 10:00am - 11:00am Yoga by Ms. Puja Kumari
11:00am - 12:00pm Solid waste management by Mr. Deepak Kumar Chief Environment officer,
KEC International, Delhi Metro Project.
12:00pm - 12:30pm Interaction with Parents
12:30pm - 01:30pm "Best out of waste" activity
01:30pm - 01:40pm Result of activities
01:40 pm Vote of thanks by Dr Anupam Kumari

INTRODUCTION

ARKA Jain University, School of Engineering & IT organized a 5 days induction program “**AARAMBH 2020**” for the fresh entrants to Engineering programs, in line with the AICTE requirements. The objective of this program was to acclimatize the students to the new environment and get them acquainted with the institution culture. The aim of the program was to give the students who are joining the college a bird’s eye view about various dimensions of engineering and the career opportunities for the engineering students and to acquaint them with the systems and procedures of the college, as also to give them an idea about anti ragging laws. The idea of such a programme came from the thought that one of the reasons for the disorientation of engineering students is sheer ignorance about their opportunities and the direction they have to move so as to become successful as engineering. In the absence of such a structured program, the students could be (mis) guided by the (sometimes) casual approach of their seniors towards studies, and most often by the deliberate miss information given by the seniors about the course and the approach to studies. The program aimed to give a proper orientation to the new students about the course, about engineering and about the future prospects as well as the methodology of learning to be adopted to be successful in life.

The speakers included a mix of internal and external resources. Following topics were covered in the induction program: yoga, motivation, communication, leadership skill, interpersonal skills, stress management, group dynamics and team building, time management, Examination Skills and New Dimensions of engineering. Dr. Prof. D.K singh, Director, BIT sindri, Dhanbad Jharkhand was the chief guest of the Program. Dr. Prof H.K Rai Head of mechanical department IPEC Gaziabad college was guest of honour of the program. The program started with virtual Lamp lightening , welcome speech by Prof (Dr.) S. S. Razi, Vice Chancellor an introductory address to Students by Prof. Ashwini Kumar (Asst. Dean, School of Engineering & IT).

A total of 150 students participated in this program which was conducted from 1st – 6th November 2020. Faculty and student volunteers from across programs worked extensively to ensure that the induction was well organized. The following report includes the schedule and brief notes on the various events conducted as part of the induction program.

DAY 1

Session 1: 10:00am – 11:00am

Session coordinator Ms. Prerna Rai

10:00am – 10:05am: Welcome to students

10:05am – 10:10am: Lamp Lighting & saraswativanadana

10:10am- 10:13am: Welcome song

10:13am – 10:20am: Speech by the Honorable Vice Chancellor, **Dr S. S. Razi**.

10:20am-10:35am: Address by honorable Chief Guest, **Prof D. K. Singh**, Director BIT Sindri.

10:35am-10:40am: Address by the honorable Director, **Mr. Amit Srivastav**

10:40am – 10:45am: Address by honorable Director (Campus), **Dr Angad Tiwary**

10:45am -10:50am: Address by the honorable Registrar, **Mr. JasbirDhanjal**

10:50am – 11:00am: Address by Guest of Honor, **Dr H. K. Rai** Professor & Head IPEC Ghaziabad.

11am: Session 1 closure with Vote of thanks to dignitaries and **National Anthem**

Session 2: 11:30am - 02:00pm

Session Chaired by Dr Anupam Kumari

11:30am – 11:45am: Virtual campus tour (*Mr. Kumar Shubham*)

11:45am – 11:55am: Address by Dean, School of Engg& IT, Mr. Ashwini Kumar

11:55am – 12:30pm: Faculty Introduction & allotment of mentors to students.

12:30am – 01:15pm: Rules & regulations. (*Mr. Syed Rashid Anwar*)

01:15pm – 01:35pm: Importance of plantation & adopt/plant a tree. (*Dr ChandraPrabhaSahu*)

01:35pm – 02:00pm: Instructions & information (query solving and or registration) on various activities

EVENT/ACTIVITY/SESSION

Importance of Plant: Grow your garden

Event Coordinator Name: Dr. ChandraPrabhaSahu, Mr. NivedanMahatoand Mr. Naresh Sharma

Speaker: Mr. NivedanMahato

Brief report: Aarambh 2020 is an Induction program for new students in Arka Jain University. The staff and students of B.Tech1st semester of all branch of Department of Engineering and IT organize an event of Importance of Plant/Tree to raise awareness and consciousness about environment among the masses. Tree plantation is not just something that should be done; instead, it is a necessity, the urgent need of the hour. Planting of trees is especially important to protect our environment against air pollution and global warming. The drive was a huge success, empowering students with substantial knowledge of environment and plants.

