INTRODUCTION

Established in 2017, ARKA JAIN University, Jharkhand is the first private University of Jamshedpur. We currently offer 2-year full time P.G. programs like MCA, MBA and Full Time Under-graduate courses like: BBA, B.Com, BCA, B.Sc.(IT), BA (Economics), BA (English), BA (Fashion Designing), B.Pharmacy, BBA (LLB), B.Tech. & Polytechnic Courses, etc.

Our department mainly offers MCA, BCA, &B.Sc(IT) courses in collaboration with some very prestigious bodies.

The objective of this program was to familiarize the students to the new environment and get them accustomed with the culture of the University. The induction program comprised of interesting activities like motivational movies screening and review, talent hunt, social sensitization through poster making, team building activities, expert lectures, and debate and campus orientation sessions. The rationale for induction was to ensure a smooth transition for the students into the University system.

A total of 240 students participated in this program which was conducted from 01st October – 07th October 2021. Faculty and student volunteers from the department worked extensively to ensure that the induction was well organized. The following report includes the schedule and brief notes on the various events conducted as part of the induction program.

SCHEDULE

October 01st, 2021(Friday)	10:00 -10:10	Welcome Note by Prof. Arvind Kumar Pandey
	10:10 - 10:15	Virtual Lamp Lighting & Saraswati Vandana
	10:15 - 10:20	Welcome Song/ Dance by BCA Student
	10:20 - 10:25	Motivational Video by Ms. Divya Paikaray, Assistant Professor
	10:25 - 10:35	Address by the Hon'ble Vice-Chancellor-AJU, Dr. S. S. Razi
	10:35 - 10:50	Address by Honourable Chief Guest , Dr. M.P. Singh, NIT Patna
	10:50 - 11:00	Address by the Director,Mr.Amit Srivastava.
	11:00 - 11:10	Address by Mr. Jasbir Dhanjal, Registrar, AJU
	11:10 - 11:20	Glimpses of AJU by Ms. Divya Paikaray, Assistant Professor
	11:20 - 11:30	Address by Dr. Angad Tiwary, Dean – Student Welfare, AJU
	11:30 - 11:45	Faculty Introduction-Ms. Alka Kumari, Assistant Professor
	11:45 - 12:05	Brief about Course-Scheme of Study, Mr. Akash Kumar Bhagat, Assistant Professor
	12:05 - 12:15	Various Clubs of the University by Ms. Divya Paikaray, Assistant Professor
	12:15	National Anthem-Closing Day1- Prof. Arvind Kumar Pandey
October 02nd, 2021(Saturday)	10:00 - 10:30	"Carrier Build up In the Field of Computer Science" by Mr. Shivendra Shrivastava, Techno Functional Analyst, Oracle
	10:30 - 11:15	"Latest and Cutting Edge Technologies"by Mr. Sachchidanand Kumar, Senior Data Scientist and AI Developer , Tata Steel
	11:15 -12:00	"Image Classification using Machine Learning" by MS. Jyoti Nagpal, Ph. D. Scholar , NIT Jaipur
	12:00-12:05	National Anthem-Closing Day 2- Event Moderator
October 4th, 2021 (Monday)	10:00 - 10:30	"Rules and Regulation of AJU" by Prof. Arvind Kumar Pandey, Head, CS & IT
	10:30 - 11:30	ID Card Distribution and Registration Process-Registrar Office, Campus
	11:30 -12:00	"Fun Event-Ball in the Pot" by Dr. Arun Marandi, Ms.

		Sweta Kumari Barnwal, Ms. Sneha Kashyap
	12:00-12:15	Overview on NCC Club- Prof. Arvind Kumar Pandey, Head, CS & IT
	12:15	National Anthem-Closing Day 3 Event Moderator
October 05th, 2021 (Tuesday)	10:00 - 10:30	"Moral Ethics of New Education System" by Prof. H.P. Shukla, Ex. Principal of S.P. College Jamshedpur
	10:30 - 11:15	"Edge Computing and Machine Learning" by Mr. Kushall Pal Singh, Ph. D. Scholar , NIT Jaipur
	11:15 -12:00	"Talent Hunt" by Ms. Divya Paikaray & Alka Singh
	12:00-12:15	Overview on NSS Club-Prof. Paras Nath Mishra
	12:15-12:30	Overview on Literary Club- Dr. Rupa Sarkar
	12:30	National Anthem-Closing Day 4 Event Moderator
October 06th, 2021 (Wednesday)	10:00 - 10:30	"Super Senior se CHARCHA" by Ms. Prabhawati Sharma, Accenture
	10:30 - 11:00	"Technology Use with Responsibility" by Prof. Arvind Kumar Pandey, Head, CS & IT
	11:00 -11:45	"Alternative Fuels for Environmental Sustainability" by Mr. Rahul Gautam
	11:45-12:15	"Engineer Your Mind" by Navneet Nilendra
	12:15-12:45	"Online Quiz"-Dr. Arun Marandi, Ms. Sweta Barnwal, Ms. Sneha Kashyap
	12:45-1:00	Overview on IT club-Mr. Akash Kumar Bhagat
	01:00	National Anthem-Closing Day 5- Event Moderator
October 07th, 2021 (Thursday)	10:00 - 10:30	"SAMVAAD-An interactive Session with the Parents
	10:30 - 11:15	" Poster Presentation on Impacts of Corona in Everyone's Life" by Ms. Ritu Sharma
	11:15 -11:45	"Human Values and Realisation" of Our Responsibilities for the Evolution of the Society" by Dr.Jyotirmaya Sahoo, Dean-School of Pharmacy
	11:45 - 12:15	Feedback from Students
	12:15	National Anthem-Closing Day 6- Event Moderator

