Best Out of Waste

This event was organised by the Department of MBA SCOM on utilising the power of one's mind to create best out of waste. The session was conducted and coordinated by Ms.Sonal Shrivastav and Dr. Urvashi Thakur. The session was conducted to create awareness about the benefits recycling waste and to utilise it to create something, which has value of use, aesthetic and creativity. It also tested the student's focus and confidence - to be able to create products of value in the given time duration and also allowed students to practically test their team spirit and group initiative. The students participated with keen interest and zest. The event was judged by two faculty members- Mr.Mukul Pandey, faculty MBA and Dr. Basanti Hembrum, faculty BCOM. The participating teams were judged on the criteria of creativity, innovativeness and neatness and felicitated with certificates.