Contract tracing presentation and COVID awareness quiz

Event Coordinator Name: Dr. ChandraPrabhaSahu and Dr. Rahul Sinha

Speaker:Dr. ChandraPrabhaSahu

Brief report: COVID-19, which was initiated regionally at Wuhan of China, has become a global pandemic by infecting people of almost all the world. Human civilizations are facing threat for their survival and livelihood. No country are getting any substantial relief and solution from this pandemic rather to convince their citizens to make aware and taking precaution by changing their living style. In view of this, this study attempted to assess the awareness, threat, symptoms and its prevention among people of India about the COVID-19.

Aarambh 2020 is an Induction program for new students in Arka Jain University. On this program to aware more about the pandemic situation of COVID-19 to all our students, Department has organized “**COVID contract tracing and COVID awareness quiz**”.In this program, Presentation on COVID-19 has delivered to give the information regarding corona. In this presentation students learn about corona basic information of corona,incubation period, infected days, how corona leads to death, for whom it is fatal and how we take precaution for ourself and our society.

After this presentation we interacted with student with by quiz session and student are actively participated in this round. The winners of this event are as follow

Winner:

1. Priya Prabha
2. Simran singh
- 3.Manprit Singh

DAY 2

Session chaired by **Mr Kumar Shubham**

10:00am – 10:30am: Address by **Mr. Arvind Pandey**, Program Coordinator – (BCA , Bsc.IT & MCA)(*Dr Binod Kr Choudhary*)

10:30am – 11:15am: “Human Values” session by **Mr. Paras Nath Mishra**, NSS coordinator.
(*Mrs. Prerna Rai*)

11:15am – 12:00pm: “Health & Hygiene” by **Dr Ayush Kumar**, Chief Medical Officer, Dept of medicine, TMH, Telco. (*Mrs. Prerna Rai*)

12:00pm -12:45pm: “Awareness of virus & diseases” by **Dr Meena Chakraborty** (*Dr. ChandraPrabhaSahu*)

12:45pm – 01:30pm: Literary events (*Mrs. Prerna Rai / Ms. Geetika Kumari*)

Health & Hygiene

Speaker: Dr. Ayush Kumar

Event Coordinator Name: Ms Prerna Rai

Team Member: Mr. NivedanMahato

Speaker: Dr Ayush Kumar is the Senior Medical Officer, Department of Medicine, Tata Motors Hospital, Jamshedpur. He completed his medical degree in 2006 from Nalanda Medical College & Hospital, Patna, Bihar. He completed his DNB training in the year 2011 from Dept. of Medicine, Tata Motors Hospital. He also completed his Post-Graduation in Cardiac Emergency in 2020 from School of Medicine, Boston University. He has many research papers to his credit. He has also won couple of awards in academia. He has held various responsibility during his 9 year career in TMH (Tata Main Hospital) Telco.

Brief report: Health is the most important thing in our life, without which we might not be able to do anything with our full strength. Hence goes the saying “Health is wealth”. Over the past few years, our lifestyle has changed and we often tend to ignore the importance of healthy living in one way or the other. There are many factors which affect health which was discussed during the event by Dr Ayush. Ways in which we can improve our health at home and at workplace. For healthy living, a disciplined life is a must. You have to eat nutritious food and exercise regularly. Stay away from unhealthy habits like smoking and heavy drinking. It is also essential to keep the mind healthy by nurturing the right kind of thoughts and proper stress management. The importance of hygiene and the general hygiene practices which everyone should incorporate in their lives were informed to the students.

Human Values

Speaker:Mr Paras Nath Mishra

Event Coordinator Name: Ms Prerna Rai

Speaker: Mr Paras Nath Mishra is an Assistant Professor & NSS coordinator at Arka Jain University. He is has done double masters in Computer application and in Management. He has 12 years of experience in teaching. He is the president of Subhash Yuva Munch a popular NGO in Jamshedpur. He has received several honor for his social works.

Brief report: We are all humans in a world full of technology. But the use of technology should be done judiciously. Mr Mishra talked of how money and success are empty without values and satisfaction. To invoke our inner self we should do things which we believe in. When we help others we get a satisfaction which is unprecedented. He also talked about NSS and its core values on which it was established.