EVENT DETAILS

DAY 1

➤ INAUGURAL FUNCTION

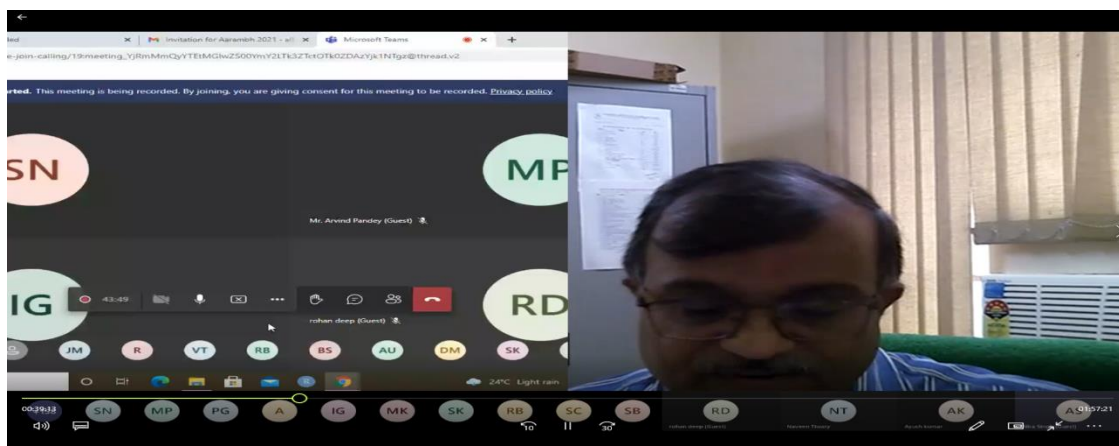

The week long orientation program commenced on 01st of October 2021 on a virtual platform to welcome the newly admitted fresher's of BCA .Day one of the program was hosted by A.S. Sithalakshami, student of BCA final year. The event began at 10 am with a welcome note by Prof. Arvind Kumar Pandey, HOD CS & IT. The inaugural ceremony of Aarambh 2021 was performed with the Saraswati Vandana by Richa Kumari, student of BCA final year. After this Ms. Divya Paikaray showed a Motivational video to the students. After this the honorable Vice chancellor Prof. Dr. S.S. Razi sir has addressed the freshers. This was followed by a short session by the chief guest Dr. M. P. Singh, NIT Patna spoke to the students. He has 15+ years of experience at NIT Patna. His research interest areas are Data Networks, Wireless Sensor Networks, Machine Learning and Web Security. This was followed by addressal of Mr. Amit Kumar Srivastav, Director, AJU, Mr.Jasbir Dhanjal, Registrar ,AJU and Dr Angad Tiwary ,Dean Student Welfare ,AJU. Then came the time for the freshers to know and meet the faculties of CS and IT department virtually and know about the Scheme of Study and specialization courses and various clubs of the University. Ms. Divya Paikaray gave a glimpse of AJU through a short video and also briefed about various clubs of the university. After this, Ms. Alka Singh introduced the faculty members of CS and IT department to the students. Then there was a briefing about course and scheme of study by Mr Akash Kumar Bhagat. The event came to a close at 12: 15 pm with the brief of upcoming days sessions, vote of thanks by HOD sir followed by the national anthem. The program was coordinated by Ms. Divya Paikaray, Ms. Alka Singh and Mr. Akash Kumar Bhagat.

➤ WELCOME PHASE

To mark the beginning of the academic year and Induction Program, Dr. S. S. Razi, the Vice-Chancellor, inaugurated the program. He emphasized the importance of core values i.e. dedication, discipline. He also emphasized the importance of excelling the knowledge of Computer Science and Information Technology into application for the betterment of the society. Having given the warm welcome to the students, he appealed the students to utilize maximum resources at the most of their capacity for academic enhancement. The inauguration function ended up with the vote of thanks by Prof. Arvind Kumar Pandey.

➤ Address by Chief Guest

A short session taken by the chief guest, Mr. M P. Singh, NIT, Patna who shared his valuable thoughts and motivated the students. The session was very interactive and informative. He discussed about new technologies and their implementations on day-to-day life. The students were very much impressed by the speaker and his way of explaining the topics.

➤ Schedule of the Induction Program

The schedule of the Induction program was discussed by Mr. Arvind Kumar Pandey. He explained the details of the events to be conducted on daily basis. Mr. Arvind Pandey explained the need of Induction/Orientation program when students have to adapt to transition from school to university life.

The students were explained with the following needs that may be covered during the induction program for the betterment of the students:

1. To know about academic and social issues.
2. To help understand the academic environment.
3. To help recognize skills required to do well.
4. To generate interest in respective areas of study.
5. To make feel confident about the future.
6. To develop belongingness.
7. To provide information about different kinds of help.
8. To help develop friendship.
9. To get familiar with the campus life.

➤ Introduction of Teachers

All the faculty members of the department were introduced to the new students. Ms. Alka Singh introduced all the faculty members with the help of a PowerPoint presentation which was used to show the details of the faculties.

➤ Motivational Video

An inspiring video was shown to the student by Ms. Divya Paikaray which explained a story that how to face any problem or failure and achieve the goal.

➤ Overview of Clubs

Ms. Divya Paikaray has discussed about various Clubs such as Literary Club, Rotaract ,NCC, IT and many more and also urged student to join anyone of them.

➤ Scheme of Study

Mr. Akash Kumar Bhagat discussed the complete Scheme of Studies with the new students. Few students had queries about few subjects which was very well explained to the satisfaction of the students.

DAY 2

➤ MOTIVATIONAL SPEECH – CARRIER BUILD UP IN THE FIELD OF COMPUTER SCIENCE

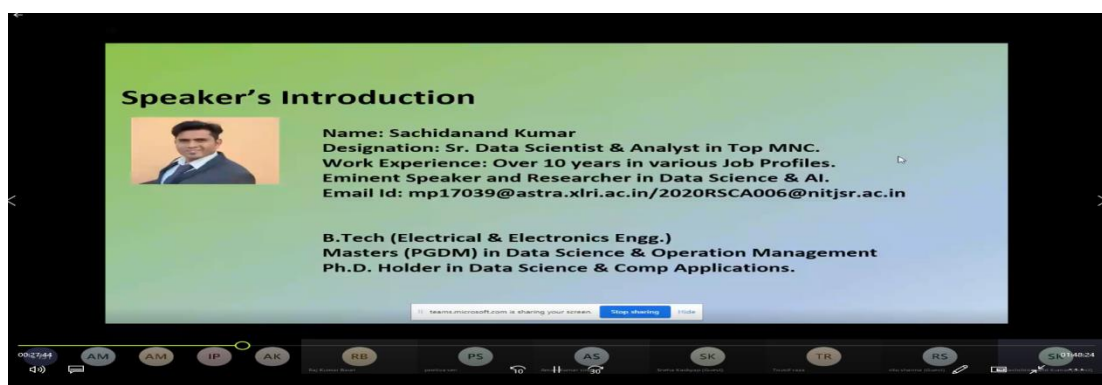

The week long orientation program was commenced on 01st October 2021 on a virtual platform Microsoft Teams to welcome the newly admitted fresher's of BCA. The program began at 10:00 am which was hosted by A.S.Sithalakshmi, student of BCA final year. On 02nd October 2021, the first event was followed by a short session by the chief guest, Shivendra Srivastava, He has completed his engineering from EPCET, Bangalore. Currently, he is working in Oracle India Pvt. Ltd., Bangalore. He is a seasoned software Engineer with more than 4 years of Experience. The session was very interactive and informative. He discussed about carrier build up in the field of Computer Science. The students were very much impressed by the speaker and his way of explaining the topics.

