

## Report on Workshop on Synopsis Writing

Held on 15<sup>th</sup> November 2021

<b>Date of Event</b>	15.11.2021
<b>Name and Type of Event</b>	Workshop on Synopsis Writing
<b>Conducted by</b>	Dr. Sonia Riyat
<b>No. Of Participant</b>	15

'Synopsis Writing' is an art that could be developed by making the scholars aware of the basic rules of research methodology. Defining the 'right problem' and setting the 'objectives' clearly are as important as writing an effective 'title' of the study. To develop the research writing skills, an effort was made to involve the Ph.D Scholars in the 'Workshop on Synopsis Writing'. It was organised online at Google Meet Platform on November 15, 2021 for the Ph.D Scholars of 2020 Batch. The research scholars of all the departments had attended the workshop.

To know the areas of interest in research work, a questionnaire was distributed amongst the participants one day before the scheduled date of the workshop. Based on the responses received, Dr. Sonia Riyat, the resource person of the workshop examined the objectives of the study of the participants and suggested for the improvements wherever it was required. All the participants got an opportunity to clarify their doubts on writing the synopsis. It was a very interactive session.

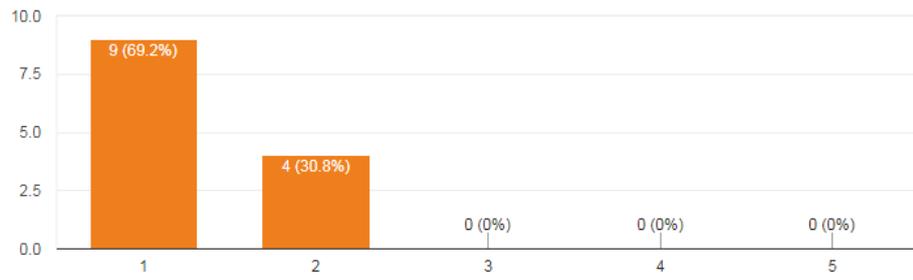

**Outcome (Feedback and Reactions to the Event including Press Coverage, in any specifying name of the newspaper, date and day of the coverage)**