Awareness of Virus and Diseases

Speaker: Dr. Meena Chakraborty (Assistant Professor)

Event Coordinator Name: Dr. ChandraPrabhaSahu

Organized by: Department of Engineering, Arka Jain University Jharkhand

Team Member: Mr. NivedanMahato

Speaker: Dr. Meena Chakraborty has completed her PhD from CSVTUBhilai (C.G.). She has more than 18 years of teaching experience in the field of Chemistry. At present she is Assistant Professor in (Assistant Professor, Govt. Naveen College Bori, Dist.-Durg (Chhatisgarh)). She has published 11 papers, in a reputed Journal. She has qualified NET and SLET. She has worked on UGC sponsored project.

Brief report: Aarambh 2020 is an Induction program for new students in Arka Jain University. This event is organized for B.Tech of all branch. In this occasion to aware about virus and disease we have invited eminent speaker Dr. Meena Chakraborty to deliver the lecture on “Awareness of Virus and Disease. She has interacted with all the students and team of Department of Engineering and IT in virtual platform. She talks about viruses and how viruses are spread and effect on human body and other animal and birds, she has also given information about the vaccine and how it gives. She has explained how we all protect with these viruses and disease. The session was very effective and hope each one of us has learn many things and implement all protection level as much possible. We have received valuables feedback from the students.

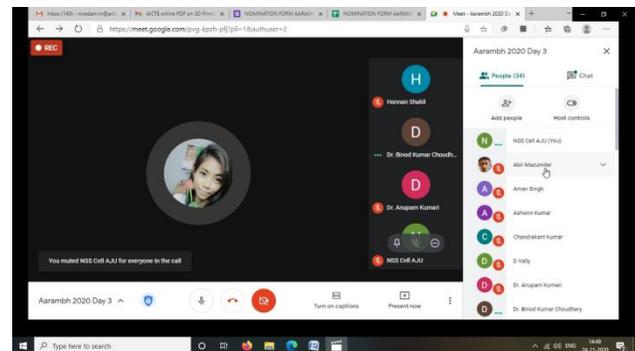

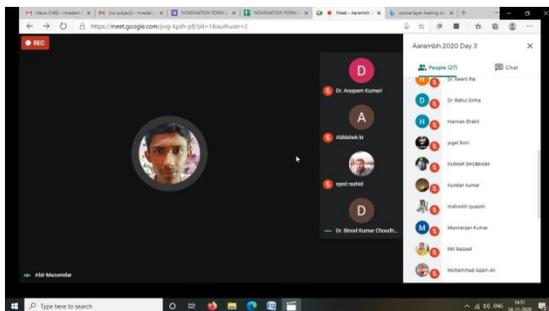

Literary Events

Brief Report: A quiz always increases knowledge and stirs curiosity. Literary events consisted of 5 sections. Each section representing a different vista.

1. Logo Recognition
2. Catchy Tagline
3. General Knowledge
4. Safety quiz
5. Technical quiz

There was enthusiasm among all the students and all of them participated in the event. Though many gave correct answers but according to fastest finger first, the first one to give the answer was considered. It also created an atmosphere of competition. The safety quiz increased awareness of traffic rules among the students while the general knowledge let their minds race. The general knowledge had 20 questions while other sections consisted of 10 questions. The maximum time given for each question was 30 seconds.

Winner: Abir Majumdar **Runner up: Mahwish Quasmi**

DAY3

Session Chaired by Mr Syed Rashid Anwar

10:00am – 11:00am: “Stress Management” session by **Dr Shalini Singh** (Dr Binod Kumar Choudhary)

11:00am – 12:00pm: “Resume building & Time Management” by **Dr Nitin Alok.** (Dr Binod Kumar Choudhary & Mr. Kumar Shubham)

12:00pm – 12:30pm: “Socializing and building personal relations” with senior interaction. (Mr. Kumar Shubham)

12:30pm – 01:30pm: Activities (Singing / Poetry / Debate) (Mr. NivedanMahato)

SINGING COMPETITION

All the singers, it is time to pull up your socks as solo singing challenge is coming your way. You have the chance to exhibit your singing skills.