➤ LATEST AND CUTTING EDGE TECHNOLOGIES

There was one more session on Latest and Cutting Edge Technologies by Mr. Sachchidanand Kumar which is very informative and interesting. Mr. Sachchidanand Kumar, a senior analyst and application developer in TATA STEEL LTD. He has 10 years of work experience in various fields of Artificial Intelligence , Machine Learning and Data Science . He is also a research scholar at NIT Jamshedpur working in the field of AI & Data Science. He has done many Projects

under. He has completed his B. Tech from NIT Jamshedpur and Done his PGDM in Data Science and operation management from XLRI. The session was very interactive and informative. He discussed about new technologies and their implementations on day-to-day life. The students were very much impressed by the speaker and his way of explaining the topics. He also gave a practical overview on Edge Computing and hoe it is implemented in many different areas.

➤ IMAGE CLASSIFICATION USING MACHINE LEARNING

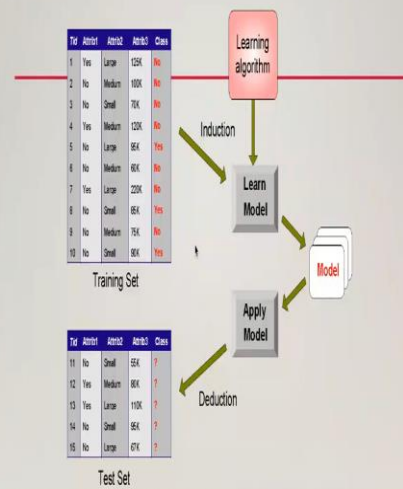

There was one more session on Image Classification using Machine Learning was taken by Ms. Jyoti Nagpal. Ms. Nagpal currently a Ph.D. research scholar in Department of CSE at MNIT Jaipur. She has completed M.Tech from Banasthali University Jaipur. She has completed her B. Tech from Rajasthan Technical University. Before joining her Ph.D she has worked as an Assistant Professor at Global University of Technology, ICFAI University as a guest faculty and Swami Keshwanand Institute of Technology, Jaipur. She has published a research paper on Feature Extraction using Machine Learning. Her research interest includes Machine Learning, Deep Learning & Optimisation and Image Processing. She explained how image classification field, traditional machine learning algorithms, such as K-Nearest Neighbor (KNN) and Support Vector Machine (SVM), are widely adopted to solve classification problems and especially perform well on small datasets. She also explained that Image Processing methods leverage Machine Learning Models like Deep Neural Networks to transform images on a variety of tasks, like applying artistic filters, tuning an image for optimal quality, or enhancing specific image

details to maximize quality for computer vision tasks.

ILLUSTRATING CLASSIFICATION TASK

DAY 3

➤ Rules and Regulations

The week long orientation program was commenced on 01st October 2021 on a virtual platform Microsoft Teams to welcome the newly admitted fresher's of BCA. The program began at 10:00 am which was hosted by A.S.Sithalakshmi, student of BCA final year. On 4th October 2021 Mr. Arvind Kumar Pandey explained the Rules and Regulations of the University in details to the students with the help of the PowerPoint presentation. Students were explained about Do's and Don'ts in the University Campus.

➤ FUN EVENT-BALL IN THE POT

The week-long orientation program was commenced on 01st October 2021 on a virtual platform Microsoft Teams to welcome the newly admitted freshers of BCA & MCA. Day six of the program was begun at 10:00 am which was hosted by A.S.Sithalakshmi, student of BCA final year. On 04th October 2021 students came to campus interacted with each other & faculties. One session was taken by HOD sir on syllabus, university norms, rules & regulations etc. After that several fun events has been organized for our freshers such as Message Passing, Tongue Twister & Talent Round. The object of the game Message passing is to pass on a message from one person to the other via several others. Let's begin with the Broken Telephone game rules, and then move on to some examples of humorous phrases that can be used to make the game funnier. Give the first player the message note. Have that person tells the message to the next person by whispering it in their ear. They cannot pass on or show the message; that must go back to the person organizing or monitoring the game. Have them repeat the message very quickly in a whisper to the person sitting next to them. No one else must hear. Request that the next person say whatever they heard; also fast in the same manner, to the next person. Continue on around the circle or down the line. The game goes on until the last person says whatever they heard a loud and the first person reveal the real message. Compare them and have a great laugh! Players repeat the tongue twister as fast as possible. Players repeat the tongue twister with the best diction possible.

Players repeat the tongue twister as in sync with the partner as possible. Players keep repeating the tongue twister as long as possible without making a mistake. In Talent Round, students had come with their talents such as Poem Telling, Story Telling, Singing, dancing. Students enjoyed lot in these online events. The event was coordinated by Dr. Arun Kumar Marandi, Ms. Sweta Barnwal, Ms. Sneha Kashyap.

➤ OVERVIEW ON NCC CLUB

Prof. Arvind Kumar Pandey, Head of CS & IT has explained about NCC Club to the newly admitted students. He also explained the rules and regulations for joining the NCC Club.

DAY 4

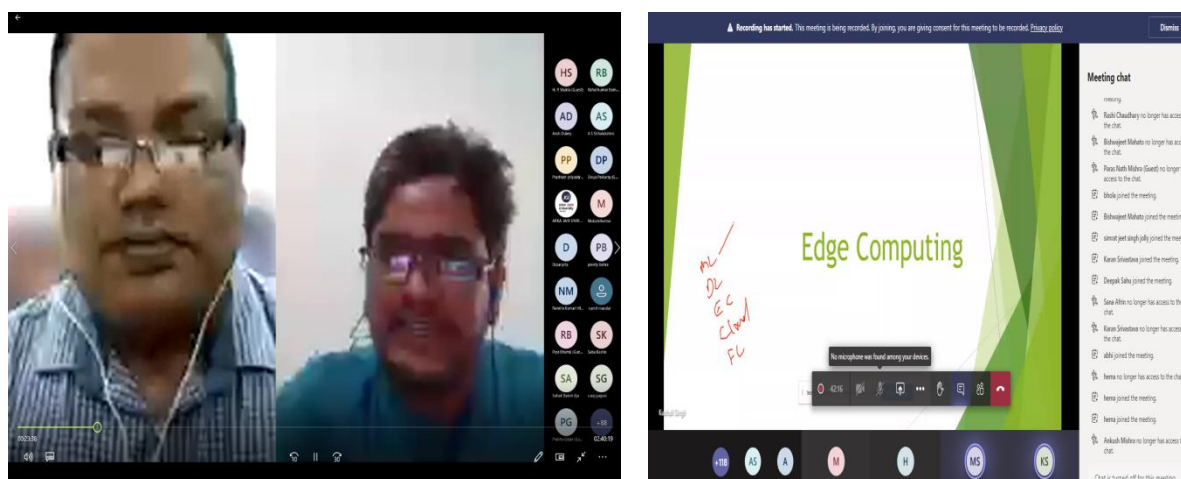

➤ MOTIVATIONAL SPEECH- MORAL ETHICS OF NEW EDUCATION SYSTEM

The week long orientation program was commenced on 01st October 2021 on a virtual platform Microsoft Teams to welcome the newly admitted fresher's of BCA. Day four of the program was begun at 10:00 am which was hosted by A.S.Sithalakshmi, student of BCA final year. This was followed by a short session by the chief guest, Prof. H.P. Shukla, Ex. Principal of S.P. College, Jamshedpur, he has 40 year teaching experience in English honours subject at different colleges. He was completed his education qualification from Banaras Hindu University, UP. Prof. Shukla is associated with different colleges and Educational institute. The session was very interactive and informative. He discussed about The Moral Ethics of New Education System. The students were very much impressed by the speaker and his way of explaining the topics.

