SAMVAD-An Online Parents-Teacher Meeting

The Department of English, AJU conducted a virtual parents-teachers’ meeting (PTM)-Samvad on 27th January 2022 with the parents of Sem I, IV and Sem VI. This meeting was the first one in the early days of the year and a huge success and the parents truly appreciated the departmental efforts for this smart and thoughtful initiative, during the COVID lockdown times. The PTM was very smooth and it was very similar to the one-on- one meeting during PTM in the university premises.

Almost every parent praised the initiatives of the department for this smart, technological implementation through Virtual Classroom, Online Assessments and virtual PTM to extend the immediate solution to teaching and learning, during the pandemic. Parents were extremely happy and appreciated the department for organizing the PTM virtually during the uncertain times of lockdown. They were thankful for all the efforts made by the department in facilitating the virtual connect between the teachers, students and parents. They further thanked all the enthusiastic hardworking faculties for going beyond their call of duty to transit things smoothly and also for the superb ideas from the teachers how to keep the students busy at home during these quarantined days.

Ms. Rajkumari Ghosh, the Program coordinator-B A English and the faculty members, Dr. Rupa Sarkar, Ms. Shahin Fatma and Dr. Manoj Kumar Pathak shared their feedback about the students with the parents based on the overall performance in the Academic year 2020-2021. Reading, writing, creative activities and honing their passion for hobbies through many webinars and free online courses were few among the suggestions given for students to keep them happily engaged while staying safe indoors. The students parents were persuaded to send their wards in regular basis when the campus opens for them.