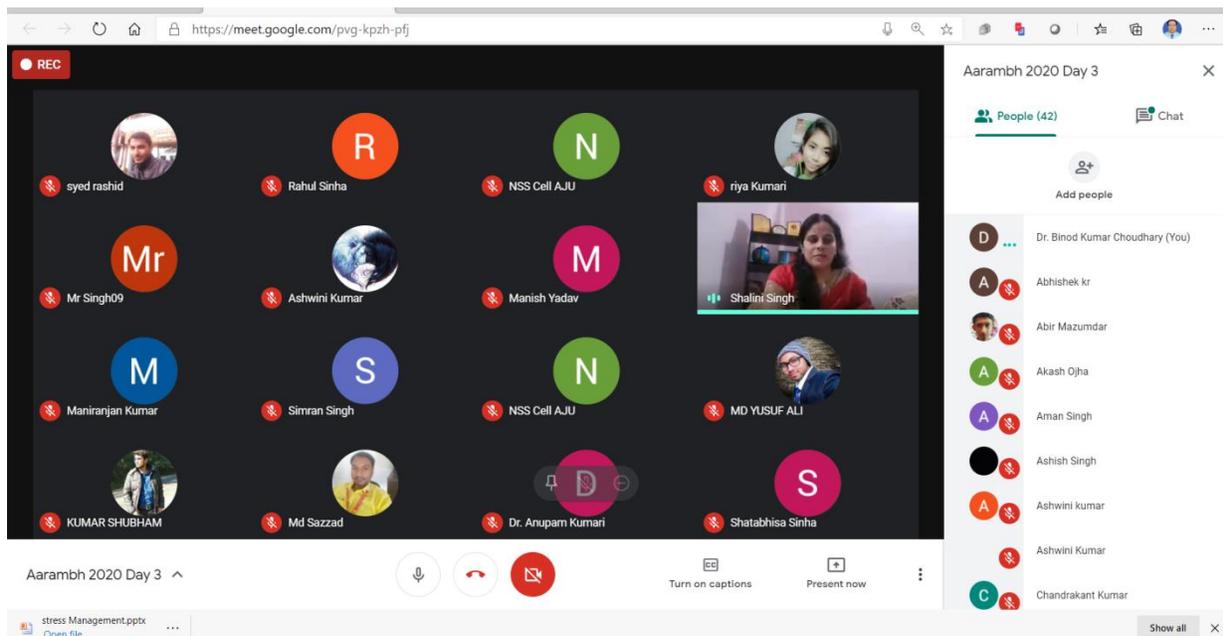

- Participants are required to submit a Solo Singing competition registration before the registration deadline.
- Time allotted for each performance is 2-3 minutes.
- Participants will not be allowed to refer to the lyrics while singing.
- The participants will be judged on the song selection, voice quality, clarity, rhythm and their appeal to the audience.
- The participants should bring their own musical instruments if required in the performance.
- Choice of song is open to the participants but the song should not have any slangs or derogatory language.
- A certificate of participation will be presented to winners.
- The Judge's decision is final

Co-ordinator: Dr Binod Kumar Choudhary

DAY 4

Session chaired by Dr. Binod Kumar Choudhary

10:00am – 10:45am: “Effective Communication & Personality Development” by Dr Manoj Kumar Pathak. (Mrs. Prerna Rai)

10:45am - 11:30am: “How to work for placements” by Mr. Himanshu Kumar Sinha Placement head. (Mr. Syed Rashid Anwar)

11:30am – 12:15am: “5s Kaizen & safety” by Mr. Parthendu Sarkar (Mr. Kumaresh Pal)

12:15am – 01:15am: Activities (Sudoku/ Rangoli/ T Shirt Painting/ Card Design/ Fancy dress) (Md Sazzad)

Effective Communication & Personality development”

Speaker: Dr. Manoj Kumar Pathak

Event Coordinator Name: Ms Prerna Rai

Team Member: Mr. NivedanMahato

Speaker:Dr. Manoj Kumar Pathak is an Assistant Professor of English at Dept. of English, Arka Jain University, Jamshedpur (Jharkhand) and a multi-lingual poet, editor, reviewer and translator. He has his doctoral degree in English literature. His research and academic interest lies in Indian Fiction, Aesthetics of Narratives, Post-colonialism, Indian Philosophy and Literature, Nation and Nationalism in India, Youth and Education, Communication Skills, Personality Traits and Cultural Studies. He has a teaching experience of nearly 15 years.

Dr. Pathak has 10 books of self-composed poetry to his credit in 6 languages. He has several publications in International and National reputed journals and hundreds of poems and articles in news dailies, magazines and news letters. He has presented at least 15 papers in International and National Conferences and Seminars and has been invited for expert talks on several platforms.

He has twice been invited to deliver lecture on Indian Poetry and Contemporary Indian Literature by Dhaka University, Bangladesh and Nandini Pathchakra, Dhaka, Bangladesh, an international literary forum. He is presently, engaged with translating Tagore's *Geetbitan* and along with that he is compiling his 11th book of poems which would be his third anthology of Urdu Ghazal.

He has been editing an International Journal of Art, Culture, Language & Literature *The Challenge* for the last 17 years. Furthermore, he has been associated with All India Radio, Jamshedpur for the last 19 years to broadcast his self composed poems and deliver talks on literary themes.