➤ EDGE COMPUTING AND MACHINE LEARNING

The session was followed by Ms. Kushall Pal Singh who engaged audiences by sharing his valuable thoughts on “Edge Computing and Machine Learning”. He is currently a Ph.D. scholar in the Dept. of CSE at MNIT Jaipur. He has done M.Tech from NITTTR, Bhopal, B.Tech from CCS University Meerut (Gold Medalist), and Diploma in Engineering from BTE Lucknow. Before joining his Ph.D., he has worked as Assistant Professor at Dr. K N Modi University, Newai Rajasthan, and SRM Institute of Science & Technology NCR Campus. Also worked as Research Associate in IIM Rohtak. He has published a research paper on Bibliometric Analysis and Machine Learning. His research interest includes Machine Learning, Internet of Things, and Data Science. The session was really very intreresting. He discussed about new technologies and their implementations on day-to-day life. The students were very much impressed by the speaker and his way of explaining the topics. He also gave a practical overview on the implementations of Machine Learning and Edge Computing.

➤ TALENT HUNT

The week long orientation program was commenced on 01st October 2021 on a virtual platform Microsoft Teams to welcome the newly admitted fresher's of BCA. Day four of the program was begun at 10:00 am which was hosted by A.S.Sithalakshmi, student of BCA final year. The Talent Hunt event was organized on October 5, 2021, by Ms. Divya Paikaray &

Ms. Alka Kumari. Students participated enthusiastically in this event and displayed their abilities magnificently. Key participants were Divyanshu Kumar for Singing, Sania Nisha for dancing, Deepak Mahato for mimicry, and Pooja kumari for poetry. All students were actively participated in the event and have shown their enthusiasm and dedication in their efforts.

➤ OVERVIEW ON NSS CLUB

Prof. Paras Nath Mishra , Member of NSS Club has explained about NSS Club to the newly admitted students. He also explained the rules and regulations for joining the NSS Club and also focused on different activities which are conducted by the NSS club.

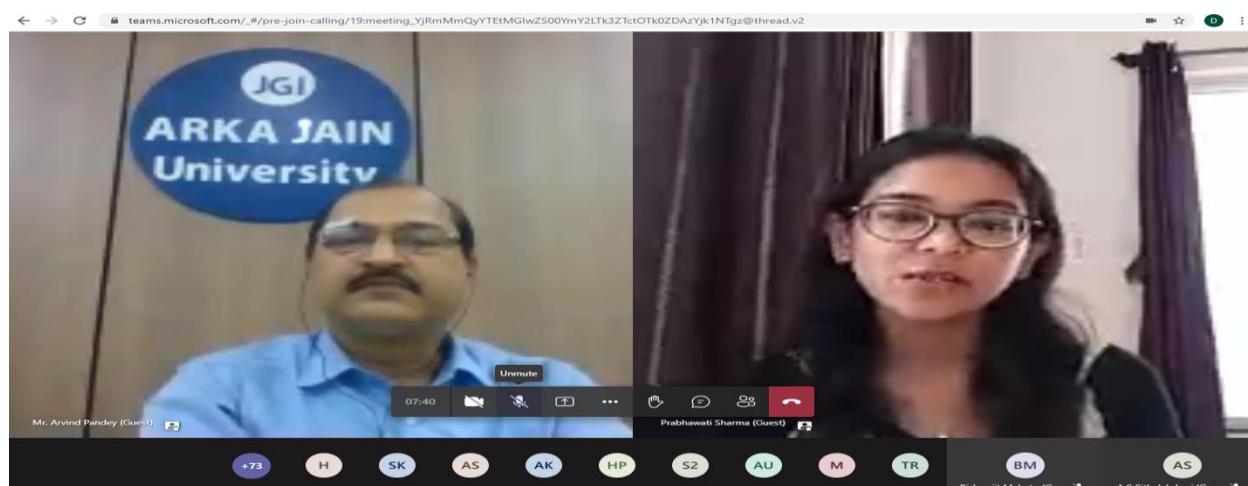

➤ OVERVIEW ON LITERARY CLUB

Dr. Rupa Sarkar, one of the member of ARKA Literary Club has explained about Literary Club to the newly admitted students. She also explained the rules and regulations for joining the Literary Club and also focused on different activities which were conducted by the Literary club.

DAY 5

➤ SUPER SENIOR SE CHARCHA

The week long orientation program was commenced on 01st October 2021 on a virtual platform Microsoft Teams to welcome the newly admitted fresher's of BCA. On 06th October an interactive session was conducted for the newly admitted students for their career growth where a pass out student of Jain University came here to share her total journey from college life to job and suggest how to overcome all the problems and achieve a bright future. She also focused on how to manage time in student life. She also suggested some career mantras to students so that they can achieve their goal in coming time.

