| Name and Type of Event | RANG VIDHAN, Workshop on Design and Colour Theory |
| Conducted by | Anup Kumar Singh, Shruti, Usha Kiran Barla |
| No. Of Participant | 15 |

In the campus of Arka Jain University, Rang Vidhan was organized on 8th February '2022 to 12th February '2022. Miss. NikunjNaredi, alumni of NIFT, Gandhinagar and the founder of AHIMSA Prints conducted this workshop in the campus of Arka Jain University.

The students of the Department Of Fashion Design participated in this workshop enthusiastically. The content of this workshop were mainly Elements of Design and Principles of Design. Apart from this students also came to know more about Colour theory, Colour proportion, Colour temperature and Colour Schemes in this workshop.

At the starting students learned about the point, lines , shapes , forms , values ,colour schemes and texture .They learned that how these all elements are functioning to form a final design .They did practical assignments also to understand it better.

After that there had a discussion on Principles of Designs too. Students got a chance to know about symmetrical balance, asymmetrical balance, harmony, proximity, emphasis by contrast, emphasis by isolation, emphasis by placement, hierarchy, rule of third etc. All the students had very sincerely completed this workshop.

Then students were given some assignments based on Principles of Design, Colour Schemes etc., which were relevant to this workshop .They had done a really fantastic job and created many art pieces and design works. All their works were displayed in Fashion Design Lab, which everyone had appreciated. One can easily understand after seeing their works that how they imbibed all the learning of this workshop.

The main objective of the University to organize such type of workshops is to enhance the aesthetic sense in the students so that they can established themselves as a successful designer.
