COMPANY PROFILE:

Great Learning, a part of the **BYJU'S group**, is a leading global edtech company for professional and higher education offering industry-relevant programs in blended, classroom, and purely online modes across technology, data and business domains.

A brainchild of Mohan Lakhmraju and Hari Nair, Great Learning came about in mid-2013. Starting from a 4-member team, today we are 1000+ strong and growing fast. They have created a network of 1100+ expert faculty and mentors who help us deliver high quality blended learning experiences across 14 programs and seven metros. Over the last seven years, they have delivered 20 million hours of impactful learning, had a 100x growth in learners, a 30x growth in revenue and we are just getting warmed up. **They are leaders – our DSBA program (formerly BABI) is ranked #1 in India 5 years in a row and this spot is very close to our hearts - they do everything in the box and out of the box to defend the crown.** Several of our newer programs have shot up their respective charts within the first year of their launch! they love their programs and we feel immense pride every time our graduates crack new jobs, new promotions, new roles and start new divisions or startups - but they are never satisfied and will never stop!

Their awesome team has alums from Stanford, Berkeley, MIT, IITs, Duke, MDI, IIMs, Great Lakes, NMIMS and MICA, who have worked with Tiger Global, Flipkart, Boston Consulting Group, Zipdial, Citi, SAP and P&G amongst others.