➤ TECHNOLOGY USE WITH RESPONSIBILITY

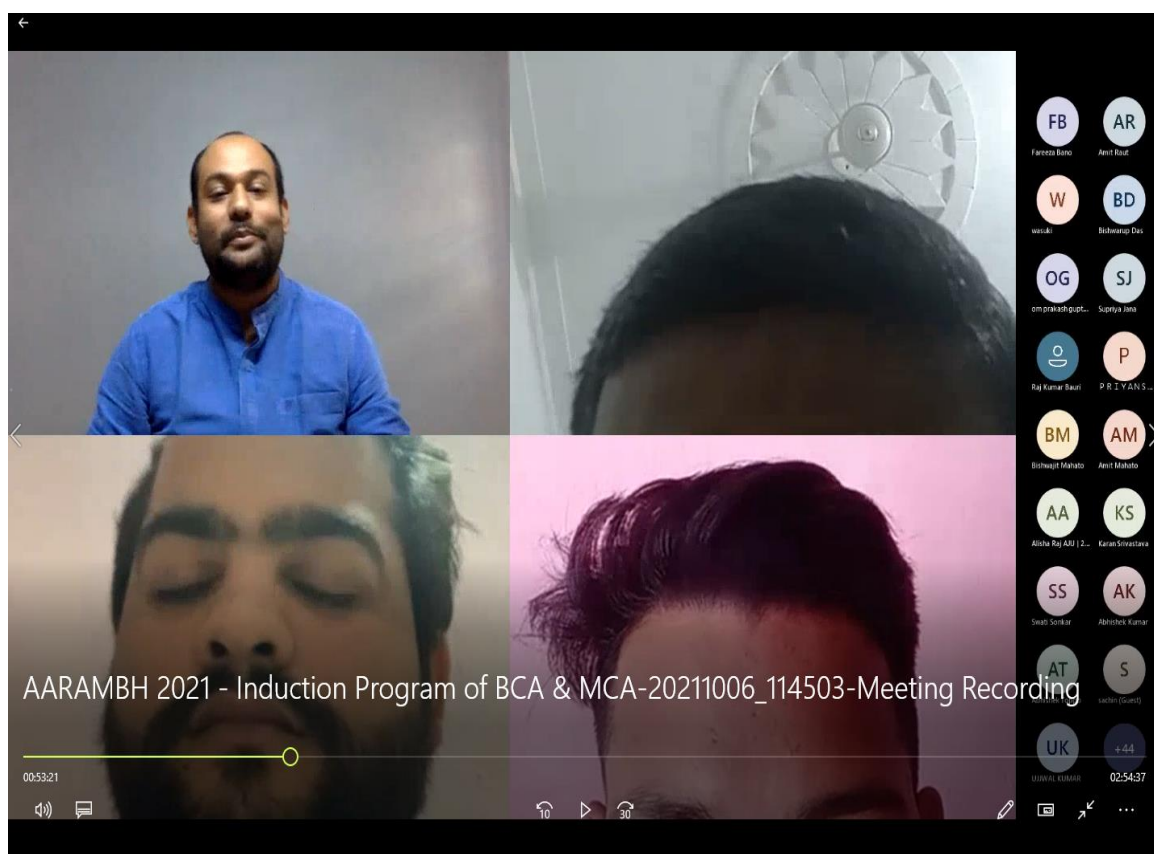

After this a session on Technology-Use with Responsibility was taken by Mr. Arvind Kumar Pandey, HOD, CS & IT. He has more than 25 years of work experience in teaching. He has published more than 15 journal research papers. He has focused on various facts that how to Set boundaries for device use and demand that family time is respected? how to Encourage cultural, sports or other outdoor activities. He also told how to encourage them to think about the future? He explained about all the recent technologies that is being used in today's time and its important being a computer applications students.

➤ ALTERNATIVE FUELS FOR ENVIRONMENTAL SUSTAINABILITY

There was one more session which was hosted by Mr. Rahul Gautam. He is currently pursuing his PhD in IIT Roorkee. His research area is Bio fuels, and current Environmental issues. He has more than 5 years of work experience. He has presented 7 papers in International conferences and 3 papers in national conferences. He engaged audiences by sharing his valuable thoughts on “Alternative fuels for Environmental sustainability”. He described how the environmental issues are rising day by day and how to get rid of it. The session was very interactive and informative. The students were very much impressed by the speaker and his way of explaining the topics.

