

Report on Machine Learning Concept with Big Data Analytics

Held on 10.01.2022

Date of Event	10.01.2022
Name and Type of Event	Webinar on Machine Learning Concept with Big Data Analytics
Conducted by	Ms. Divya Paikaray, Mr. Arvind Kumar Pandey
No. Of Participant	99

Webinar on Machine Learning Concept with Big Data Analytics

A one-day National Webinar on Machine Learning Concept with Big Data Analytics was organized on 10th January 2022. It was organized on online mode using Google Meet platform. The speaker of the event was Ms. Alka Kumari , Assistant Proferssor in the Dept. of CS & IT at ARKA JAIN University, Jamshedpur. The webinar was coordinated by Ms. Divya Paikaray, Dept. of Computer Science & IT.

About the Speaker: The speaker for the event was Alka Kumari has over 2 years of work experience in teaching. She is also an eminent speaker in Computer Science topics. She has done her B.Tech from RIT Koderma. She has also completed her M.Tech from LNCT Bhopal. She is pursuing her Ph.D. from NIT Jamshedpur. She has published many research papers in Machine Learning and Big Data Analytics. Her research area is Machine Learning and Big Data Analytics.

About the event: In this event, the basic concept of Machine Learning with Big Data Analytics was analyzed that how big data analytics creates a logical step for companies looking to maximize their data's potential value using Machine learning tools with data-driven algorithms and statistical models to analyze data sets and then draw inferences from identified patterns or make predictions based on them.

Total 99 participants from all over the computer science department participated in this webinar. There were few participants from other colleges and Universities.

The session began sharp at 10:00 am. The event started with the welcome note by Ms. Divya Paikaray. After the inauguration speech, Ms. Alka Kumari took over the session and shared her knowledge and information on Machine Learning concept with Big Data Analytics. She also explained the concept of computer applications along with its advancement with the concept of Big Data Analytics and Machine Learning. The session was of 2 hours and came to a close at 12:00 PM. The session was followed by a Vote of Thanks. A short Feedback Session was conducted for the participants after this Participation Certificates were awarded to them.

Poster of the Event:-

The poster features a blue background with a white border. In the top left, there is a dark blue circle containing the white text 'JGi'. To its right, the text 'ARKA JAIN University' is written in red and black, with 'Jharkhand (Jamshedpur)' in smaller black text below it. The central text, in yellow and white, reads 'DEPARTMENT OF CS&IT Presents Webinar on Machine Learning Concept With Big Data Analytics on 10.01.2022'. A red horizontal line is positioned below this text. On the right side, there is a square image of a human brain with glowing blue and yellow neural connections. At the bottom, a black banner contains the names of the chair person, co-ordinator, and speaker in yellow text.