Brief report: Communication is to share any idea feeling thought view opinion or message to make it effectively done, one should develop skills. Personality development requires a thorough, honest and professional study of the self to project the self in an impactful manner. Various verbal and non verbal communication and their examples were discussed. The best practices which should be adopted was also advised upon. Communication skills and personality traits are complimentary to each other. And ways how we can develop both was conveyed. The session was praised both by the students and faculty alike.

5S, Kaizen & Safety

Speaker: Mr. Parthendu Sarkar

Event Coordinator: Mr. Kumaresh Pal

Organised by: Dept. of Engineering, ARKA JAIN University, Jharkhand

About Speaker: Mr. Parthendu Sarkar did his Diploma in Engineering in Mechanical Engineering from M/S TELCO (Batch-1986) & Bachelor of Technology in Mechanical Engineering from N.I.T., Jamshedpur (formerly R.I.T.) (Batch-1997). He retired as Manager from TATA MOTORS, Jamshedpur in 2014. He basically has an industrial experience of around 34 years & academic experience of 6 years. Presently he is working as Senior Faculty in TATA STEEL Technical Institute (NTTF) from 2014.

Brief Description of Event: Aarambh 2020 is an induction program for newly admitted students in ARKA JAIN University. This event was organized for B.Tech students of all branches. With this event students got acquainted with new terms like 5S & Kaizen. They came to know about the path towards a “5S” housekeeping methodology as a part of continuous improvement processes. And also about Kaizen which is a great option for many facilities, especially those that don't have set standards for how each process should be handled. Our day today facilities have unique safety challenges because hazards and incidents affect more than just the people on the workplace. Practicing good safety measures is the best way to ensure a smooth-running operation that has the best interests of students & faculties. Safety works hard to prevent workplace hazards, including chemical exposures, poor ergonomics, and physical hazards so that business can continue as normal with no interruption to production.

How to work for Placements

Speaker: Mr. Himanshu Kumar Sinha (Placement Head, Arka Jain University)

Event Coordinator: Syed Rashid Anwar

Team member: Mr. Maniranjana Kumar, Mr. Kuldeep Sahu

About Speaker: Mr. Himanshu Kumar Sinha is currently the head of Placement Cell at Arka Jain University and has more than 22 years of experience that includes 18 years of Industrial experience, and more than 4 years of experience in the field of campus placement. He has completed his MBA from NMIMS, Mumbai, India.

Brief Report: AARAMBH 2020 is an annual induction programme organized for new students in Arka Jain University. The event was organized for the B.Tech students of all branches. In order to provide an insight about the placement and job opportunities, we invited Mr. Himanshu Kumar Sinha to deliver a talk on the topic “how to work for placements”. He welcomed the students and informed them about the guidelines regarding the preparations and processes that goes in a placement session. He also motivated and encouraged the students to thoroughly prepare for their branch subjects and also keep an update about the current affairs through newspapers and magazines. The session was very nicely conducted and students got some valuable points from this session.

T-SHIRT PAINTING COMPETITION

Rules & Regulations

1. This is a single participant online event
2. Only plain white T-shirts with minimum of 'M' size are allowed.
3. Participants shall bring their own materials like t-shirt, fabric or acrylic paints, Glitters, brushes, mixing plate, pencil, pen, and eraser.
4. Use of any other materials or ready-made stickers is strictly prohibited.
5. Participants shall not be allowed to use any photographs for reference.
7. Any sort of tracing or copying is not allowed
8. The art work should be relevant to the theme, which will be given on the spot.
9. Duration of the competition shall be of 1 hour
10. Decision of the judges shall be final and abiding.

Judging will be based on:

- Creativity
- Flow of Design
- Visual Impact
- Color Scheme
- Quality of Application
- Effective conveying theme message

Theme

- Happiness is when what you think, what you say, and what you do are in harmony
- Peace is its own reward – Mahatma Gandhi
- Digital India
- Swach Bharat Abhiyan
- There is no path to peace. Peace is the path.

T-SHIRT PAINTING COMPETITION

Rules & Regulations

1. This is a single participant online event
2. Only plain white T-shirts with minimum of 'M' size are allowed.
3. Participants shall bring their own materials like t-shirt, fabric or acrylic paints, Glitters, brushes, mixing plate, pencil, pen, and eraser.
4. Use of any other materials or ready-made stickers is strictly prohibited.
5. Participants shall not be allowed to use any photographs for reference.
7. Any sort of tracing or copying is not allowed
8. The art work should be relevant to the theme, which will be given on the spot.
9. Duration of the competition shall be of 1 hour
10. Decision of the judges shall be final and abiding.

