24.01.2022

Date of Event	24th January 2022
Name and Type of Event	Online Reasoning and Aptitude Test-1
Conducted by	Syed Rashid Anwar, Maniranjan Kumar
Number of Participants	88

Online Reasoning and Aptitude Test-1

The idea of conducting Online Reasoning and Aptitude Test-1 for the final year students was initiated by Mr. Syed Rashid Anwar and Mr. Maniranjan Kumar, and was well received among the students. The aim of this event was to create an ambience where students can participate and feel the situations and challenges related to Competitive Exam Preparation and for job interview. It was also aimed at finding out the strengths and weakness of an individual. The Test constituted a series of various aspects such as Series & Sequence, Profit & loss, etc. The students got a taste of what and how a competitive Test is to be faced and all the technical aspects of it.

The idea behind this event is to constantly and continuously groom the students and make them confident and ready for the competitions and interview.

Venue and Participants:-

An Online Reasoning and Aptitude Test was organized and successfully conducted for B.Tech and Poly final year students. The primary aim of this event was to prepare the students for placements and competitive exams. A total of 182 students from various Engineering Streams (ME, EEE, CE, CSE) had registered out of which 88 students successfully attended the test. 20 Questions of basic and intermediary level were given and students were equally efficient to solve them.