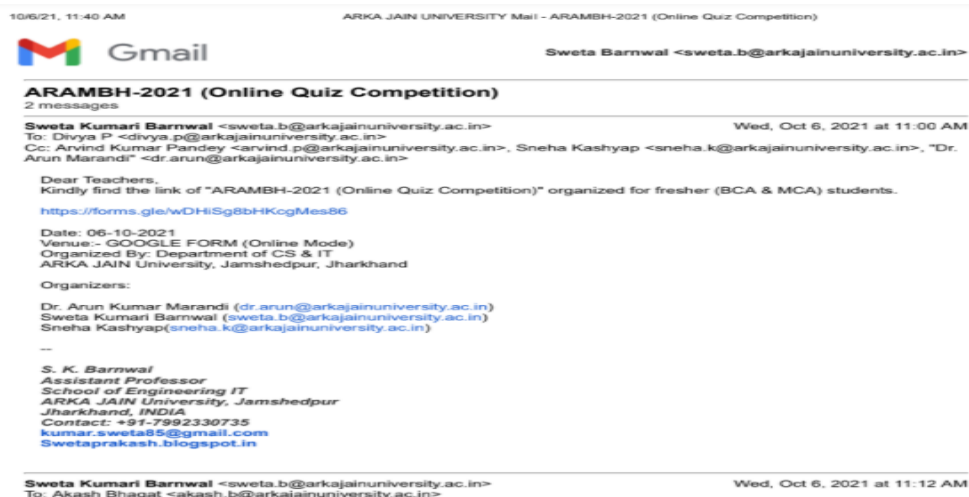

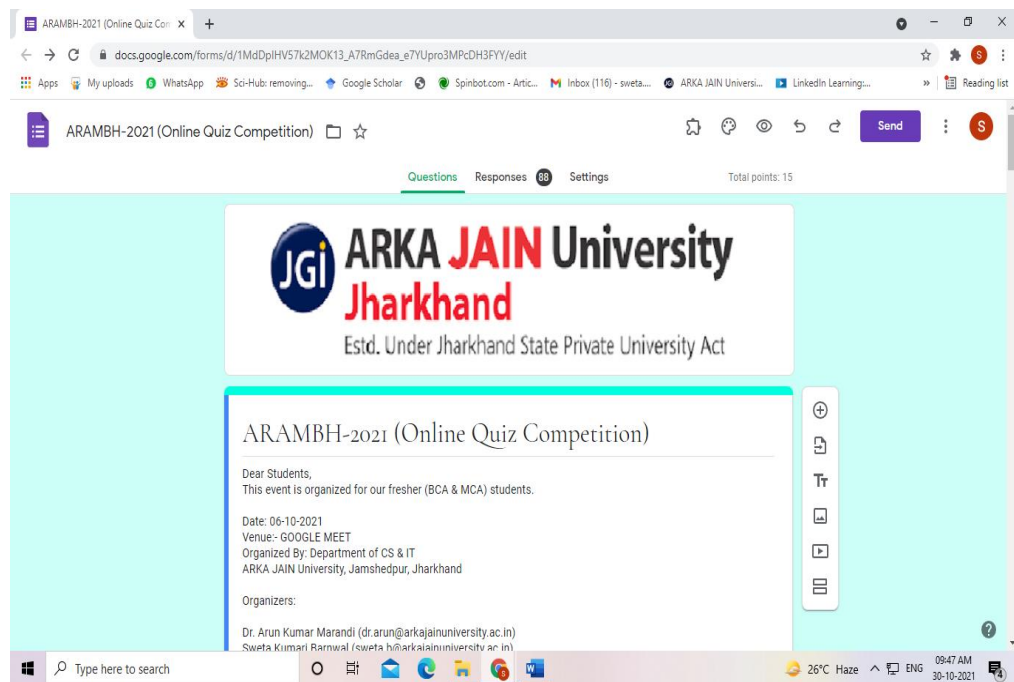

➤ ENGINEER YOUR MIND

On day 5, a Session on Mental Health was being conducted by Mr. Navneet Nilendra which was focused on gaining a new perspective on stressful situation, building skills to manage your stress, How to increase self awareness , reducing negative emotions, how to increase imagination and creativity and how to increase patience and tolerance in student’s life. He also focused on the fact that how the mental health benefits of meditation includes better focus and concentration, improve self awareness and self esteem and lower levels of stress and anxiety. He also conducted some yoga mudras for students.

➤ ONLINE QUIZ

After this an Online Quiz Competition was organized on 06.10.2021 via Google Form which was being coordinated by Ms. Sneha Kashyap, Ms. Sweta Kumari Barnwal, Dr. Arun Kumar Marandi under the guidance of Mr. Arvind Kumar Pandey, Head of CS and IT Department. The Aim of this Quiz Competition was to make students aware on Latest Technologies, Indian customs, cultures and social activities around us. Total 88 students participated in this event. Thus, Question Bank in the Quiz was organized from different sections of technologies, Indian customs, cultures and social activities. The questions related to recent developments in the science background were also being put forward and it was being seen that students actively took part in the quiz and we got students from different states across India. The Quiz was a One Day Program, new admitted students in BCA & MCA, ARKA JAIN University had participated in the event. The Quiz was online and was being organized on 06.10.2021 via Google Form. The Quiz was being started by 1:00 PM and was ended by 2:00 PM. In total 15 question were being asked from several areas.

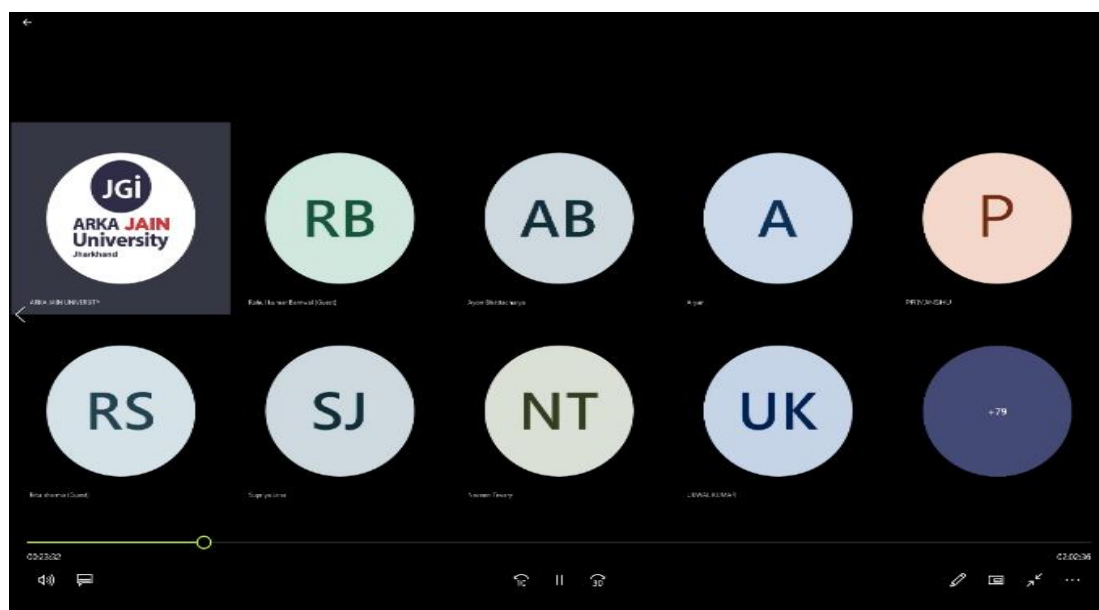

➤ OVERVIEW ON IT CLUB

Mr. Akash Kumar Bhagat, Assistant Professor, CS & IT has explained about IT Club to the newly admitted students. He also explained the rules and regulations for joining the IT Club and also focused on different activities which are conducted by the IT club for the students.

DAY 6

➤ POSTER PRESENTATION ON IMPACT OF CORONA IN EVERYONE'S LIFE

The week long orientation program commenced on 1st October 2021 on a virtual platform to welcome the fresher's of BCA 2021 batch. On the sixth day of the program i.e. on 07.10.2021 from 10:30-11:15am, Poster presentation on impact of corona in everyone's life event was conducted, hosted by A.S Sithalakshmi a student of BCA final year. In this students had to share their opinion how corona affected the life and how this pandemic taught us to live life in scarcity and even the positive aspect that how a family and friends are important in everyone's life. Students have to share their own experiences within 45mins. The session was very interactive and students expressed views was knowledgeable.

➤ HUMAN VALUES AND REALISATION OF OUR RESPONSIBILITIES FOR THE EVOLUTION OF THE SOCIETY

There was one more session on Human Values and Realisation of our Responsibilities for the Evolution of the Society was taken by Dr. Jyotirmaya Sahoo, Dean of Health and Allied Science, ARKA JAIN University, Jharkhand. He has 12

years of experience and worked in many reputed organization. He has published 15 recognized research papers. He shared a very good and motivated knowledge with the students which will encourage our students to follow the right path and understand the responsibilities as a individual in the society. They need to know the value of every individual and parents who have helped them in achieving what they have achieved till now. The session was really very good and the videos he shared was overwhelming. The students were very much motivated and also requested him to take another session.

After this , an interactive session called “SAVWAD” was conducted with parents. It’s a final doubt clearing session related to University and academics matters.

At the last all 1st year students submitted their valuable feedback through feedback form.

Finally, the week long Induction Program was completed successfully by giving a Vote of thanks to every individual for their constant support and encouragement for proper conduction of the program. Vote of thanks was delivered by Mr. Arvind Kumar Pandey, Head CS & IT. The program was coordinated by Ms. Divya Paikaray, Ms. Alka Singh and Mr. Akash Kumar Bhagat.

WRITE-UPS BY THE STUDENTS

WRITE - UP OF ORIENTATION

DATE → 01.10.21 to 09.10.21

Name → PRASHANT KR. PRIYADARSHI

COURSE → B.C.A "A"

Starting I am doing of my first day of college. Some days Aska Jain university conduct one orientation program and "Arambh" to introduce all teachers and chief guest to students and also students. So finally the program started from 1st oct to 9th oct end. So orientation program and arambh are very good. I am very happy.

