

Report on SAMVAAD, A Virtual Parent Teacher Meeting Held on
22.02.2022

Date of Event	12th February'22
Name and Type of Event	SAMVAAD Parent Teachers Meeting
Conducted by	Asst. Prof. Seema Das and Asst. Prof. Ranjan Kumar
No. Of Participant	20

A virtual parent teacher meeting, SAMVAAD was organized on 22rd Feb, 2022 for the parents of the students studying in B.COM (H), Semester 1 at **ARKA JAIN University, Jamshedpur, Jharkhand**.

The idea was conceived by Prof Priya Raman, the Programme Coordinator, Dept. of B.COM (H), School of Commerce and Management, **ARKA JAIN University, Jamshedpur, Jharkhand**. The session was moderated by Asst. Prof. Seema Das and Asst. Prof. Ranjan Kumar, Dept. of B.COM (H), School of Commerce and Management.

The meeting lasted for around 2 hours with a total of over 20 parents attending the meet. The parents felt quite happy with the initiative of conducting the Meet online and appreciated the efforts of the Programme Coordinator, Faculty members and the University in the lights of continuing the online classes and other activities like webinars, extra-curricular activities etc.

Some of the points discussed in the meeting were regarding the placement offered by the university, transportation facility, certification courses offered and about the conduction of classes whether online, offline or hybrid. Parents did get clarity on the same.

We also had good discussion on student's academic and progress report and at the same time we came to know about student's strength and weaknesses regarding a particular subject.

It was really a very fruitful and satisfying session for the parents as well as the faculty members with both the entities interacting and willing to ensure the continuation of the highest degree of quality education to the students even during the crisis times.

Outcome

The meeting ended on a very positive note and with a promise from the University being made to the parents to continue with all the great and innovative teaching methodologies being adopted so that the students are benefited in all realms with the best of the possibilities and to grow and evolve in order to introduce more breakthroughs to achieve new benchmarks in teaching, coaching and mentoring the millennials and Gen-C students.