Judging will be based on:

- Creativity
- Flow of Design
- Visual Impact
- Color Scheme
- Quality of Application
- Effective conveying theme message

Theme

- Happiness is when what you think, what you say, and what you do are in harmony
- Peace is its own reward – Mahatma Gandhi
- Digital India
- Swach Bharat Abhiyan
- There is no path to peace. Peace is the path.

Memory Techniques

Speaker: Mr. Deepak Kumar

Event Coordinator: Mr. Kumaresh Pal

Organised by: Dept. of Engineering, ARKA JAIN University, Jharkhand

About Speaker: Mr. Deepak Kumar has done his Diploma in Engineering from Nettur Technical Training Foundation (NTTF), Jamshedpur in Tool & Die. And Bachelor of Technology from KIIT University, Bhubaneswar. Presently he is working as Head of Department in Mechatronics department & subject expert of Robotics in TATA STEEL Technical Institute (NTTF) from 2014. He is also a gold medalist in International QCC Competition. Also he worked as shopfloor Incharge in Electropneumatics& Hydraulics Ltd., Pune.

Brief Description of Event: Aarambh 2020 is an induction program for newly admitted students in ARKA JAIN University. This event was organized for B.Tech students of all branches. With this event students got to learn important techniques/ methods & interesting tips to increase their memory power. Students explored the common features of well-used memory techniques that will help them to choose the most effective strategy for future. There are basic three memory technique principles: Image clues, Storytelling strategies & Spatial systems. Students can get an extra memory boost by choosing a setting that relates to their subject matter that they need to remember.

Collecting live Engg.

Rules & Regulations

1. This is a single participant online event
2. Event Model may be prepared on Chart Paper, Thermocol and any other material required.
3. Model may be prepared before or within event time limit.
4. Model should be presented with explanation within event time limit.
5. Participants shall bring their own materials.
6. Any sort of copying is not allowed.
7. The art work should be relevant to the theme.
8. Duration of the competition shall be of 1 hour.
9. Decision of the judges shall be final and abiding.

Judging will be based on:

- Innovative idea
- Explanation
- Presentation

Theme should be based on

- **Civil Engineering Engg.**
- **Electrical and Electronics Engg.**
- **Computer Science Engg.**
- **Mechanical Engineering.**

DAY 6

Session chaired by Dr ChandraprabhaSahu

10:00am – 11:00am: Yoga by **Ms. Puja Kumari**(*Mrs. Prerna Rai*)

11:00am-12:00pm : Solid waste management by **Mr. Deepak Kumar Chief Environment officer, KEC International, Delhi Metro Project.**(*Ms. Shatbhisha Sinha*)

12:00pm – 12:30pm: Interaction with Parents(*Mr. NivedanMahato*)

12:30pm -01:30pm: “Best out of waste” activity(*Ms. Shatbhisha Sinha*)

01:30pm- 01:40pm: Result of activities(*Mrs. Prerna Rai*)

01:40pm: Vote of thanks by Dr Anupam Kumari

Yoga

Speaker:Ms Puja Kumari

Event Coordinator Name: Ms Purna Rai

Team Member:Dr Binod Kumar Choudhary

Speaker:Ms. Puja Kumari is a yoga instructor and director of A. R Institute of Yoga & Science. She is also Yoga Therapist & Biotechnologist. She has knowledge of acupuncture. She is 3rd topper during her PGD course in Agri Business Management from XLRI in the year 2017.

Brief report: Practicing yoga has numerous benefits. It improves our concentration and helps us channelize our energy. During this session Ms Puja Kumari showed the students many yoga poses which helps in concentration. She also demonstrated the 12 poses of pranayam. She along with the poses gave tips on breathing techniques used during the yoga.

Solid Waste Management

Speaker: Mr. Deepak Kumar, Chief Environmental Officer, KEC International

Event Coordinator Name: Ms. Shatabhisa Sinha

Team Member: Dr Binod Kumar Choudhary

About the Speaker: Mr. Deepak Kumar is presently working as a Chief Environmental Officer for KEC International (Delhi Metro Project).

Mr. Kumar owns a Master Degree in Environmental Science and Technology from BHU Varanasi and an International General Certificate in Occupational health and Safety, NeBOSH from British Safety Council, London. He also has a Diploma in Industrial Safety from Annamalai University. Mr. Kumar has had a decade long working experience and has been associated with reputed organizations like Tata Projects Ltd., Larsen & Toubro Ltd., etc. He has also been a visiting faculty of Regional Labour Institute, Faridabad for Construction Safety.