Experience * was super on Aska Jain university. I am learning some good motivation and I know about our life goal so, from (J.G.) I know how to get success and how to go on the way.

Thank you all for

Prashant Kr. Priyadarshi

A Report on the Orientation Programme Conducted by Arka Jain University

20th October 2022
Jamshedpur

By: Jishu Thapa

This is a report on an orientation programme conducted by the Department of Computer Science & Information Technology of Arka Jain University for the first year students of BCA/MCA. The programme sought presentations from various professors and notable professionals in the IT field with the objective of sharing ideas for the students which will help them during their learning period in college and even in their future. It was conducted for 6 days starting from 1st October 2022 to 7th October 2022 in online mode except for 4th October. On the first day all the students were welcomed in a congratulatory speech by Prof. Anand Kumar Pandey. After that a virtual lamp lighting and Saraswati Vandana was organized by the authorities. The seniors of the university also presented a welcome song/dance for the juniors. The students were addressed by the Honorable Chief Guest Dr. M.P. Singh who guided them with some his felicitous speech. Different topics were also discussed by reputed guest speakers to introduce the students with latest technologies and moral ethics which will help them in their career.

building. On 4th of October students were invited to visit the university and attend the offline orientation for which they had provided buses for safe transportation. On that day the students were acquainted with the rules and regulations of the university. ID cards were also distributed and students who had not submitted their necessary documents were asked to submit. Fun games were also organized by the professors for students' enjoyment. All in all it was a great experience interacting with everyone as well as seeking knowledge from the veterans.

WRITE UP OF ORIENTATION

NAME - UJJWAL KUMAR

ENROLLMENT NUMBER - ASU/210404

STREAM - BCA 'A' 1st semester

Dear Madam,

As per your request for my views regarding orientation program, I like to write as follows. The program was very good and interesting. I learned a lot regarding the university rules and regulations. I also learned how to self confidence and why it is so important in every one's life. Self confidence is the key to success.

At first we were introduced to Arvind sir who was the Head of the department of our BCA family. Then we meet all the faculty members of BCA family one by one. All the faculty members introduced themselves one by one with their subject.

Thank you

WRITE-UP OF ORIENTATION DAY

NAME - PRIYA VERMA

ENROLMENT NUMBER -

STREAM - BCA 1st SEMESTER

On the first week of October our college had organised an orientation program for us i.e. for the freshers batch in the college. During that course of time many great persons of our college giving the lectures for the newly members of Arka Jain University.

Some of the things that I personally liked about their speech was positive thinking, Self Confidence, Self-believe etc. The biggest benefit of positive emotions is that it makes person see his/her actual abilities and develop these for use in later life. After listening to the speaker I experienced a pleasant and happy feeling. This positivity had a great effect on my health too.

This was all I learnt in my orientation program. Thankyou to all our sir, teachers and the speakers. I hope for many more programs like this in future that will teach us most beautiful things.
Thankyou.

To: alka.k@arkajainuniversity.ac.in

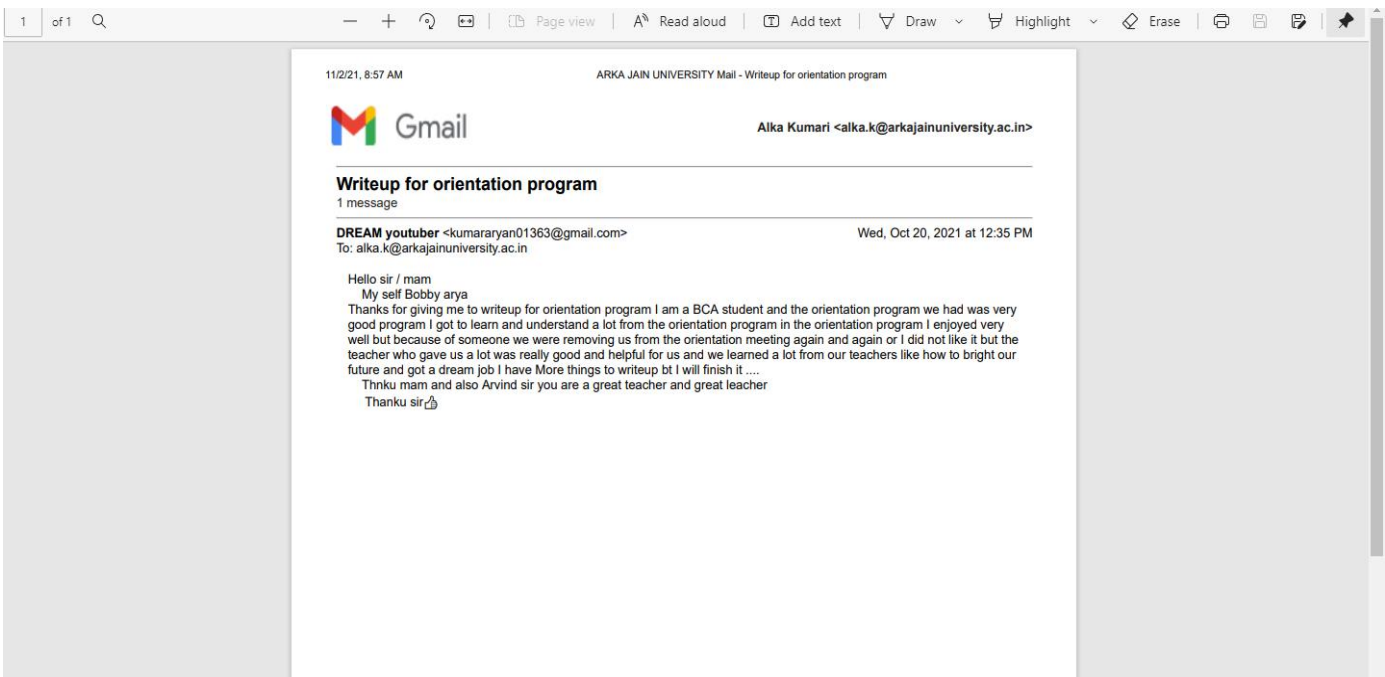

Hello sir / mam

My self Bobby arya

Thanks for giving me to writeup for orientation program I am a BCA student and the orientation program we had was very good program I got to learn and understand a lot from the orientation program in the orientation program I enjoyed very well but because of someone we were removing us from the orientation meeting again and again or I did not like it but the teacher who gave us a lot was really good and helpful for us and we learned a lot from our teachers like how to bright our future and got a dream job I have More things to writeup bt I will finish it

Thnku mam and also Arvind sir you are a great teacher and great teacher

Thanku sir 🙏

Respected Ma'am,

Orientation is a chance for students to learn how things work at their new college and meet other students as well as college faculty and staff members. Orientation is also a chance for the college to start getting to know your students. This Orientation program are aimed for familiarising the students with unknown campus environment and infrastructure At the part of the principal year students should be made familiar with the environmental elements on the campus. The educator facilities of each stream sets as a model of initial direction program that incorporates scholars just as friendly exercise.

