SELECTION PROCESS

A detailed schedule of the selection process for Jr Engineer post (2022 Batch). A list of the total number of candidates who applied for the post successfully will be displayed on the website: February 10, 2022. Last date to apply for the post of Jr Engineer through the online portal on the website of LemonVB by 5:00pm February 08, 2022 (with extension).

(Note: NO further extension will be given for application. The schedule for the selection process is the same.)

Please note that they are looking for core engineering stream graduates as well (viz. Mechanical, Electrical, Civil, Metallurgy, Electronics, Mining, Petroleum, etc) with software stream (Viz. CSE, IT) for this post. Visit the “Services” & “Products” section on the website for more details about the LemonVB profile.

SELECTION WILL TAKE PLACE IN THREE ROUNDS

1. Online Aptitude Test of 45 minutes on Sunday, February 20, 2022.

- Considering the GATE examination on Saturday, Sunday (5,6, 12 & 13 February) the online exam of LemonVB is scheduled for February 20, 2022.
- To provide equal opportunity to all, an objective type test of 35 general aptitude questions will be conducted in various batches (As of today they received around 380 valid applications for the post of Jr Engineer from various premier institutions. Based on a number of applications, batch size will be decided.)
- Candidates scoring above 66.67 percent in each batch will be given a call for the next Telephonic Round.
- Exam platform link will be provided to registered candidates via email and website notification. Login credentials will also be shared.
- The test can be attempted on Mobile and laptop/desktop (login from any one device is allowed).
- Candidates appearing for Engineering Services Examination on February 20, 2022, should contact team LemonVB on “career@lemonvb.com” with a valid hall ticket for adjustment of the slot.

2. Telephonic Interview of selected candidates: February 25, 2022, to February 28, 2022.

- A detailed schedule (with time slot) will be provided.
- There will be a telephonic call of 10-15 minutes to analyze communication skills, understanding of job profile, curricular and co-curricular achievements, overall presentation, etc.

3. Online Personal Interview with Panel of Experts: March 5, 2022, & March 6, 2022 (Saturday & Sunday)

- Personal Interviews will be conducted of selected candidates from the telephonic round through an online platform with a panel of experts. The panel consists of Mr. Vishal Bagale - Director, Pratima Nimje - HR Head, Shekhar Jeurkar - Technical Advisor, Experts of various engineering fields from LemonVB and other companies).

Display of the result: March 10, 2022.

Probable Joining Schedule: Aug- Sep 2022.

We are now accepting applications up to February 08, 2022. Final year BE /B.Tech students of all branches, those who have not applied yet can apply before the given deadline. Applications will not be accepted after this deadline.

➤ To apply, interested students need to visit the “Careers” section of the official website of the LemonVB and find the link for "Fill the application form for Jr. Engineer (2022 Batch)". Applications are accepted only through the online portal of the website <https://lemonvb.com/careers>. Utmost care is taken to keep the process student-oriented. Online test and personal interviews are scheduled on Sunday and Saturday. Telephonic Interview slots will be communicated and adjusted if there is any genuine issue. The entire selection process will not affect University examinations (if any). There will not be any changes in the Selection Schedule. However, LemonVB has the complete right to make changes in the schedule if required.

Before filling in the application form it is suggested to read “Detail Advertisement for Jr Engineer Post (2022 Batch)” & “How to pay Application Fees” available at the “Careers” section on the website.