Mr. Kumar has various certificates to his credit such as the Internal Lead Auditor for ISO 14001 and ISO 45001, Lifting Safety Expert from P.One, Singapore. He has received the 'Certificate of Appreciation' from Delhi Metro Rail Corporation for his contribution in the IGBC Certification and also the MD Award for 'Best Environmental Practices' from Delhi Metro Rail Corporation. He keeps delivering expert talks on several platforms.

Brief Report:

Aarambh 2020 is an Induction Program for the new students of ARKA JAIN University. This event is organized for B.Tech students of all branches from 1st November, 2020 to 7th November, 2020. The session on "**Solid Waste Management**" was conducted on 7th November, 2020 from 11.00am -12.00 Noon. The speaker gave informative and illuminating lecture with very useful content stating some valuable facts.

We learned the influence of Socio-economic factors in Waste production, the various Points of Contact through which Solid Waste can harm us. Mr. Deepak Kumar explained about the harms of Leachate Production which occurs due to improper collection and disposal of waste and can result in organisms unknowingly consuming heavy metals. He stated some useful facts regarding the alarming effect of Plastic Ocean which occurs due to disposal of Plastics in water bodies and the marine animals consuming then resulting in death. He informed us about the various models of Waste Management and how the World is handling the issue of Solid Waste so that we can learn from those and try to stand a place with regard to other countries in Waste Management as Waste Management has been a problem as long as people are living in residential areas.

The session was very informative and valuable not only for students but also for faculty and officials too. Total participant attending the session was 40 including faculty members.

BEST OUT OF WASTE COMPETITION

“REGARD BEFORE YOU DISCARD”

Brief Report: With the growing increase in wastes in our society from households to industrial wastes, we now require a very innovative approach to get rid of them. Recycling and reusing the valuable waste material can result in development of fantastic and usable products. Rather than putting these waste materials into the landfills, various innovative and creative ideas can be put together to bring something new and useful. Everyday Wastes such as plastic, glasses, newspapers or electronic are not only waste of limited resources but also are harmful to the environment. This event is to bring such ideas to students and to help them think themselves on such ways of reusing everyday materials that will not only reduce the waste but provide them with useful household products. The idea will not only be of economic and material value for students, but will be helpful in creating environmental consciousness among them that is the need of the hour.

PROBLEM STATEMENT: - STUDY TABLE ACCESSORIES

Think Tank:

Pen stand, Lamp, Flower pot, Photo frame, Show piece, Mobile stand, Calendar, Paper weight, File rack, Table Clock, Candle Stand.

It is a Single Participant Online Event.

Rules:

1. Participants shall prepare a short video showing the item prepared and submit the same. Each participant will be given 2 minutes of time to present their creativity.
2. The required waste material and stationery like scissor, thread, etc. should be brought by the participants.
3. Waste material could be anything like tetra packs, bottles, newspapers, old utensils, jute material or any second-hand items that otherwise would be thrown away.
4. The material would be rejected if not found to be a waste product or second-hand item.
5. No ready or semi-finished model or matter would be accepted from participant in competition.
6. Participants will be judged on Creativity, Utilization of Resources, Artistic composition & design, Eco-friendly rating, Utility of the Product and Overall Presentation.
7. The decision of the judges will be considered final and abiding.

Induction Program Report

"Well begun is half done..." You cannot be great at the start, but you have to start to be great. So making a beginning is important. "ARABH-2020" will help you set your feet, before beginning a more arduous journey towards your engineering career.

Day 1, Ms. Bena Rai happens to be our session coordinator for the first half of our induction program. The program begins sharply from 10:00am followed by welcome to students speech by Mr. Ashwini Kurar, Asst. Dean, Department of Engg. Then around 10:10 am virtual lamp lighting ceremony and Saraswati Mandana happened which was totally a new experience because of the virtual environment. Next speech by the Honorable Vice Chancellor, Dr. S.S. Razi, which was quite a motivating speech for the upcoming engineering journey, followed by the speech of Honorable Chief Guest, Prof. D.K. Singh, Director of BIT Sindri, which I guess have made a strong impact on everyone's mind. Then around 10:55 am the induction program was being led by honorable Director (Campus)

Dr. Anand Limary. Finally Session 1 of day 1 ended with words of Thanks.

