I am Tarana das student of 1st year from BBA LLB. I attended the orientation held by my university Arka Jain on 1st October 2021. The chief guest of our session was Shri. Nagendra Kumar (District Judge Retd.) accompanied by the special guests Dr. Vidyottma Jha (adv.), Ms. Vaneet Kaur Sokhi (Asst. Prof. Law) and Ankita Srivastava (Advocate)

The session was very mesmerising and i got to know about several important experiences by all the guests present there.

They taught us how to utilize your time in studies and other activities. Shri Nagendra Kumar sir not just taught us about the law but also how you can become successful in life. His words were so deep and thoughtful that he can change the atmosphere around him. Miss Ankita Srivastava maam not only cleared doubts of students but also asked to be professional from now in studies and everything. Dr. Vidyottma jha and Miss. Vaneet Kaur Sokhi both showered us with their amazing thoughts and values.

So, I want to thank the university authority for such a learning and helpful session which could help all of us in future.

Induction Program Experience

Arka Jain University conducted its orientation and induction program for freshers on first of October. It was held on online mode in google meet. The meeting started with welcoming the Chief Guest Shri. Nagendra Kumar H.J.S District Court (Retd.) and other special guests by our university. First the Chief guest delivered his speech. He talked about his experience as a judge. The different types of cases which he encountered. He explained various other stuffs related to law and interacted with us students. Answered our questions. Then Dr Vidyottma Jha, Ms. Vannet Kaur Sokhi and Ankita Srivastava who were the 3 special guests were asked to speak. They talked about the career opportunities after studying law and the process of becoming successful in career. They shared the experience of being an advocate in Supreme Court. Also talked about how to clear various exams related to Law. Then we had the opportunity to ask questions to the special guests. We had many doubts and all the special guests answered us. Overall, it was an great experience. Hearing many interesting things from senior advocates and judge and their guidance will help us.

Review about Orientation Program.

I, Abhishek Narayan Verma of Sem-I from BBA.LLB., is extremely happy to get the opportunity of giving the feed back.

Firstly, talking about the online Orientation that took place on 1.10.2021, I would like to highlight that it was an honour for all the students that we heard such an experienced and so warming faculty. The way we were introduced to the faculty held all the minor and major details regarding how selecting this course is beneficial for the students. I just felt that it was a very long orientation session that was quite exhausting and as such would like to recommend in my review that it should be a less

time consuming in future.

Secondly, we had the offline Orientation session on 4.10.2021, which was very interesting as we ~~met~~ met the whole outstanding faculty as well as also the class mates. I would like to stress on the fact that the way we were honoured by the 'Indian-style' welcoming had created a great impact in my mind. It made us feel more connected to the roots. We were also taken care of the refreshments that energised us.

I am grateful to the whole ATU faculty and staffs as well as my college mates for giving such a warm welcome.

Experience about induction program.

7/10/2021

During orientation week our university Arka Jain University organized two induction program. Firstly we had online induction on 1st oct, 2021 at google meet. It was such a wonderful experience. Our university invited Shri. Nagendra Kumar as chief guest and Dr. Vidyottama Jha, Ms. Vaneet Kaur Sokhi and Ankita srivastava as special guest. In addition our Host of the meeting Nehru sir and all the faculties are also present in that meeting. All the people shared their experience with us, which really means alot. Seconly our offline induction was held on 4th oct, 2021 at college campus. When we entered in a moot court our respected seniors welcomed us with tilak. Coming to the university for the first time is a very wonderful, confusing, delightful challeging and scary experience. Our respected teachers are very kind. They throw some light on our career which is really very useful for all of us. I am glad to attend both the orientation program because now I am more focused about my career.

Thanks to all the professors and seniors
because many of my doubts about my career
have been cleared.

To, Respected Dean Sir,
Anka Jain University,

[My experience to induction programme on both online
and offline].

Firstly, I would like to thank our Dean Sir, Anurita ma'am, VC Sir. I am here to share my experience to the induction programme which was held on 1st and 4th October. I never expected that one day I will get such a golden opportunity to be the part of Anka Jain University for law career, my first day in the campus was incredible, the way our senior batch had welcome us with "tika". Our Dean Sir were so polite towards their students. For him every student are equal.

Senior students behave humbly towards us they support us, help us and they all treat us the same as the way they all treat among their batch mates. It is not possible to pursue study without any support system. I will definitely remember each and every points related with law career. It is true that for a lawyer, their words work as their weapon.

A lawyer never support any one phase of a case it never stay with truth nor with lies. A law belongs to an Ocean than I definitely wants to go deep inside the core of an Ocean to grab it and if it can quench my thirst for more knowledge. I really want to become a lawyer so that I can support my father which will not be possible without the support of my teachers and Senior. Without their guidance I cannot achieve my goal.

The campus was so big and the environment was so pleasant. I felt as a like my own family. At last I would like to conclude with that I know that it will be a knowledgeable, enjoyable and challenging journey for me and I really need everyone's help and support. So that for me it would be a memorable part of my life.

Thank you to,

Respected,

Dean Sir,

V-C Sir,

Amrita Ma'am,

Nehru Sir.
