<b>Theme of the Event</b>	“Contemporary Teaching & Learning Practices”
<b>Conducted by</b>	School of Nursing
<b>No. Of Participant</b>	113

The School of Nursing, Arka Jain University organized a virtual Faculty Development Programme on January 27&28, 2022 through the Google meet platform. The major objectives while framing this Faculty Development Programme were to improve technical knowledge of teaching faculties and to incorporate these skills in their teaching so that the students can provide qualitative care to their patients. This programme was inaugurated by Vice Chancellor prof.Dr. Sayed Safdar Razi insisted that the faculty should understand their student capabilities and based on that plan their teaching practices. Professor Ginu Anie Joseph welcomed all the dignitaries and the participants were present on the event.

The first-day session Keynote Speaker was Dr.Chakrapani Chaturvedi, Associate Professor from Bansthali Vidyapith University, Rajasthan. He delivered lecture via PPT and spoke about the various role of teachers like facilitator, instructor and creator. Also, he explained on transformation education, competency based education and methods to reduce medical errors .Followed by Mr Sarvendra Pratap Assistant Professor from Minerva School and College of Nursing, West Bengal explained the importance of enhancing the range of student learning outcomes. These sessions were very helpful for all .After that, the remaining sessions were taken by Ms Pārbati Mardi on method of teaching by graphical representation and she demonstrated this programme by online and discussed the advantages and disadvantages.

The second day commenced with a discussion on previous topics .The Keynote Speaker was Mrs.Sakshi Associate Professor Community Health Nursing from Banasthali Vidyapith University Rajasthan. She spoke about Blended learning approach and its effective usage in students and discussed various learning methods and how to reduce the stress of students.Inaddition, she focused on the up gradation of teacher’s knowledge. The session was witnessed by Mr Jasbir Singh Dhanjal, Registrar, Dr. Jyotirmaya Sahoo, Dean of School of Health & Allied Science. Assistant Professor Salma Soren presented the simulation method through pre-recorded live videos. Vice Principal Ginu Anie Joseph explained the covid impact on mental health and also discussed the coping strategies to overcome the issues. Valedictory session was addressed by our honourable Vice-Chancellor Dr. Sayed Safdar Razi extended his warm wishes and gratitude to the School of Nursing department ,speakers of all the sessions,participants,convenor and coordinators . The FDP received a warm feedback from all the participants. Finally, the session ended with vote of thanks were given by Ms.Anuradha Soren. Certificate of Appreciation and Certificate of Participation were issued.