Dr. Anupam Kumari happens to be our Day 1 Session 2 coordinator for the second half of the program. Session 2 begins with the Virtual Campus tour of our university and it was very beautiful. Around 11:50 am Mr. Ashwari Kumari motivated us with his inspiring speech followed by the introduction and interactions with our various faculty members. Then Dr. Shreera Brahma Sahu took us through the importance of plantation of trees and encouraged us to plant trees. So this is how entire day 1 spent happily.

Day 2 of "AARAMBH" session was chaired by Mr. Kumar Subham. Day 2 begins with words from Mr. Anand Pandey, Program coordinator - (BCA, B.Sc IT & MCA). Then sharply at 10:30 am Mr. Pooja Nath Mishra, NSS coordinator guide us through the "Human Values" program which in sure was one of the most important and valuable event of the entire induction program. Next day 2 continues with Chief Medical Officer, Dept. of Medicine, TMH, Telco Dr. Ayush Kumar who throws light on "Health & Hygiene" which in terms today's date is very important and his contents were very informative. Next "Awareness of virus and diseases" by Dr.

Meena Chakraborty which in turn in today's date was very important for know and really helped us to bust out the myths and grab the facts related to virus and diseases. From 12:45 pm we all witnessed and participated in the literary events which was a great fun too end day 2 with a smile.

Mr. Syed Rashid Arwar happens to be our Day 3 coordinator of the induction program. Day 3 begins with "Stress Management" session by Dr. Shalini Singh this session turns out to be the valuable session of all. From 11:00 am Dr. Nitin Akh guide us through the importances of "Resume building & Time Management" and showed us various skills and tactics too write a good resume, as well as shed light on the importance of Time Management. Next we had a one on one interaction with our seniors from various branches of the department and it was quite a fun too meet with our seniors.

Dr. Binod Kumar Choudhary was our Day 4 session. Day 4 "ARAMBH" with "Effective communication & personality development" by Dr. Manoj Kumar Rathak, this event again was very important regarding our future prospect. Next we encounter one of the most serious event of "ARAMBH" i.e. "How to work for placements" by Mr. Himanshu Kumar Sinha placement head and truly he guide us through the placement process very briefly. At last Day 4 ended with activities like Sudoku/

Rangoli and sand design.

Day 5 of "AARABH" was chaired and coordinated by Prof. Nivedan Mahata. The day begins with "Memory Technique" session by Mr. Deepak Kumar and indeed this session contents are still fresh in our mind because of his memory ~~tech~~ retaining technique. Next we encounter the session by Dr. Bhanu Shankar, controller of Examination who in turn make us understand the various credit system and stages of examination. At 11:30 am a quiz related to social awareness and content training was conducted.

The last day of "AARABH" i.e. Day 6 was co-ordinated by Dr. Chandraprabha Sahu. The day begins with yoga practice on virtual platform by Ms. Lujia Kureari. Then at 11:00 am we witnessed one of the best session by Mr. Deepak Kumar Chief Environment officer. Mr. Deepak spoke very well regarding the topic of "Solid waste management". Next we had an interactive session with our parents and the faculty members, where they ask few questions regarding the working of the University. Lastly the results of the activity were being declared followed by vote of thanks and ending up the induction program with our national anthem.

Report Induction Programme

Name - Jasmine Khanjal

Branch - CSE

Enrollment no - 200863

The induction programme was brought in with a view to uplift the level of the entrants to an elevated stage, promote all-round development and exposing learner's stigmas to minimize and to maximize their learning. Learners come with diverse thoughts, backgrounds and perceptions. Hence, it becomes important to help them adjust to the new environment and inculcate the ethos of the institution with a sense of larger purpose.

The induction programme has been proved to be fun mingled educational activity of adapting motivation and resource to the procrastinated educational goals. The interaction with the induction programme equipped entrants not only with the boost to their educational pursuits but also with the virtual activities and work culture.

The main objective of the institution is to set goals and try to achieve all things of life, to ensure happiness in life and to set time management.

The induction programme began with the virtual lamp lighting followed by the speech from various people of the University.

The induction programme was followed by the orientation programme which aimed to enhance student's familiarity with the faculties. The virtual tour of the campus was held. With the fresh exposure the students were exposed to the milieu of the institution with zeal and enthusiasm.

In the orientation programme, the activities were also held like literary events, singing, dancing, debate, etc. There were sessions about stress management, human values, Memory techniques, etc.

With the cooperation of the students and the faculty members the Induction programme was held very well. The total involvement of deputed faculties actively engrossed in various responsibilities of induction programme. That facilitated to motivate the entrants to stir like a sugar in water of institutional activities.

Students were made aware of the rules and regulations of the University and also about multidisciplinary areas and their developments and developed ability to transcend from
