

Report on Career Guidance and AMA with Students Held on
25.02.2022

Date of Event	25.02.2022
Name and Type of Event	Webinar on Career Guidance and AMA with Students
Conducted by	Ms. Alka Kumari, Mr. Arvind Kumar Pandey
No. Of Participant	90

A one-day National Webinar on ***Career Guidance and AMA with Students*** was organized on 25th February 2022. It was organized on online mode using Google Meet platform. The speaker of the event was Mr. Thrift Kapila, Front End Developer at walmart. The webinar was coordinated by Ms. Alka Kumari, Assistant Professor, Dept. of Computer Science & IT.

About the Speaker: The speaker for the event Mr. Thrifty Kapila Singh has over 4 years of work experience Front End Developer. He is also an eminent speaker in Career Guidance. He has done B. Tech from Punjab University. He has completed many projects in JavaScript, PHP etc.

About the event: In this event, it has been analyzed that career guidance helps students not only when they are deciding '**which career is right for them**' but they can take guidance even if they want to change their job, they want mid-career advice or they want to change the entire course in the middle. Career guidance is the guidance given to individuals to help them acquire the right knowledge and information necessary to identify a better fit career. It increases our knowledge base: Taking career guidance from an expert will give our students an insight of every possible career options for them. They will get to know about their interest and strengths and according to their choice, they will guide them according to its future prospects.

90 participants from all over the computer science department participated in this webinar. There were few participants from other cities.

The session began sharp at 09:30 am. The event started with the welcome note by Ms. DivyaPaikaray and Ms. Alka Kumari. After the inauguration speech, Mr. Thrift Kapila took over and shared his knowledge and information on Career Guidance. He also explained job opportunities for computer science students. The session was of 2 hours and came to a close at 11:30 PM. The session was followed by a Vote of Thanks. A short Feedback Session was conducted for the participants after which Participation Certificates were awarded to them.
