Name and Type of Event	Poster Presentation on Recent Technologies
Conducted by	Ms. Divya Paikaray, Mr. Arvind Kumar Pandey
No. Of Participant	46

A **Poster Presentation on Recent Technologies** was organized on 23rd October 2021 via Google form. The event was coordinated by Ms. Divya Paikaray, Mr. Arvind Kumar Pandey, HOD, Department of Computer Science & IT.

The aim of this event was to make students aware about Recent Technologies in computer science around us. Students presented their handmade Posters in this event. Event Started at 10:00 am, students presented posters related to topics such as Robots Working, and Smart Humans Enjoying and IOT in Agriculture. Students expressed their thoughts very clearly and elaborately. Total 46 Participations were received for this presentation. Out of 46 Participations, only 22 students presented their poster on different topics relevant with recent technologies. Another Student presented his Poster on Edge Computing by implementing the concept of edge computing in day to day life. The students were very much satisfied with this Quiz event.

The Quiz was a One Day Program, students from ARKA JAIN University and students from outside University actively participated in the event.