Arka jain university organize an orientation programme name Aarambh 2021 from 1st October to 7th October to observe Navustav Gandhi and satri jyanti. In which many participants participated and demonstrated their art in front of the students and teachers. it was a great programme and we have enjoyed a lot there .

I and my friend have also took part in the pot painting competition and we did our best but unfortunately we couldn't win but this is not the last again we will try and we will try to give our best on next events.

We made new friends and talk to others and we have enjoyed a lot, that will be great memories for us. Our university are extremely useful and kind in nature and they consistently help and prepared to pay attention to understudies concerns Especially our HOD Mr.Arvind Pandey sir.

Thanking you.
Yours sincerely
Sangita kumari

Was there anything else the programme could cover that would be useful

- Yes in some the areas .
- The day on which orientation program was conducted offline was good but would have been even more better if the rest of the orientation program were offline.
- No, as of now
- Bring some professionals to motivate.
- The Meeting app is worst many times someone removed me from meeting I request if the faculty ever want a meeting with the students change the platform
- No all programs are good
- I learn so many valueable things from teachers
- No that was to much everything was covered in it
- Talk about skills you're currently developing.
- I think the program covered all the important suggestions and valuable information .
- Everything is covered
- Already every thing will be cover
- No it's enough
- About the student internship program
- No, the programme was perfect and satisfying.
- A students introduction session.
- It was good.
- NO WHATEVER THE PROGRAMMES HELD WAS ENOUGH USEFUL FOR ME
- more fun games and activities should be included
- No
- No, I think everything is good.
- No, that was sufficient and enjoyable too .
- No I think sir has covered all the topics.

- All were best but we can't get to know what are the future after choosing this field.
- Everything is covered up very well.
- Everything is good
- Communication language.
- Everything was good
- May be, but it was excellent
- Very good program starts from 1 Oct to 7 Oct. We are learning something new and also greatfull by our teachers and other guest who had come on the program. And all the members of Arka Jain have very good they give to us a lot of motivation and it's also necessary for our life so, thank to all JGI team.
- Overall good but canteen is very poor.
- It looked so good
- All information is good
- Every thing has been covered
- Introduction for teachers
- Discussion about what we can do after completing the BCA.
- Nope
- No the video was absolutely best
- no, I think it's enough for a student. all was good.
- Ya, if it give guidance like which books is best for your course and interaction between your subject teachers and students means which teacher, professor is going to teach you as per subject.
- I don't think
- No
- no, everything excellent
- Motivational speech by professional teacher
- No, this program is enough, it's very useful for freshers.
- I guess it would be much better if more specific information about IT Club would have been given.
- Information about all the groups not only about ncc.
- How you will Build Career and What is Scope in your Field. Future Jobs and New Scope.
- No I don't think so
- Virtual campus tour
- I find this useful what you show and told us.
- It was good.
- NO, EVERYTHING WAS GOOD !
- Everything was useful maybe some more info abt the university and other activities should had given
- Everything is perfect
- No

What was the most valuable aspect of the programme for you

- Mentorship I like the most valuable and credible.
- The way program has been represented was the most valuable aspect of the program.
- The people came in th program
- Everything that could be possible
- What will happen to us in this college to discuss it or tell about how beneficial it will be
- Mutual communication with friends and teachers
- Talking with super senior
- NCC
- Nss
- Technology use with Responsibility
- Consider how you can help every student accomplish the goals of the course.
- The learning part
- I aspect to get knowledge , well placement
- All
- Faculty
- Information about rules and regulations of clg
- The orientation as a whole was very valuable in informing and giving an insight into expectations of my course. It also led to me feeling much calmer approaching my first day, and allowed me to be a lot more familiar with where I had to be.
- The most valuable aspect of this course was the web-site. Everything on the web-site was very helpful especially the quizzes and notes. The least valuable aspect of this course was probably the book.
- The guidance from the sir/ma'am.
- Culture and extra curricular events
- Human values
- Using smart boards for better understanding
- Placement program
- I am fully satisfied
- Life lessons and real life experience given by the teachers.
- All of them
- Stop not till the goal is reach
- About the college
- Nss
- That all the things we could understand and get it
- All the knowledge I got was valuable for me.
- The ending impressed me so much where we show about family love and care.
- Corporation

- The most valuable aspect was when I got explained about the certain aspects of the course and I was intrigued how I've come to know the various details of my course and to acquire various skill and specialities.
- All the aspects were good , specially data science.
- HUMAN VALUES BY Dr. Jyotirmaya Sahoo
- To know about the value added courses
- Interacting with the professors and other students
- The program related to computer (The secure things) which Arvind Sir taught us .
- Full programme is valuable
- Good nature of the teachers.
- Encouraging students from different courses with in the college to show their talent and the speech which was given by our respected Professor Arvind Pandey was great
- I liked the father and daughter aspect in which they told us what human values a person is old or young.
- Engineering mind topic
- Excellent programme
- Creative ideas given by the guest
- Carrier build up in computer science with Mr. Shivender Shrivastava
- Yes the program is valuable aspect for us
- The mentors
- Information about departments and teachers or student support
- Friendly Teachers
- Teachers singing ,poetry ... I really loved that
- Knowing about how college focuses on extracurricular activities too.
- Good motivation and knowledge about IT sectors
- Information of teachers and examination
- WHEN WE WENT FOR OFFLINE ORIENTATION.
- The way that they treat u.
- The most valuable aspect of this course was the web-site. Everything on the web-site was very helpful
- Information about value added courses.
- The singing competition
- Clarification and moral development
- Webinar conducted by various guests
- Welcoming of new students in such a good way
- All was good

	<ul style="list-style-type: none"> • The sessions of the guest specially the motivational sessions • Each and every part was informative • All programs are equally valuable , But IOT , DATA SCIENCE is one of the best • Good guest • For me the most valuable.. Aspect of the programme was.. That NSF program that session was really good and i enjoyed that session and i loved to be in join the NSF the way that sir.. Told the whole thing about that was really appreciable and the way just he introduced himself and made us understand the whole thing about NSF was pretty good ☐ • Sachchidanand sir class that was the most valuable part aspect the program for me. They told many things just like overview of computer applications, importance of self education, self development etc. Sir also say one more inspiring think if you have any questions but u haven't solutions then knock the door if they have answer .
